The British Tradition

Prentice Hall Literature, Penguin Edition ( 2007) components for Grade 6.

The American Experience Pearson Prentice Hall Literature is an engaging program that reaches all students through personalized instruction. Highly engaging visuals and contemporary lesson designs have been carefully crafted into the program to ensure students will be easily engaged and stay highly motivated as they experience outstanding literature, poetry, and contemporary media. Prentice Hall Literature includes explicit instruction of skills--reading, vocabulary, literary analysis, and writing conventions--all in the context of the literature students read. The American Experience and British Tradition focus specifically on comparing literary works. Lesson activities include instruction and practice of reading and literary analysis skills. Prentice Hall Literature is organized around big and essential questions based on the Understanding by Design model by Grant Wiggins. Students frequently revisit these questions throughout lesson activities to deepen their understanding of universal themes. The Understanding by Design model helps you deliver focused instruction by teaching skills in context rather than in isolation. Prentice Hall Literature Student Edition includes Informational Texts, Comparing Literary Works, Writing Workshops, and end-of-unit activities.
