

## Carries Story An Erotic S M Novel 1 Molly Weatherfield

Carrie’s Story is regarded as one of the finest erotic novels ever written- smart, devastatingly sexy and, at times, shocking, Molly Weatherfield has penned a book that is standing the test of time alongside The Story of O and Justine. In this new era of “BDSM romance,” a la 50 Shades of Grey the whips and cuffs are out of the closet and “chateau porn” has given way to mommy porn. Carrie’s Story remains at the head of the class. Literally. Imagine the Story of O starring a Berkeley PhD in comparative literature, who moonlights as a bike messenger, with a penchant for irony, self-analysis and as well as anal pleasures. Set in both San Francisco and the more chateau-venerful, Napa Valley, Weatherfield’s deliciously decadent novel takes you on a sexually explicit journey into a netheerworld of slave auctions, training regimes, enticing “ponies,” (people) preening for dressage competitions. Desire runs rampant in this story of uncompromising mastery and irrevocable submission.

NYT Bestselling Author Carrie Ann Ryan continues her Montgomery Ink series with the quiet Montgomery, as he finds his match in the woman with a fiery passion and a past full of secrets. Autumn Minor is light on her feet and a bare memory for most people she meets. She does her best to blend in everywhere she lives, even if it’s only for a short period of time. Making sure no one truly notices her is the only way she’s survived this long. When she meets Griffin Montgomery, she’s afraid she won’t be able to let go when it’s time to run. He’s her boss for only a few weeks, yet they know the attraction between them is wrong. Neither of them are made for the long haul when it comes to love and romance. When the demons from Autumn’s past find her and put both their lives at risk, Griffin will stop at nothing to protect her—even if he might lose her in the end, no matter what. ~~~~~ Read what others are saying about New York Times bestselling author, Carrie Ann Ryan: “Count on Carrie Ann Ryan for emotional, sexy, character driven stories that capture your heart!” – Carly Phillips, NY Times bestselling author “Carrie Ann Ryan’s romances are my newest addiction! The emotion in her books captures me from the very beginning. The hope and healing hold me close until the end. These love stories will simply sweep you away.” – NYT Bestselling Author Deveny Perry “Carrie Ann Ryan writes sexy emotional romances that’ll make you cry and fan yourself from the heat, especially because of all the explicit details.” –#1 NYT Bestselling Author Lauren Blakely “Once I started reading, I couldn’t stop! Encyclopedia of Erotic Literature

This Is Pleasure

100 Boyfriends

Kitty Raises Hell

*"Bronze Purnell's 100 Boyfriends is a symphony of sex, trouble and wisdom—as if the composer had sex with each member of the orchestra by way of getting it right. An electric prismatic genre-defying punk literary flight, Purnell is twirling here— I loved every page.”*
—Alexander Chee, author of How to Succeed in Business Without Really Trying, An Irreverent, and Inimitable, Book of Lists
*"It's like that saying, 'When god closes a door, he opens a window,' but in this particular case the window was on the fifth floor and the house was on fire." Transgressively and devastatingly funny, Bronze Purnell's 100 Boyfriends is a revelatory spiral into the colorful lives of queer men desperately fighting—and often losing—the urge to self-sabotage. His characters solicit sex on their lunch breaks; expose themselves to racist neighbors; sleep with their coworkers' husbands; rub Preparation H on their hungover eyes, and, in an uproarious epilogue, take a punk band on a disastrous tour of Europe. They also travel to claim inheritances, push past personal trauma, and cultivate community while living on the margins of a white supremacist, heteronormative society. Armed with a deadpan wit that finds humor in even the lowest of nadirs, Bronze Purnell—a widely acclaimed underground writer, filmmaker, musician, and performance artist—writes with the peerless zeal, insight, and horniness of a gay punk messiah. From dirty warehouses and gentrified bars in Oakland to desolate farm towns in Alabama, Purnell indexes desire, desperation, race, and loneliness with a startling blend of levity and vulnerability. Together, the slice-of-life tales that writhe within 100 Boyfriends are a singular and uncompromising vision of an unexposed queer underbelly. Holding them together is the vision of an iconoclastic storyteller, as fearless as he is human.*

*Sometimes what happens in Vegas doesn't stay in Vegas. Kitty and Ben flee The City That Never Sleeps, thinking they were finished with the dangers there, but the sadistic cult of lycanthropes and their vampire priestesses have laid a curse on Kitty in revenge for her disrupting their rituals. Starting at the next full moon, danger and destruction the form of fire strikes Kitty and the pack of werewolves she's sworn to protect. She enlists the help of a group of TV paranormal investigators – one of whom has real psychic abilities – to help her get to the bottom of the curse that's been laid on her. Rick, the Master Vampire of Denver, believes a deeper plot lies behind the curse, and he and Kitty argue about whether or not to accept the help of a professional demon hunter – and vampire – named Roman, who arrives a little too conveniently in the nick of time. Unable to rely on Rick, and unwilling to accept Roman's offer of help for a price, Kitty and her band of allies, including Vegas magician Odysseus Grant and Kitty's own radio audience, mount a trap for the supernatural being behind the curse, a destructive force summoned by the vengeful cult, a being that may be the same as the creature she thought she had slain.*

*Their story didn't start with a fairytale romance... Romance is the last thing on Ian's mind. He's juggling the family farm and a second job, his kids are a crazy handful and every time he gets close to his wife, she snaps at him. Their relationship started with a sizzling physical connection, and he needs to find a way to leverage that into reconnecting on a deeper level. Their marriage wasn't chosen for love... Carrie knows she's being too hard on her husband, but eight years ago she had a one-night stand that turned into a lifetime of diapers and dinners. She can't shake the feeling that she wants more, or the fear that her husband won't understand. But they still chose each other...time and again. Between Then and Now is a short, sexy, small town romance novella in The Wardham Series. 5 chapters, 16,000 words. Also includes a brief excerpt from the next book in the series. It's about a marriage in trouble, second chances, a hot Canadian farmer and his curvy wife. The Wardham Series: Between Then and Now (Carrie & Ian) What Once Was Perfect (Laney & Kyle) Where Their Hearts Collide (Karen & Paul) When They Weren't Looking (Evie & Liam) Keywords: small town romance, romance series, romance short stories, erotic romance, second chances, marriage in trouble, accidental pregnancy, baby, marriage, first loves, farmer, baker, sensual, sexy, modern, BBW romance, Canadian romance*

*It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleeper. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.*

Take Me Home

We were the seconds after a grip released the bar, body floating through the air with nervous wonder. Would we successfully grab it again, or would we hit the mat, shattered and defeated? Peyton Adams learned a long time ago that selfish and detached is the only way to be in life. What most people call shameless or obnoxious behavior, she considers key to getting where she needs to go. Most disapproving of all? USA Gymnastics' golden boy with an eight-pack, Jared Hargrove. After being cut from the women's team right before Rio, Peyton is back on the post-Summer Games tour. Not only is she the only one without a gold medal, but her history with Jared won't stay buried for long. Control and good manners; the two things drilled into Jared Hargrove's head from birth. As a four-time gold medalist, he's always obeyed the rules and repaid the reward. Well, except for the whirlwind week four years ago in London when wild-child Peyton Adams finally got under his skin, and into his bed. She broke his heart, and he hasn't removed the ice wall around it since. Now she's back to redeem herself to the world of gymnastics, and it seems, to push his buttons more than ever. After years of resentment and heartache, can they repair a relationship so badly broken that most people wouldn't even try? Or will they continue to fall, grasping at any last emotion before they finally collapse?

From New York Times and USA Today bestselling author Carrie Ann Ryan comes a sexy new contemporary stand-alone series. Hazel Noble has survived horrors she wouldn't inflict on her worst enemy. Since then, she's healed, found herself, and connected with a group of women she's proud to call her friends. However, when they make a pact to start looking for love, Hazel finds herself not only up first but also forced to face a past she thought she'd escaped. Cross Brady has no need for a relationship. As the oldest of five, he's always been the only one his family can rely on. Now, all he wants is to work in peace and live his life. His priorities shift dramatically, though, when Cross finds himself in Hazel's path. Though the two initially find their connection, they soon learn that it's safer to fall for each other than keep running from what's holding them back—not to mention, who wants them dead. Book 1: Forever Only Once Book 2: From That Moment Book 3: Far From Destined Book 4: From Our First Keywords: Romance series, stand alone series, blind date romance, second chance romance

Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened jets and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

In this debut middle-grade girl-power friendship story, perfect for fans of Moxie, an eighth grader starts a podcast to protest the unfair dress code enforcement at her middle school and sparks a rebellion. Molly Frost is FED UP... Because Olivia was yelled at for wearing a tank top. Because Liza got dress coded and Molly didn't, even though they were wearing the exact same outfit. Because when Jessica was pulled over by the principal and missed a math quiz, her teacher gave her an F. Because it's impossible to find shorts that are longer than her fingertips. Because girls' bodies are not a distraction. Because middle school is hard enough. And so Molly starts a podcast where girls can tell their stories, and before long, her small rebellion swells into a revolution. Because now the girls are standing up for what's right, and they're not backing down.

Carrie's Story

*Events in France on the eve of the Revolution have forced Marie-Laure Vernet into service as a maid and into the eye of Visconte Joseph d'Auvers-Raimond, a book smuggler, and passion unfolds amid murder and betrayal.*

*Walker Callahan has loved from afar for as long as he can remember. The golden boy of the Callahan baseball dynasty, he's the only player to ever secure a top spot on a roster controlled by his own flesh and blood. The pressure, duty and plans laid out for him since birth loom large, causing things like love and a family to fall by the wayside. Or maybe that's because the woman he loves is already married with children. When they met, she was already promised to someone else. For over six years, he's resigned himself to being her friend. Until one night, when her marriage and the ugly secrets it keeps unravels for the world to see, she's hurt, scared and needs someone who will put her needs above everything else. Can Walker risk his own future and show her how to trust again? Or will the feelings he's kept hidden for years throw him out of the game before he can even attempt to play? Hannah Giraldi never wants to fall in love again. All it brings is pain, misery and her life falling to shambles. After a very public scandal, her abusive husband takes everything, leaving her to raise two daughters on nothing but charity from others, a hope, and a prayer. New to the job market, single motherhood, and with two court cases on her plate, the last thing she needs are the butterflies that Walker ignites in her stomach every time he comes around. But with his soothing words, supportive shoulder to lean on, and undeniable gorgeousness, he's pretty hard to ignore. Just when it feels like she might be standing on her own two feet, the world comes crumbling down around her. And the man she's finally allowed into her heart abandons her, once again leaving her to pick up the pieces. Is there a way to heal all of the broken parts, or will Hannah go down swinging while attempting one more shot at a happily ever after?*

*From the author of Carrie's Story comes the continuing tale of a young woman's uncompromising sexual adventure. Carrie leaves Jonathan, the S/M master who initiated her into a life of slave auctions, training regimes, and human "ponies" preening for dressage competitions. Whisked away to Greece by the demanding gentleman who has chosen her as his own, she learns new, more rigorous methods of sexual pleasure.*

*Free to be is her new motto. She's not here to give in to her forbidden temptations, or to play out your wildest fantasies? Then look no further, because this book of very hot and explicit scenes will do just that. From New York Times and USA Today bestselling author Carrie Ann Ryan comes a sexy new contemporary series. Devin Carr likes his life. He likes his job, his family, the outlook for his future. Then he meets her. Erin. As soon as he sees her, drunk and wearing a sequined dress as her world crashes down around her and she fights to put on a brave face, he knows what he's been missing. Her. When Erin Patton finds her high school sweetheart and husband banging the former head cheerleader of their graduating class at their high school reunion, she tells herself she'll be fine. She just needs to figure out what fine means. There's only one problem. Devin. She didn't plan on him. And for someone who thinks they have all their plans in place, that's a problem. One she'll have to find an answer to if this whole friends-with-benefits thing is going to work. If not, she'll just live like with everything else.

*A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debuts in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.*

*When my best friend died of cancer just before her eighteenth birthday, she left her coveted basket list to me. The things she already crossed off: Skinny dipping, going to Paris, catching the local hot wing challenge, road tripping to the ocean, and sending out a message in a bottle. So, it falls on me to finish it for her, to honor her memory. In the next year, it's my mission to: 1. Dye my hair/2. Have sex/3. Camp out in a tent/4. Get revenge on Lincoln KaldMost are doable, some terribly me, and then there's the last item on the list. When the raven-haired football god dumped my best friend during senior year of high school, she was devastated. The jerk with charm for days found out she was sick, and betrayed her in the worst way possible. But he doesn't know me, I went to school a town over. Now, to fulfill my promise, I'm the newest freshman on the campus where he is the big man. If there is one thing, aside from cheap beer, that a jock can't pass up, it's a shiny new girl. So when I catch his eye, play hard to get, and then fall in bed, I know my scheme is working to perfection. But what Lincoln can't see coming is the beatdown I have planned for his ice-cold heart. Unfortunately, what I never saw coming was the one he had planned for mine.*

**\* Instant NEW YORK TIMES and USA TODAY bestseller \* \* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \* \* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \* What happens when America’s First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius-his image is pure millennial-marketing gold for the White House. There’s only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffey Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston’s Red, White & Royal Blue proves: true love isn’t always diplomatic. “I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy–this book had everything I crave. I’m jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!” - Christina Lauren, New York Times bestselling author of The Unhoneymooners “Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second.” - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six**

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O’Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France’s prestigious Prix du Meilleur Livre Étranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The idea of a woman enslaved to her lover has captured the imagination of millions and created bestsellers such as The Story of O, Carrie’s Story and Fifty Shades of Grey. Award-winning editor and writer D. L. King pulls back the velvet curtains to reveal a world where every adult fantasy realized, a world driven by desire and the need to be dominated. These Slave Girls, written by more than 100 authors, are not to be subjected and owned in body and soul. Trained and tested to suit every sexual taste, these women learn the ropes -- literally. King and her astuteful artists offer the reader an immersive experience. These sexy, subversive stories of submission are from the very best eroticists including Alison Tyler, Sommer Marsden, and D. L. King herself. From the Booker Prize-winning author of The Remains of the Day and When We Were Orphans, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it’s only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. Never Let Me Go breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

LESBIAN EROTICA: Camping

A Grammy-winning rock star falls for a small-town girl in this all-new standalone romance from author Carrie Elks.Gray Hartson is coming home after years of playing to sold-out stadiums around the world. The tattooed singer is determined to build bridges with his sick father and reconnect with the family he left behind. But then he meets her. . . . the beautiful waitress with the smart mouth who makes him laugh more than he has in years.One small problem. She's his ex-girlfriend's sister. The only woman he shouldn't want.Maddie Clark was an awkward teenager when Gray left. Now she slings hash in a backwater diner, her dreams of being a famous concert pianist left in tatters.Don't ask her why. She'll never tell. Strong women do what it takes to keep a roof over their heads.Until he walks through the door and complicates everything. Their attraction is wrong. But foolish hearts never listen to reason. Maybe he should write a song about that.Take Me Home is the first book in the Heartbreak Brothers series of emotional standalone romances, set in the small country town of Hartson's Creek.

Nobody expects to meet the love of their life on their first day at school, but from the moment Tanner Hartson set his eyes on Savannah Butler, she stole his breath away. She was beautiful, wild and free. And though her life was hard, she made everything feel easy. As they grew up, they were best friends, then sweethearts. And finally lovers. Until he broke her heart in the worst way. They haven't spoken for the last ten years. But now she's back in their small home town and they can't fight the intense attraction that pulls them together. He wants her back. And this time he won't take no for an answer. Doesn't true love deserve a second chance?

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

HE'S A MAN OF CONTROL. SHE'S THE WOMAN ABOUT TO TAKE IT. Reid Maxwell is one of the top corporate attorneys and one of the most eligible bachelors in New York City. He likes his wins big, his women beautiful and in bed, not out, and most importantly the deep burn of his past buried. Until one woman, a most unexpected woman, challenges him in ways that might just destroy the invincible Mr. Maxwell. Carrie West is captive to Reid Maxwell and a debt between their families she doesn't know exists. It should be so simple for Reid Maxwell. Claim the company that is now his. The problem: he's now obsessed with Carrie, the daughter of the man he's destined to destroy. Now who's captive to who?

The Curious Incident of the Dog in the Night-Time

Out of My Mind

Revelations of a Rock 'n' Roll Centerfold

Carried Away

Starting with Bad Behavior in the 1980s, Mary Gaijskill has been writing about gender relations with searing, even prophetic honesty. In This Is Pleasure, she considers our present moment through the lens of a particular #MeToo incident. The effervescent, well-dressed Quin, a successful book editor and fixture on the New York Arts scene, has been accused of repeated unforgivable transgressions toward women in his orbit. But are they unforgivable? And who has the right to forgive him? To Quin's friend Margot, the wrongdoing is less clear. Alternating Quin's and Margot's voices and perspectives, Gaijskill creates a nuanced tragicomedie, one that reveals her characters as whole persons—hurtful and hurting, infuriating and touching, and always deeply recognizable. Gaijskill has said that fiction is the only way that she could approach this subject because it is too emotionally faceted to treat in the more rational essay form. Her compliment to her characters—and to her readers—is that they are unvarnished and real. Her belief in our ability to understand them, even when we don't always admire them, is a gesture of humanity from one of our greatest contemporary writers.

In a book infused with her trademark incisive wit, the author of Wishful Drinking takes readers on a rollicking, behind the scenes tour of the Star Wars phenomenon. Reprint. 75,000 first printing.

#1 New York Times bestselling author! Booklist Editors' Choice 2015 Youth! Named a "Best Book of 2015" by Time Magazine, School Library Journal, Barnes & Noble, NPR, PopSugar, The Millions, and The News & Observer! Simon Snow is the worst. Chosen One who's ever been chosen. That's what his roommate, Baz, says. And Baz might be evil and a vampire and a complete git, but he's probably right. Half the time, Simon can't even make his wand work, and the other half, he starts something on fire. His mentor's avoiding him, his girlfriend broke up with him, and there's a magic-eating monster running around, wearing Simon's face. Baz would be having a field day with all this, if he were here – it's their last year at the Watford School of Magicks, and Simon's infuriating nemesis didn't even bother to show up.

Carry On is a ghost story, a love story and a mystery. It has just as much kissing and talking as you'd expect from a Rainbow Rowell story - but far, far more monsters.

LESBIAN EROTICA 18+ Only She gently reached her hand out to the woman, intertwining their fingers before leaning in to kiss her softly on the lips. Julie gingerly responded to the kiss before drawing the other woman further in with her free hand and deepening it. They released their hands and wrapped them around each other, Julie ran her hand through Carrie's hair and hip while Carrie ran hers over Julie's back. Julie grasped Carrie tightly and took her to one of the benches where she set her down gently. The two were still kissing but this time Julie's hand went up behind Carrie's pants making the woman gasp in surprise when her fingers found her kiss. Carrie pulled away from the kiss to watch the hand under her clothing and gasped in pleasure when Julie started rubbing her fingers at her entrance. Julie went back to kissing the woman, making her keep quiet while she worked her fingers.

A Contemporary Romantic Suspense Whiskey and Lies Romance Novel

My Bad Decisions

*Sex and the City—the original stories that started it all—now available as an eBook! Sex and the City is a fantastic and sometimes terrifying foray into the hearts, minds, and mating habits of modern-day New Yorkers. Traveling in packs from lavish parties to high-end clubs, Bushnell's vividly candid characters live out the never-ending search for the perfect relationship. Bushnell's firsthand sociology on the behavior of the rich and famous is by turns witty and shocking, and always boldly true. In these pages you will meet "Currie," the young writer looking for love in all the wrong places; "Samantha Jones," the successful proto-cog who approaches sex just like a man; and "Mr. Big," the captain of industry who jumps from one bed to the next. Equal parts soap opera, gossip page, and sociological study, and dating manual, Sex and the City: Candace Bushnell's former New York Observer column, has attracted a cult following and been adapted into two major motion pictures and one of the most popular TV series of our time. This is the groundbreaking work that both decoded and shaped a culture and a generation.*

*"Neviein all the hundreds of thousands of romance tales and stories that I have read over the decades has a novel left me speechless." –Simply Erotic Reviews An erotic novel by bestselling erotic novelist Chloe Tarlow Emily Feick, locked, liberated, daring, and bored. But her adventure begins on holiday in La Gomera, when a rugged beachcomber removes the leather thong from his neck and binds her hands behind her. Crossing oceans and continents in a netter world of smugglers, arms dealers, and pirates, she becomes the adored but captive jewel of the tough inflexible man who make a living in inhospitable landscapes. On hot afternoons on long days without number, she dedicates herself to the pleasures of sex in all its shapes and forms. She learns subservience. She becomes the perfect concubine. The perfect lover. She becomes Cheng-i. Girl. Chloé Tarlow lives in a Chelsea attic and writes her stories from two to six in the dead hours of night. At twenty-seven, Chloé is the author of three erotic novels praised for their lyrical writing style and unblushing sensuality.*

*An array of short fiction, selected by the author and spanning the full range of her career, encompasses seventeen stories, drawn from such collections as The Beggar Maid, The Moons of Jupiter, and Runaway.*

*When Carrie's fiancé Huw suddenly calls off their wedding, and she finds out he's marrying another woman, she's devastated. Desperate to get away, Carrie jumps at her best friend Rowena's suggestion of a road trip in her VW camper van. But when Rowena has to pull out and Matt Landor, an old friend of Huw's, ends up filling the breach, she's not so sure. Will fate take the pair on an altogether different journey?*
