

## Call The Midwife A Memoir Of Birth Joy And Hard Times

**A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From the indie rockstar of Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.**

**In his 20 year affiliation with Jim Henson's Muppets Joseph A. Bailey was a staff writer on both Sesame Street and The Muppet Show. He also co-wrote the television specials *Big Bird in China*, *Christmas Eve on Sesame Street* and *Rocky Mountain Holiday*, starring John Denver and the Muppets on location in Aspen, Colorado. Additionally, Mr. Bailey wrote Sesame Street song lyrics, albums, five 90-minute Sesame Street Live! musicals, Muppet Business Meeting Films and special material for Big Bird's appearances in the White House and Carnegie Hall. The Muppet Show guest stars he wrote for include George Burns, Bob Hope, Steve Martin, Rudolf Nureyev, John Cleese, Milton Berle and Peter Sellers. For his writing, Mr. Bailey has garnered 5 Emmys, 3 Emmy nominations, a Writers Guild of America Award and a George Foster Peabody Award. Mr. Bailey lives in Manhattan with his wife, Gail. He indulges in occasional long-distance motorcycle trips and claims to speak French and play piano to the equal amusement of others.**

**"The Memoir Midwife" teaches you the nine specific steps needed to self-publish your book. Think of this as the self-publishing version of "What to Expect When You're Expecting." It's meant to let you know what you're in for and provide you with the confidence you need to push forward with your self-publishing goals.**

**A raw, smart, and darkly funny memoir, *My Heart Is An Autumn Garage* unapologetically chronicles a lifelong struggle with clinical depression. Anne Theriault neatly lays bare her heart, unsparingly detailing the naked self-loathing and self-destructive behaviors that led to her breakdown and subsequent hospitalization at the age of twenty one. Both an examination of the frightening and deeply dehumanizing treatment of psychiatric patients and a wry coming-of-age story, this book deftly explores the knife's edge between despair and hope."**

**An amazing life. As a New Yorker brought up in the world of Broadway theater, the author, Burt Boyar, became a child radio actor**

*earning \$1000 a week in the late 1930's, early 40's, playing Archie on Archie Andrews, Billy Batson on Captain Marvel, Dexter Franklin on Corliss Archer, etc. etc. Then he became a caviar taster, a polo player, a widely syndicated Broadway columnist, close friend and biographer to Sammy Davis, Jr. with the worldwide Best Selling book, Yes I Can. Then, an intimate of the world's greatest tennis players, Rod Laver, Ken Rosewall, Lew Hoad, etc. which brought him and beloved wife, Jane, to Spain where they lived for 28 glorious years in a beach house in Marbella as close friends of Chief of State General Francisco Franco's family, among other European dazzlers, until Jane's untimely death brought their idyllic 44 year marriage to an end. Burt returned to the U.S., to Los Angeles, where he is living yet another extraordinary life.*

*Starkishia*

*London's East End in the 1950s was a unique place: the struggles of post-war life - bombsites, overcrowded tenements, crime, brothels - bred a culture of tight-knit family communities, larger-than-life characters, and a lively social scene. It was into this world that Jennifer Worth entered as a trainee midwife. But docklands' life was tough, and babies were often born in slum conditions. In funny, disturbing and heartbreaking stories, Jennifer Worth recounts her time among nuns, prostitutes, abortionists, bigamists, gangsters and expectant mothers, portraying East Enders' amazing resilience - and their warmth and humour in the face of hardship. Written with affection and nostalgia, TALES FROM A MIDWIFE chronicles the lives, traditions and tales of a bygone era.*

*'Our childhood came to an end when our parents parted and from then on Jennifer was placed in the impossible position of having to be a parent to me, her sister. I shall always be grateful for her protection . . .' Millions have fallen in love with Jennifer Worth and her experiences in the East End as chronicled in Call the Midwife, but little is known about her life outside this period. Now, in this moving and evocative memoir, Jennifer's sister Christine takes us from their early idyllic years to the cruelty and neglect they suffered after their parents divorced, from Jennifer being forced to leave home at fourteen to their training as nurses. After leaving nursing Jennifer took up a career in music, her first love, and Christine became a sculptor, but through marriages and children, joy and heartbreak, their lives remained intertwined. Absorbing and emotional, The Midwife's Sister by Christine Lee is testimony to an enduring bond between two extraordinary women.*

*Call the Midwife - A Labour of Love: Ten Years of Love, Life and Laughter is a beautifully illustrated anniversary book celebrating ten years of the much-loved and internationally renowned BBC One TV series Call the Midwife. Written by actor and author Stephen McGann, a founding member of its starring cast, Call the Midwife - A Labour of Love is the up-close and personal story of Call the Midwife as told by the cast and crew who've made it into the iconic drama it is today. Warm, moving and funny, it brings to life the journey of the Call the*

*Midwife years with personal reflections, anecdotes and insights from co-stars past and present, producers, technical crew and guests, as well as being lavishly illustrated with behind the scenes photography.*

*In this follow up to CALL THE MIDWIFE, Jennifer Worth, a midwife working in the docklands area of East London in the 1950s tells more stories about the people she encountered. There's Jane, who cleaned and generally helped out at Nonnatus House - she was taken to the workhouse as a baby and was allegedly the illegitimate daughter of an aristocrat. Peggy and Frank's parents both died within six months of one another and the children were left destitute. At the time, there was no other option for them but the workhouse. The Reverend Thornton-Appleby-Thorton, a missionary in Africa, visits the Nonnatus nuns and Sister Julienne acts as matchmaker. And Sister Monica Joan, the eccentric ninety-year-old nun, is accused of shoplifting some small items from the local market. She is let off with a warning, but then Jennifer finds stolen jewels from Hatton Garden in the nun's room. These stories give a fascinating insight into the resilience and spirit that enabled ordinary people to overcome their difficulties.*

*Agnes Light trained as a nurse in the 1960s and went on to become a midwife - helping to bring new lives into the world for over thirty years. After fainting from shock at the first birth she attended as a student, Agnes grew to adore her job and the lifelong friends that worked with her on the maternity ward. In her enchanting memoir, she recalls how she struggled at first with the strict rules of hospital etiquette, and the expectation that she would always know the right thing to do - from dealing with hysterical fathers to miracle multiple births - Agnes quickly learnt she had to keep a cool head whatever the circumstances. This is a heartwarming portrait of a thoughtful and compassionate midwife. Funny, poignant and rich with period detail, Midwife on Call traces Agnes's touching journey from squeamish pupil to assured professional.*

An unforgettable true story, The Midwife is the basis for the hit PBS drama Call the Midwife At the age of twenty-two, Jennifer Worth leaves her comfortable home to move into a convent and become a midwife in post war London's East End slums. The colorful characters she meets while delivering babies all over London-from the plucky, warm-hearted nuns with whom she lives to the woman with twenty-four children who can't speak English to the prostitutes and dockers of the city's seedier side-illuminate a fascinating time in history. Beautifully written and utterly moving, The Midwife will touch the hearts of anyone who is, and everyone who has, a mother.

An intriguing, uncensored, inside view of the not-so-friendly skies through the eyes of former flight attendant, Margo Anderson. If you are a frequent flier, or if you plan to fly in the near future, fasten your seat belt for a turbulent read! After five years of flying with a commuter airline based at Atlanta's Hartsfield-Jackson International Airport, Anderson draws on her personal experiences and conversations, painting a portrayal of life as a flight

## Read Book Call The Midwife A Memoir Of Birth Joy And Hard Times

attendant--grueling twelve hour days, complaining and unfriendly passengers, and unexpected, almost unbelievable situations, especially in the days and weeks following 9/11. Anderson navigates the complex world of flight crews with clarity, insight, wittiness, and her own special brand of humor. Readers are given a view of flying they may never have seen before, through the lens of the workhorse of the airline industry, regarded by many as the "puddle-jumpers," the commuter airlines.

The highest-rated drama in BBC history, *Call the Midwife* will delight fans of *Downton Abbey* everywhere have fallen in love with this candid look at post-war London. In the 1950s, twenty-two-year-old Jenny Lee leaves her comfortable home to move into a convent and become a midwife in London's East End slums. While delivering babies all over the city, Jenny encounters a colorful cast of women—from the plucky, warm-hearted nuns with whom she lives, to the woman with twenty-four children who can't speak English, to the prostitutes of the city's seedier side. An unfortgettable story of motherhood, the bravery of a community, and the strength of remarkable and inspiring women, *Call the Midwife* is the true story behind the beloved PBS series, which will soon return for its sixth season.

Memoir of a heart-wrenching life of a little girl who made it through, though adult life got worse, even through six abusive marriages and lots of illnesses. The East-End stories that inspired the BBC TV series, *CALL THE MIDWIFE*, in a gorgeous gift box. London's East End in the 1950s was a tough place: the struggles of post-war life - bombsites, overcrowded tenements, crime, brothels - bred a culture of tight-knit family communities, larger-than-life characters and a lively social scene. It was into this world that Jennifer Worth entered as a trainee midwife. But docklands life was tough, and babies were often born in slum conditions. In funny, disturbing and heartbreaking stories, Jennifer Worth recounts her time among nuns, prostitutes, abortionists, bigamists, gangsters and expectant mothers, portraying East Enders' amazing resilience - and their warmth and humour in the face of hardship. Written with affection and nostalgia, her midwife stories chronicle the lives, traditions and tales of a bygone era.

*birth. As a veteran of the field, she has helped countless women on the path to labor by delivering their babies and following up with breastfeeding support, newborn care, and insight into the many psycho-social challenges women face in the transition to motherhood. Gain professional wisdom as acclaimed health reporter Sandi Doughton shadows Kopas at work, telling the story of her professional path. Learn the ins and outs of this dynamic job, helping soon-to-be mothers bring new life into the world.*

*A remarkable new voice in American fiction enchants readers with a moving and uplifting novel that celebrates the miracle of life. In *The Midwife of Hope River*, first-time novelist Patricia Harmon transports us to poverty stricken Appalachia during the Great Depression years of the 1930s and introduces us to a truly unforgettable heroine. *Patience Murphy*, a midwife struggling against disease, poverty, and prejudice—and her own haunting past—is a strong and endearing character that fans of the books of Ami McKay and Diane Chamberlain will take into their hearts, as she courageously attempts to bring new light, and life, into an otherwise cruel world.*

*This final book in Jennifer Worth's memories of her time as a midwife in London's East end brings her story full circle. As always there are heartbreaking stories such as the family devastated by tuberculosis and a ship's woman who 'serviced' the entire crew, as well as plenty of humour and warmth, such as the tale of two women who shared the same husband! Other stories cover backstreet abortions, the changing life of the docklands, infanticide, as well as the lives of the inhabitants of Nonnatus House. We discover what happens with the gauche debutant Chummy and her equally gauche policeman; will Sister Monica Joan continue her life of crime? Will Sister Evangelina ever crack a smile? And what of Jennifer herself? The book not only details the final years of the tenements but also of Jennifer's journey as she moves on from the close community of nuns, and her life takes a new path.*

*When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they*

## Read Book Call The Midwife A Memoir Of Birth Joy And Hard Times

would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

This omnibus edition of *Call the Midwife*, *Shadows of the Workhouse* and *Farewell to the East End* chronicles Jennifer Worth's career as a midwife from start to finish, from her arrival in the war-scarred Docklands as a wide-eyed trainee, to the demolition of the tenements and subsequent closure of Nonnatus House. It provides a fascinating snapshot of social history, documenting the East End in the days when there was a real sense of community, when times were tough but there was plenty of good humour and neighbourly support to help the inhabitants through the harsh economic climate. The book also enables readers to follow Jennifer's personal story, as she discovers the amazing resilience of a population still bearing the scars of war, and the vibrant community of nuns with whom she lives and who teach her the skills of midwifery. In stories that are funny, disturbing and moving in equal measure, we meet prostitutes and abortionists, bigamists and mischievous nuns, and see Jennifer earn the confidence of people whose lives are often stranger than fiction.

**medical trials, including her private battle with uterine cancer, she devotes herself to her patients' well-being in all aspects of their lives. They, in turn, tell her intimate stories both heartbreaking and uplifting.**

**This is a most touching and emotional true story. of the author's battle with cancer.It is a detailed and personal account of how a very strong believer and family-oriented woman beat ovarian cancer. Although that type of cancer historically develops rapidly and has devastating effects, this true story shows how faith, family and love are a powerful force to reckon with. A must read for anyone with or without an illness! Eight years hence she is Cancer Free.It shows what faith in God can do. God is really alive and can work miracles in our lives. We just have to believe. The Author relates events when her life and financial well-being were threatened by this dreadful disease. Her strong faith in God saw her through all the trials she had to undergo during her several months of treatment. Writing this book gives her the opportunity to demonstrate to others the meaning of prayer and family unity . Eight years hence, she is now Cancer Free and wants to shout it to the world.The book serves as an inspiration for those in a similar situation to not give up but trust in god and continue fighting. She especially wants to acknowledge her loving husband who was a pillar of support throughout her ordeal.**

**Small print edition 5x8Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single**

***parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. ***Jennifer Worth came from a sheltered background when she became a midwife in the Docklands in the 1950s. The conditions in which many women gave birth just half a century ago were horrifying, not only because of their grimly impoverished surroundings, but also because of what they were expected to endure. But while Jennifer witnessed brutality and tragedy, she also met with amazing kindness and understanding, tempered by a great deal of Cockney humour. She also earned the confidences of some whose lives were truly stranger, more poignant and more terrifying than could ever be recounted in fiction. Attached to an order of nuns who had been working in the slums since the 1870s, Jennifer tells the story not only of the women she treated, but also of the community of nuns (including one who was accused of stealing jewels from Hatton Garden) and the camaraderie of the midwives with whom she trained. Funny, disturbing and incredibly moving, Jennifer's stories bring to life the colourful world of the East End in the 1950s.***

***For fans of One Born Every Minute. The Secret Midwife is a heart-breaking, engrossing and important read. At once joyful and profoundly shocking, this is the story of birth, straight from the delivery room. Strongest supporter, best friend, expert, cheerleader and chief photographer . . . Before, during and after labour the role of a midwife is second to none. The Secret Midwife reveals the highs and lows on the frontline of the maternity unit, from the mother who tries to give herself a DIY caesarean to the baby born into witness protection, and from surprise infants that arrive down toilets to ones that turn up in the lift. But there is a problem; the system which is supposed to support the midwives and the women they care for is starting to crumble. Short-staffed, over worked and underappreciated - these crippling conditions are taking their toll on the dedicated staff doing their utmost to uphold our National Health Service, and the consequences are very serious indeed.***

**Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}**

**This is a book for anyone who has battled a mental illness - any mental illness - or for anyone who loves someone with a mental illness. It is also a book for anyone who has struggled to understand the role of faith in his/her suffering. Blue recounts a 35-year battle with the daily despair of OCD. For the first 25 years, his Christian upbringing convinced him he had a faith issue, not a chemical one. At age 25, after realizing there was more going on than a simple lack of faith, he spent the next 10 years struggling to find the right diagnosis, doctor, and treatment plan. This journey landed him in 7 different psychiatrists offices, countless psychologists offices, and even in the mental hospital for three days. In the end, Blue finds some answers but also comes to grips with the presence of his questions. This book will**

**engage you, encourage you, and make you think about the sometimes toxic blend between spirituality and mental illness. Excerpt from chapter 3: At its core, OCD is a quest for certainty where certainty doesn't/can't exist. The person who washes his hands a million times wants certainty that the deadly germs are banished from his hands, but he can never be sure. The driver who fears she has accidentally hit a pedestrian re-drives the same route over and over, looking for absolute certainty that she didn't hit the innocent pedestrian, but there's no way to be absolutely certain that that odd color on the sidewalk isn't the blood of the child she just ran over who is now at the hospital or the morgue. Or the kid who is terrified he'll be abandoned by his parents...he can never ask enough questions or stand in just the right spot to check on their early arrival so as to be completely certain that they will always come back. Uncertainty dooms the sufferer of OCD to his torture chamber. For the religious person, uncertainty will, at some point, attack his quest for peace through faith. Let's face it: religion comes with plenty of uncertainty. Sooner or later, everyone on the quest to understand or know God will have to ask some difficult questions: Why does God allow bad things to happen to good people? Why does God allow so much suffering when he could simply zap the evil-doers? What does it mean to be saved? Unsaved? Is there such a thing as hell, and if so, how do I know that the sweet little old lady who used to live next door who wasn't very religious but who was the kindest person I ever knew isn't there? (See appendix for a fuller discussion of hell). My inevitable questions about the black-and-white certainties of the Christian faith caused the struggle between my internal self and my external self to rage on. Spiritual questions plagued my brain from the time I was old enough to ponder such matters, but the stakes were high in my family, where failure to see things the Right Way was not acceptable. My family's certainty mixed with my inevitable lack of certainty created a struggle within me between intellectual honesty and family acceptance - a struggle that persists to this day. One of the certainties of my upbringing that troubled my uncertain brain was the question of hell. To make matters worse, in my early childhood, we were Southern Baptists to the core - no drinking, church on Sunday and Wednesday (and sometimes Sunday night just in case!), suits to church so Jesus could admire our wardrobes, etc. Dogmatic Christian groups are guilty of excessive certainty about countless uncertain things, like how long it took the world to be**

**created, where the precise line is between those who are “saved” and “unsaved,” and that hell is a real place where anyone who hasn’t “accepted Jesus as his/her savior” is going. Middle-school-Southern-Baptist-Tim, who had outgrown his fear of being left by his parents, needed some new way to be petrified of abandonment and isolation. Eternal damnation seemed like just the right thing for my brain to grab ahold of.**

**Letters to the Midwife is a wonderful collection of correspondence received by Jennifer Worth, offering a fascinating glimpse into a long-lost world. Along with readers' responses and personal histories, it is filled with all sorts of heart-warming gems. There are stories from other midwives, lorry drivers, even a seamstress, all with tales to tell. Containing previously unpublished material describing her time spent in Paris and some journal entries, this is also a portrait of Jennifer herself, complete with a moving introduction by her family about the woman they knew and loved.**

**The last collection of true-life nursing stories from the No.1 bestselling author of the CALL THE MIDWIFE series. Jennifer Worth's bestselling memoirs of her time as a midwife have inspired and moved readers of all ages. Now, in IN THE MIDST OF LIFE she documents her experiences as a nurse and ward sister, treating patients who were nearing the end of their lives. Interspersed with these stories from Jennifer's post-midwife career are the histories of her patients, from the family divided by a decision nobody could bear to make, to the mother who comes to her son's adopted country and joins his family without being able to speak a word of English. IN THE MIDST OF LIFE also gives moving insights not just into Jennifer's life and career, but also of a period of time which seems very different to today's, fast-paced world.**

**The Midwife's Sister**

**True Stories of a Country Nurse on a Scottish Isle (The Country Nurse Series, Book One)**

In the follow up to her bestselling *Call the Midwife*, Jennifer Worth tells the true stories of the people she met. There's Peggy and Frank, who were separated in the workhouse when their parents died. Until Frank's strength and determination enabled him to make a home for his sister. Jane was a bright, lively child, whose spirit was broken by cruelty, until she found kindness and love later in life. Then there is the matchmaking nun, Sister Julienne, and Sister Monica Joan, who ends up in the High Court...

Tired of the pace and noise of life near London and longing for a better place to raise their young children, Mary J. MacLeod and her husband encountered their dream while vacationing on a remote island in the Scottish Hebrides. Enthralled by its windswept beauty, they soon were the proud owners of a near-derelict croft house—a farmer's stone cottage—on “a small acre” of land. Mary assumed duties as the island's district nurse. *Call the Nurse* is her account of the enchanted years she and her family spent there, coming to know its folk as both patients and friends. In anecdotes that are by turns funny, sad, moving, and tragic, she recalls them all, the crofters and their laird, the boatmen and tradesmen, young lovers and forbidding churchmen. Against the old-fashioned island culture and the grandeur of mountain and sea unfold indelible stories: a young woman carried through snow for airlift to the hospital; a rescue by boat; the marriage of a gentle giant and the island beauty; a ghostly encounter; the shocking discovery of a woman in chains; the flames of a heather fire at night; an unexploded bomb from World War II; and the joyful, tipsy celebration of a ceilidh. Gaelic fortitude meets a nurse's compassion in these wonderful true stories from rural Scotland.

My father's suspicious death, perhaps at the hands of a small town sheriff's department, forced my mother to flee our hometown--Idamay, West Virginia--a few days after he died in 1954. She was told that he'd hung himself in a jail cell in Fairmont, West Virginia, where he was being held for driving while intoxicated. She was afraid they would do something to her and leave us kids orphaned. Though we left Idamay, that town and our devastating loss followed us. My father's absence, though seldom spoken about, was "present" everywhere we turned. My mother never looked back. But when she died forty-two years later, his death came back to me in full force. I felt compelled to investigate further. I'd heard conflicting stories all my life. This book documents an investigation that yields more questions than answers for the seven-year-old survivor who has an insatiable need to know. This book is about this seven-year-old whose entire life was indelibly marked by this tragic loss that she experienced when she had just reached what is often called the age of reason. Her quest for the truth takes her to places she'd never dreamed she could go. Because there is so much she doesn't know, she finds herself leaning heavily on her imagination to help her to navigate this mysterious and fatherless world.

*Call the Midwife* A Memoir of Birth, Joy, and Hard Times Penguin

*Jet Pioneer: A Fighter Pilot's Memoir* is the remarkable story of Major General Carl G. Schneider's thirty-two year

**U.S. Air Force career. Beginning in 1946 as a newly enlisted AAF private, he rose through the ranks to become a two star general--an accomplishment very few men in American history have ever achieved. This book is a fascinating look into the unprecedented career of a jet fighter pilot who flew one hundred combat missions in Korea and served in Vietnam flying combat missions with the VNAF. Filled with personal stories, Jet Pioneer: A Fighter Pilot's Memoir takes the reader along as the author recounts riveting combat missions, often humorous accounts of his Air Force career as well as the "gut-wrenching moments" of learning close friends were shot down by the enemy and killed or captured.**

**The Author's True Story about Her Bout with Cancer**

**Farewell to the East End**

Midwife Ellen Cohen delivered 1,400 babies in New York City hospitals during a career of more than twenty years. In this compelling first-person narrative she transports you into her world at the bedside in the maternity wards where childbirth takes place. In the challenging environment of urban clinics and crowded labor rooms the midwife strives to bring personal care, dignity and a sense of empowerment to every patient. Like an updated U.S. version of "Call the Midwife," the bestseller and television series, this book describes some of the most unforgettable births, the most heartwarming -- and heart-breaking -- experiences of her career. Memorable patients include Mia, a mentally ill woman whose stomach ached to be a baby; teenager Shaniqua who breezes through birth despite her youth; and Jeremiah, a little boy born HIV-infected who captures the love of the entire staff. Through these stories, readers will gain insight into many variations in pregnancy and learn what is special about the midwifery approach to care. You may be surprised to learn how similar Cohen's childbirth experiences were to your own, and where they differed.

Call the Midwife meets In the Middle of Nowhere in this heartwarming memoir of an adventurous Aussie midwife's life with babies'. Outback Midwife is the story of Beth McRae's 40 years as a midwife, from her terrifying first day witnessing a naive student nurse to her training as a midwife – the days when the words 'birth plan' were unheard of and what was a long way from being part of any plan – to the outback. Beth's career of catching babies takes her from the city to bonding with people from all walks of life at one of the most important moments in their lives. But there was one mountain she was determined to conquer. At a time when most people are thinking about slowing down, Beth decides to move

Aboriginal community in Arnhem Land to embark on a whole other adventure.

This memoir is one of the rare first-hand accounts of a child's life in the Warsaw Ghetto and in hiding on the Aryan side. In this short, beautifully written account, the author weaves together memories from her wartime childhood, reflections on the psychological burdens and damages she carried into her adult life, and accounts of her travel, in the last decade of the twentieth century, to contemporary Warsaw, seeking to find traces of the past. In these pages, the reader will encounter events as they were experienced by a child, as well as insights and confessions of an adult- written vividly, honestly, and with striking psychological insight. The unique tapestry of time and perspective makes this book stand out in the vast and growing literature about the Holocaust. [The black and white version.](#)

'Our childhood came to an end when our parents parted and from then on Jennifer was placed in the impossible position of having to be a parent to me, her sister. I shall always be grateful for her protection . . .' Millions have fallen in love with Jennifer Worth and her experiences in the East End as chronicled in *Call the Midwife*, but little is known about her life outside of the East End. Now, in this moving and evocative memoir, Jennifer's sister Christine takes us from their early idyllic years to the cruel neglect they suffered after their parents divorced, from Jennifer being forced to leave home at fourteen to their travels. After leaving nursing Jennifer took up a career in music, her first love, and Christine became a sculptor, but through their struggles and children, joy and heartbreak, their lives remained intertwined. Absorbing and emotional, *The Midwife's Sister* by Christine Lee is testimony to an enduring bond between two extraordinary women.

Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir about his hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the success of the persona of the fictional Mayberry that Griffith obviously used to in his highly successful *Andy Griffith Show* that ran on CBS for eight years ending its run as the number one show on television.

*A fascinating slice of social history - Jennifer Worth's tales of being a midwife in 1950s London, now a major BBC TV series. Jennifer Worth came from a sheltered background when she became a midwife in the Docklands in the 1950s. The conditions in which many women gave birth just half a century ago were horrifying, not only because of their grimly impoverished surroundings, but also because of what they were expected to endure. But while Jennifer witnessed brutality and tragedy, she also met with amazing kindness and understanding, tempered by a great deal of Cockney humour. She also earned the confidences of some whose lives were truly stranger, more poignant and more terrifying than could ever be recounted in fiction. Attached to an order of nuns who had been working in the slums since the 1870s, Jennifer tells the story not only of the women she treated, but also of the community of nuns (including one who was accused of stealing jewels from Hatton Garden) and the camaraderie of the midwives with whom she trained. Funny, disturbing and incredibly moving, Jennifer's stories bring to life the colourful world of the East End in the 1950s.*
