La raccolta poetica *My People* (1970) di Oodgeroo Noonuccal, oggi considerata un "classico" della letteratura postcoloniale, è qui tradotta in italiano per la prima volta. Questa antologia dà voce al popolo aborigeno australiano, marginalizzato, decimato e sfrattato dalla sua stessa terra con l'arrivo dei colonizzatori. La poesia di Oodgeroo recupera e riscrive le tradizioni orali e culturali aborigene, rivendicando nel contempo i diritti negati dalle politiche governative. Oodgeroo è la prima poetessa aborigena della storia. Il suo iter letterario ha inizio a metà degli anni Sessanta con la raccolta d'esordio *We Are Going*, pubblicata col nome anglosassone Kath Walker e poi confluita in *My People*. Oltre alla traduzione italiana integrale, questa edizione a cura di Margherita Zanoletti offre un'introduzione contestuale e testuale e un testo inedito in italiano della scrittrice indigena Alexis Wright.

Defying Standardization pierces the veil of misinformation surrounding the push to standardize the curriculum expectations for 56 million public school children. It provides a high energy, passionate, and, well-researched argument of what curriculum should and can be to facilitate the development of unstandardized skills and dispositions necessary for a globally connected society. Defying Standardization dismantles the myths and lies surrounding international test rankings and demonstrates that there is no relationship to economic indicators or skills that drives the innovation economy. The book provides practical examples for how educators, students, and parents can defy standardization with locally developed, evidence-informed, and globally literate practices to facilitate the development of customized curricula. This book is for those who yearn for a vibrant, innovative, and creative school system in which all students are provided opportunities to pursue their passions and interests in ways that will prepare them to be well-rounded individuals and democratic citizens in a global community.

His name was Kevin but his keepers called him Zoo Boy. He didn't talk. He hid under tables and surrounded himself with a cage of chairs. He hadn't been out of the building in the four years since he'd come in. He was afraid of water and wouldn't take a shower. He was afraid to be naked, to change his clothes. He was nearly 16. Desperate to see change in the boy, the staff of Kevin's adolescent treatment center hired Hayden. As Hayden read to him and encouraged him to read, crawling down into his cage of chairs with him, Kevin talked. Then he started to draw and paint and showed himself to have a quick wit and a rolling, seething, murderous hatred for his stepfather.

Several young patients died under mysterious circumstances. Eventually, the hospital was shut down, the building abandoned and left to rot deep in the woods. As the new kid in town, Neil Cady wants to see Graylock for himself. Especially since rumor has it that the building is haunted. He's got fresh batteries in his flashlight, a camera to document the adventure, and a new best friend watching his back. Rediscover the unforgettable, heart-wrenching romance set in post-World War II North Carolina, about a young socialite who can't forget the boy who once stole her heart--now one of PBS's Top 100 "Great American Reads." Every so often a love story so captures our hearts that it becomes more than a story--it becomes an experience to remember forever. The Notebook is such a book. It is a celebration of how passion can be ageless and timeless, a tale that moves us to laughter and tears and makes us believe in true love all over again... At thirty-one, Noah Calhoun, back in coastal North Carolina after World War II, is haunted by images of the girl he lost more than a decade earlier. At twenty-nine, socialite Allie Nelson is about to marry a wealthy lawyer, but she cannot stop thinking about the boy who long ago stole her heart. Thus begins the story of a love so enduring and deep it can turn tragedy into triumph, and may even have the power to create a miracle...

There is no braver officer in Napoleon ' s cavalry than étienne Gerard – especially in his own opinion. Whether kidnapped by gangs of brigands or outnumbered by enemy troops, the plucky little soldier is constantly gallant, chivalrous and ready to face any danger, even if he doesn ' t always think before he acts. With great gusto Gerard recounts the swashbuckling exploits and adventures of his glittering military career – carrying out secret missions for Napoleon, eluding capture by the Duke of Wellington, making a daring break from an English prison, rescuing ladies in distress, duelling to the death against the dastardly Baron Straubenthal and even saving the day at the Battle of Waterloo.

*"My father tried to kill my mother one Sunday in June, in the early afternoon," begins Shame, the probing story of the twelve-year-old girl who will become the author herself, and the single traumatic memory that will echo and resonate throughout her life. With the emotionally rich voice of great fiction and the diamond-sharp analytical eye of a scientist, Annie Ernaux provides a powerful reflection on experience and the power of violent memory to endure through time, to determine the course of a life.*

**La violenza contro le donne è stata culturalmente e socialmente accettata per secoli. Le donne hanno sempre avuto difficoltà a individuare obiettivi comuni, a sentirsi e fare gruppo: si sono unite quando hanno preso consapevolezza del loro squilibrio di potere rispetto agli uomini, quando non hanno più accettato che la loro appartenenza di genere fosse utilizzata per discriminarle, sottopagarle, per far loro violenza. Dietro il perpetrarsi degli abusi contro le donne sono motivazioni antropologiche, sociali e culturali e meccanismi psicologici che rendono difficile e complesso l'intervento che intende combatterli.**

**Recognized as a master of Italian cinema, Vittorio De Sica is perhaps best known and most respected for his critically acclaimed neorealist films of the period 1946-55. As this anthology reveals, however,**

his production was remarkably multifaceted. The essays included here - some newly commissioned, some reprinted, and others in translation - look at De Sica's varied career from many perspectives. Structured chronologically, the volume begins by introducing readers to De Sica's early popularity as an actor and singer during the years of Italian Fascism, and to his initial directorial efforts before the end of World War II. It was not until the postwar era, however, that De Sica made his mark in film history. Special attention is given to this critical phase of his career, which encompasses the neorealist films that made him famous: "Shoeshine", "Bicycle Thieves", "Miracle in Milan", and "Umberto D." When the neorealist movement waned after 1955, De Sica returned to his roots in Neapolitan comedy for a series of commercially successful films starring Sophia Loren and Marcello Mastroianni. Memorable works from this period include "Two Women" and "Marriage Italian Style" as well as "Yesterday, Today, and Tomorrow", which won De Sica an Academy Award in 1965. In one of his final films, "The Garden of the Finzi Continis", he returned to the subject of World War II and to the human tragedy characteristic of his best neorealist productions. This fine anthology offers a comprehensive critical survey that covers the entire scope of De Sica's career, and is an excellent resource for students, critics and film enthusiasts.
