All *SneakerBlossom Medieval History Study Guides include character and place indexing and a glossary for difficult vocabulary words*. Print versions also include *map work*.

That resistance, informed by a model of literary influence grounded on the idea of interruption, would keep the Canterbury Tales away from the Decameron, though not the rest of Chaucer from other works by Boccaccio. In the end, of course, that resistance tells us more about Chaucer’s reception since the fifteenth century than about Chaucer himself or his sources.”–BOOK JACKET.

“A truly remarkable achievement.” —Barry Unsworth In the tradition of Seamus Heaney’s Beowulf and Marie Borroff’s Sir Gawain and the Green Knight, Sheila Fisher’s The Selected Canterbury Tales is a vivid, lively, and readable translation of the most famous work of England’s premier medieval poet. Preserving Chaucer’s rhyme and meter, Fisher makes these tales accessible to a contemporary ear while inviting readers to the Middle English original on facing pages. Her informative introduction highlights Chaucer’s artistic originality in his memorable portrayals of surprisingly modern women and men from across the spectrum of medieval society.

Chaucer at Work is a new kind of introduction to the Canterbury Tales. It avoids excessive amounts of background information and involves the reader in the discovery of how Chaucer composed his famous work. It presents a series of sources and contexts to be considered in conjunction with key passages from Chaucer’s poems. It includes sets of questions to encourage the reader to examine the text in detail and to build on his or her observations. This well-informed and practical guide will prove invaluable reading to those studying medieval literature at undergraduate level and English literature at A level.

“A romp for the ages” (Vanity Fair)—now with a graphic cover and deluxe packaging Renowned novelist, historian, and biographer Peter Ackroyd takes on what is arguably the greatest poem in the English language and presents it in a prose vernacular that makes it accessible to readers while preserving the spirit of the original. A mirror for medieval society, The Canterbury Tales concerns a motley group of pilgrims who meet in a London inn on their way to Canterbury and agree to take part in a storytelling competition. Ackroyd’s contemporary prose emphasizes the humanity of these characters—as well as explicitly rendering their bawdy humor—yet still masterfully evokes the euphonies and harmonies of Chaucer’s verse. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Apart from the *Canterbury Tales*, there is also a collection of *21 short poems*, *The Romaunt Of The Rose*, *A Treatise On The Astrolabe*, *The Legend Of Good Women*, *Troilus And Criseyde*, *Boece*, *The Parliament Of Fowls*, *Anelida And Arcite*, *The House Of Fame*, and *The Book Of The Duchess*.

Studienarbeit aus dem Jahr 2014 im Fachbereich Englisch - Literatur, Werke, Note: 1,7, Friedrich-Schiller-Universität Jena (Institut für Anglistik/Amerikanistik), Veranstaltung: The Fabliau in English, Sprache: Deutsch, Abstract: Religion and Church play a significant role in Geoffrey Chaucer’s ‘Canterbury Tales’ and although the Church was so important, powerful and present it was not free from criticism. At the time when Chaucer wrote his ‘Canterbury Tales’, the Church was an extremely wealthy and predominant organization that was highly embedded in politics. This connection between religion, politics, prosperity and the will to protect the won rights led inter alia to secularization and corruption and the Church diverged from its own moralities. Considering that, the ecclesiastical authorities had problems to fulfil their spiritual mission convincingly. Such conflicts led to controversies and debates about Church and religion since the late fourteenth century was a vivid period for parishioners in the medieval Europe to question the established Church and its authorities. Chaucer did not describe his relation to pre-reformatory movements in detail but his criticism in the ‘Canterbury Tales’ overlaps with them in some points. The question that arises therefore is, whether Chaucer can be seen as a pre-reformatory author or not. To answer this question it would be necessary to analyze all religious aspects of the ‘Canterbury Tales’, which were an undeniably monumental endeavour. Due to the restricted space of that term paper the focus of this research will be laid on two central pilgrims and their tales: the monk and the prioress. Since both characters are described explicitly in the prologue and represent the ecclesiastical establishment they serve as a good example for Chaucer’s church criticism.

Six-hundred-year-old tales with modern relevance. This stunning full-colour edition from the bestselling Cambridge School Chaucer series explores the complete text of The Merchant’s Prologue and Tale through a wide range of classroom-tested activities and illustrated information, including a map of the Canterbury pilgrimage, a running synopsis of the action, an explanation of unfamiliar words and suggestions for study. Cambridge School Chaucer makes medieval life and language more accessible, helping students appreciate Chaucer’s brilliant characters, his wit, sense of irony and love of controversy.

REA’s MAXnotes for Geoffrey Chaucer’s The Canterbury Tales MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work’s historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

In the human comedy of Chaucer’s Canterbury Tales the pilgrims react to one another. The tales they tell reveal their own characters and serve in turn to supply dramatic settings for other tales told in response. In the chronicle of their self-revelations and of their reactions to one another, a thematic design may be traced. Chaucer’s art of high comedy has behind it a literary tradition of which it is the fulfillment. Briefly this is the thesis of Professor Bernard F. Hupp.’s A Reading of the Canterbury Tales. The book itself is the direct result of more than fifteen years of lecturing on the Canterbury Tales, during which time Professor Hupp,’s views on the dramatic structure of the tales have been modified, clarified, and sharpened through discussion with students and colleagues, and through his study of Chaucer’s literary tradition. A Reading of the Canterbury Tales retains the freshness and immediacy of a lecture series. It is intended to be provocative and to stimulate active discussion.

The Official Gazette of British Guiana

Detailed textual analysis of the tales by the Miller, Nun’s Priest, the Wife of Bath and the Pardoner, as well as the General Prologue invites you to sharpen your critical faculties, extend your knowledge and engage with the text itself in order to fully appreciate the work of this fascinating, complex and surprisingly modern writer. Whether you consider yourself an expert or a student, this study has something for you as it demonstrates the various approaches which can be used to learn about style, structure, multiple voices and the key themes of Chaucer’s work. It offers a careful support and thoughtful framework upon which to base your own analysis and challenging you to form your own ideas and opinions.

This Squid Ink Classic includes the full text of the work plus MLA style citations for scholarly secondary sources, peer-reviewed journal articles and critical essays for when your teacher requires extra resources in MLA format for your research paper.

Beginning with the spectacle of hysteria, moving through the perversions of fetishism, masochism, and sadism, and ending with paranoia and psychosis, this book explores the ways that conflicts with the Oedipal law erupt on the body and in language in Chaucer’s Canterbury Tales, for Chaucer’s tales are rife with issues of mastery and control that emerge as conflicts not only between authority and experience but also between power and knowledge, word and flesh, rule books and reason, man and woman, same and other – conflicts that erupt in a macabre sprawl of broken bones, dismembered bodies, cut throats, and decapitations. Like the macabre sprawl of conflict in the Canterbury Tales, this book brings together a number of conflicting modes of thinking and writing through the surprising and perhaps disconcerting use of “shadow” chapters that speak to or against the four “central” chapters, creating both dialogue and interruption.

Printing the Middle Ages focuses on the life of medieval texts after the Middle Ages, tracing the impact of the books that transmitted medieval literature to the English-speaking world, showing how these books imitated and refashioned the medieval past for later audiences.

The first tale from Chaucer’s The Canterbury Tales, "The Knight’s Tale" is one of many narrative poems in the late 14th-century work. Shakespeare’s 1613 co-written comedy The Two Noble Kinsmen is based on this tale.

New Essays on an Old Question

LitPlan Teacher Pack

From the Canterbury Tales by Geoffrey Chaucer

Chaucer’s Canterbury Tales was the subject of the first volume in the Approaches to Teaching series, published in 1980. But in the past thirty years, Chaucer scholarship has evolved dramatically, teaching styles have changed, and new technologies have created extraordinary opportunities for studying Chaucer. This second edition of Approaches to Teaching Chaucer’s Canterbury Tales reflects the wide variety of contexts in which students encounter the poem and the diversity of perspectives and methods instructors bring to it. Perennial topics such as class, medieval marriage, genre, and tale order rub shoulders with considerations of violence, postcoloniality, masculinities, race, and food in the tales. The first section, "Materials," reviews available editions, scholarship, and audiovisual and electronic resources for studying The Canterbury Tales. In the second section, "Approaches," thirty-six essays discuss strategies for teaching Chaucer’s language, for introducing theory in the classroom, for focusing on individual tales, and for using digital resources in the classroom. The multiplicity of approaches reflects the richness of Chaucer’s work and the continuing excitement of each new generation’s encounter with it.

The following series consists of separate volumes of the works of Chaucer, individually edited with introductions, notes & glossaries by Maurice Hussey, James Winny & A.C. Spearing.
