Use this book as a practice guide to help you prepare for the knowledge test that all new drivers must pass to obtain a learner's permit. About 50% of those who take the knowledge test fail it the first time. So, be sure to study first the Official Manual of your local Government Department of Motor Vehicles before you take the test for your learner's permit (the Official Manual can be found for free on the official website of your local DMV/MVA/DHSMV/RMV...etc). Some questions from the new exam appeal to behavior, situations, and your ability to use common sense. This book offers many questions with answers. Some of the questions can be more advanced than others, and can also apply to CDL Exam. For the correct and complete answers and explanations, please refer to your official local Government Department of Motor Vehicles Manual.*

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which was enacted in 1989. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These sections require the development, implementation and maintenance of the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm has received the FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also receive a safe handling demonstration with that firearm.
