A History

The Orvis Guide to Beginning Fly Fishing

Alaska Years

Game Changer flies have completely revolutionized how fly anglers approach pressured and wary fish around the world. Tied on a series of interconnecting spines, these flies can be drawn through the water with a serpentine swimming action or made to glide and jackknife in the water with hard strips--movements that predatory fish find irresistible. In this book, from one of the most creative and visionary minds in fly tying and fly fishing, author Blane Chocklett shares his tips and techniques for getting maximum movement out of these flies, both at the vise and on the water. In addition to covering popular patterns such as the Finesse Changer and Feather Game Changer, Chocklett traces the evolution of his search for the ultimate pattern, and takes readers along his journey of discovery beginning with his Gummy Minnow and ending the book with perhaps the most effective fly ever designed for apex predators, the Hybrid Changer. - Step-by-step tying instructions for 20 flies - Chapter covering hooks, shanks, brushes, and other critical materials - Fishing techniques, including tips on retrieves and casting large flies - Close-ups of Chocklett's favorite patterns - Detailed information on building brushes

Your Travel Destination. Your Home. Your Home-To-Be. Dallas & Fort Worth "Fort Worth is where the West begins," it's said, "and Dallas is where the East peters out." • A personal, practical perspective for travelers and residents alike • Comprehensive listings of attractions, restaurants, and accommodations • How to live & thrive in the area—from recreation to relocation • Countless details on shopping, arts & entertainment, and children's activities

Mike Toth's second edition on the basics of fishing features expanded coverage of everything anglers need to know, from getting started and choosing and buying tackle to recording the catch hopefully.

The Best of Online Shopping

333 Skills that Will Get You Out Alive

101 Tips for the Absolute Beginner

Featuring over 2,000 great Web sites and newsgroups for outdoor family activities, this quick reference offers a treasure chest of information and tips for the active family. 200 illustrations.

It's time to pack perfect. Every trip, every time. Your journey starts here. When you travel, the journey is just as important as the destination--and packing is the first step. In How to Pack, Hitha Palepu, a former consultant who has traveled more than 500,000 cumulative miles around the world, shows that what and how you pack are who you are. Confidence and comfort inspire success upon arrival, whether you're exploring a new city, hoping to nail a job interview, or relaxing on a beach. In How to Pack, you'll learn about: · Power Pieces vs. Fantasy Pieces: How clothing earns its place in your suitcase · The Accessory Math Secret: The precise formula for all you need to finish off your outfits · Folding versus Rolling: What's right for which items · Globetrotter Gorgeous: Editing your beauty routine while still looking great · The Packing Timeline: How to avoid "I'm forgetting something" syndrome · Pack Perfect Lists: Samples and blanks for any kind of trip

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.
