"This was a mistake."With four little words, he sunk my entire world. Jordan should have been my first...he was already my everything. My best friend, my secret crush.We were closer than siblings. Our family's weaved together an intricate pattern of lines never meant to be crossed.Until that night...We had a bit too much to drink and the heated way he stared at me made me feel that we could finally be something more. Things got a little out of hand and once the kissing started I didn't want it to stop. The time felt right and I gathered courage and told him how I felt.If only I knew how awkward things would be the next morning.

Heroes are hard to find, especially for Sean, who, at fifteen years old, has never had it easy. He's estranged from his father and abused by his mother—Sean feels he has nowhere to turn. Suspended from school and with a mounting police record, he is one step away from serious trouble. Sentenced to community service for violating curfew, Sean is sent to Mr. Hassler's farm, where he's forced to confront his fears and take charge of his own life. When Sean is faced with a dangerous situation that tests his true character, he learns just what it means to be a hero. In an age where it seems that few truly worthy heroes exist, S. L. Rottman has written a compelling and realistic portrayal of the conflicts that drive a young man toward his destiny.

**Descendants of Spanish Colonial settlers have been practicing subsistence farming along the Rio Grande for over 250 years. As that same river became the international boundary between the US and Mexico in 1848, landownership and the landscape began to change. As issues in Mexico such as the Mexican Revolution pushed families over the river into the Rio Grande Valley of Texas, many folks established themselves as farmers along side the new arrivals from the American Midwest in the early 1900s. The guarantee of successful year-round farming was a prominent theme and the Lunas were willing and able to embark on that challenge. As their life in the US began with some time in Los Ebanos, the family eventually found themselves purchasing land and farming in Edinburg. Today Luna family members are still farming in a section of northwest Edinburg fondly referred to as "Lunaville" by fellow farmers.**
