California Tenants Rights

A practical, easy to read guide for landlords and tenants, addressing the compelling issues inherent in the landlord-tenant relationship, including lease agreements, security deposits, insurance, privacy, local ordinances, evictions, lockouts, subtenants, breach of covenant, remodeling, owner move-in, enforcing judgments, personal injury, legal aid and the attorney's role. A handy description of rental control ordinances in California cities is provided, plus standard rental forms, legal notices, informative appendices, and a glossary. Sound advice to help landlords preserve rental property investment. Buying this book may well save the reader the cost of expensive litigation.

All tenants have legal rights; however, most do not know what these specific rights are. Tenants' Rights in California is a practical manual explaining in simple language how to enforce and protect the legal rights of tenants in California.

Authored by an attorney with over a decade representing tenants against landlords, this book is designed to serve a reference guide to the laws specifically protecting the rights of tenants living in California. Tenants in California are afforded substantial rights. These rights are explicitly defined by the California Civil Code, and are also set by court rulings (also referred to as case precedents). The purpose of this book is to explain the rights provided to tenants by the California Civil Code, and to cite the laws and case precedents that specifically protect and benefit tenants. The information provided by this guide will clarify the rights and liabilities of the tenant in the landlord/ tenant relationship and serve as a quick reference to the specific laws and cases applicable to common landlord/tenant disputes.Knowledge is power. The information discussed in the following pages will empower the tenant whose property owner is attempting to take advantage of them, or who may be involved in an unlawful detainer (eviction lawsuit).The majority of books presenting themselves as Tenant's Rights Guidebooks do a fairly good job of explaining the rights entitled to a tenant. However, they do not go on to cite the laws or case precedents establishing those rights. This book separates itself from other Tenant's Rights Guidebooks by providing those specific civil codes and case precedents necessary for a tenant to effectively negotiate a Settlement Agreement or raise a formal argument at trial.

The go-to survival guide for California tenantsCalifornia tenants have many rights, especially those lucky enough to have rent control. But knowing and enforcing these rights can be difficult. Fortunately, California Tenants' Rights, the leading tenant guide for more than 45 years, provides all the information and key forms tenants need to: find a good rental in a competitive market understand the rules regarding service and support animals deal with a problem roommate or noisy neighbor stop landlord intrusions of privacy get the landlord to make repairs or deal with mold or bedbugs fight illegal discrimination, harassment, or retaliation break a lease with minimal liability respond to a late rent or termination notice get as much of the deposit back as possible, and fight an eviction, with line-by-line instructions on completing required forms. The 22nd edition includes updated information on state eviction rules and forms, local rent control ordinances, and tenant rights to sublet on Airbnb.

California Tenants' Rights. 17th Edition

Tenants' Rights In California

California Real Estate Property Management

The Basics

"The New York Landlord's Law Book" explains New York landlord-tenant law in comprehensive, understandable terms, and gives landlords the tools they need to head off problems with tenants and government agencies alike.

Extraordinarily tense and deliciously mysterious, Anna Downes's The Shadow House follows one woman's desperate journey to protect her children at any cost, in a remote place where not everything is as it seems. A HOUSE WITH DEADLY SECRETS. A MOTHER WHO'LL RISK EVERYTHING TO BRING THEM TO LIGHT. Alex, a single mother-of-two, is determined to make a fresh start for her and her children. In an effort to escape her troubled past, she seeks refuge in a rural community. Pine Ridge is idyllic; the surrounding forests are beautiful and the locals welcoming. Mostly. But Alex finds that she may have disturbed barely hidden secrets in her new home. As a chain of bizarre events is set off, events eerily familiar to those who have lived there for years, Alex realizes that she and her family might be in greater danger than ever before. And that the only way to protect them all is to confront the shadows lurking in Pine Ridge.

Here's all the plain-English information you need to protect your rights as a tenant in California.

The best, most effective way to make and save money as a landlord is to keep up with the law, so turn to Every Landlord's Legal Guide, which gives you the legal and practical solutions you need to rent your residential property right. California Tenant' Handbook

State by State

Solve Problems Before They Start

Nearly forgotten by history, this is the story of the Wereth Eleven, African-American soldiers who fought courageously for freedom in WWII—only to be ruthlessly executed by Nazi troops during the Battle of the Bulge. Their story was almost forgotten by history. Now known as the Wereth Eleven, these brave African-American soldiers left their homes to join the Allied effort on the front lines of WWII. As members of the 333rd Field Artillery Battalion, they provided crucial fire support at the Siege of Bastogne. Among the few who managed to escape the Nazi's devastating Ardennes Offensive, they found refuge in the small village of Wereth, Belgium. A farmer and supporter of the Allies took the exhausted and half-starved men into his home. When Nazi authorities learned of their whereabouts, they did not take the soldiers prisoner, but subjected them to torture and execution in a nearby field. Despite their bravery and sacrifice, these eleven soldiers were omitted from the final Congressional War Crimes report of 1949. For seventy years, their files—marked secret—gathered dust in the National Archive. But in 1994, at the site of their execution, a memorial was dedicated to the Wereth Eleven and all African-American soldiers who fought in Europe. Drawing on firsthand interviews with family members and fellow soldiers, The Lost Eleven tells the complete story of these nearly forgotten soldiers, their valor in battle and their tragic end. INCLUDES PHOTOS

According to California law, the procedures governing landlords must be followed or you could be held liable to tenants for thousands of dollars in damages and attorney's fees. The Landlord's Legal Guide in California clarifies the landlord/tenant laws in plain English so you can protect your rights as well as your investment. This book details how to confront difficult situations and deal with them in a professional manner. You will be provided with insight into the tenancy process along with forms, flowcharts and examples from actual cases to answer any questions that you may have about protecting your rights as a landlord.

Renters' Rights

California Landlord's Law Book, The: Rights & Responsibilities

California Tenants' Handbook

"A masterly book" —Nassim Nicholas Taleb, author of The Black Swan "A classic" —Simon Kuper, Financial Times An economist explains five laws that confirm our worst fears: stupid people can and do rule the world Throughout history, a powerful force has hindered the growth of human welfare and happiness. It is more powerful than the Mafia or the military. It has global catastrophic effects and can be found anywhere from the world's most powerful boardrooms to your local bar. It is human stupidity. Carlo M. Cipolla, noted professor of economic history at the UC Berkeley, created this vitally important book in order to detect and neutralize its threat. Both hilarious and dead serious, it will leave you better equipped to confront political realities, unreasonable colleagues, or your next dinner with your in-laws. The Laws: 1. Everyone underestimates the number of stupid individuals among us. 2. The probability that a certain person is stupid is independent of any other characteristic of that person. 3. A stupid person is a person who causes losses to another person while deriving no gain and even possibly incurring losses themselves. 4. Non-stupid people always underestimate the damaging power of stupid individuals. 5. A stupid person is the most dangerous type of person.
