This intensive lexical builder is addressed to B1-B2 intermediate learners of German, who are already capable of reading easy German stories, and who would like to enrich (and/or refresh) their vocabulary up to the advanced level in order to approach more complex German texts. Each piece of vocabulary is embedded in at least three example sentences in order to appeal to active understanding and trigger both short-term and long-term memory. Whenever possible, different meanings of the terms or expressions concerned are also illustrated. The vocabulary lessons are interspersed with concise but essential reminders of German grammar. At the end of the book, readers are offered a bilingual, paragraph for paragraph version of one of E. T. A. Hoffmann's famous stories, namely "Rath Krespel" (1818), translated in English by J. T. Bealby (1885). In each pair of bilingual paragraphs, important words to retain or recognize are emphasized in bold or underlined. Finally, the bilingual version is followed by the original, German only text of Hoffmann's novel - which readers are advised to go

through, even if by now they know the narrative - since it is essential to retrieve and fully consolidate all learned German terms into their original context. This paperback comes with a free copy of the e-book version. Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his resume, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
