

Cambridge Latin Course Unit 3 Teachers 3rd Edition

A well-established and proven approach to learning Latin.

A clear and compact guide to the Latin language especially designed for both reference and revision. The approach reflects the traditions of the Cambridge Latin Course, but the guide will prove helpful to all students of Latin, whatever course they have followed. This volume represents a straightforward and practical approach to the study of Latin grammar for the contemporary student.

*Schizophrenics in the United States currently fare worse than patients in the world's poorest countries. In *Mad in America*, medical journalist Robert Whitaker argues that modern treatments for the severely mentally ill are just old medicine in new bottles, and that we as a society are deeply deluded about their efficacy. The widespread use of lobotomies in the 1920s and 1930s gave way in the 1950s to electroshock and a wave of new drugs. In what is perhaps Whitaker's most damning revelation, *Mad in America* examines how drug companies in the 1980s and 1990s skewed their studies to prove that new antipsychotic drugs were more effective than the old, while keeping patients in the dark about dangerous side effects. A haunting, deeply compassionate book—now revised with a new introduction—*Mad in America* raises important questions about our obligations to the mad, the meaning of “insanity,” and what we value most about the*

human mind.

Merchant of Syracuse, plead no more; I am not partial to infringe our laws: The enmity and discord which of late Sprung from the rancorous outrage of your duke To merchants, our well-dealing countrymen, Who, wanting guilders to redeem their lives, Have seal'd his rigorous statutes with their bloods, Excludes all pity from our threat'ning looks. For, since the mortal and intestine jars 'Twixt thy seditious countrymen and us, It hath in solemn synods been decreed, Both by the Syracusians and ourselves, To admit no traffic to our adverse towns; Nay, more, If any born at Ephesus be seen At any Syracusian marts and fairs; Again, if any Syracusian born Come to the bay of Ephesus, he dies, His goods confiscate to the Duke's dispose; Unless a thousand marks be levied, To quit the penalty and to ransom him. Thy substance, valued at the highest rate, Cannot amount unto a hundred marks: Therefore by law thou art condemn'd to die.

extra practice in translation and/or comprehension, or to provide material for evaluation purposes on tests and examinations. The stories have served both purposes in the classes for which they have been composed over the last 20 years. The Cambridge Latin Course is successful in its avowed aim to prepare students to read and understand Latin, mainly because its stories are so interesting that students want to be able to read them. That success, however, poses a challenge to the teacher/evaluator. To measure a student's success in achieving the Course's primary aim, the student has to be asked to translate or answer comprehension questions "at sight" on a connected passage of Latin. The Fabulae Ancillantes answer this need, providing passages that are in line with the Cambridge Latin Course, yet are new to the student.

Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans--with their daily activities, concerns, and habits--and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest,

understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.
