Aunt Sandy's Medical Marijuana Cookbook is a collection of recipes by cooking instructor, Sandy Moriarty, who is a professor at Oakland University in Oakland Ca. It includes 40 easy-to-prepare, delicious dishes from her signature dessert, Blue Sky Lemon Bars, to the Dizzy Bird Turkey with Stuffing for a festive holiday dinner. The book updates some of the classics with low-calorie, vegetarian, vegan, sugar-free and gluten-free options. Each individual's potency level is different. The author teaches how potency can be adjusted by the amount of plant material used in the butter, oil or tincture. The American Medical Association has now recognized the medical value of marijuana and the federal government has provided medical marijuana to selected medical patients for many years.
