

## Catherine Brook Serie Joyas De La Nobleza Libros

"Set against the backdrop of revolutionary Russia, *The Amber Keeper* is a sweeping tale of jealousy and revenge, reconciliation and forgiveness. English Lake District, 1960s: A young Abbie Myers returns home after learning of her mother's death. Estranged from her turbulent family for many years, Abbie is heartbroken to hear that they blame her for the tragedy. Determined to uncover her mother's past, Abbie approaches her beloved grandmother, Millie, in search of answers. As the old woman recounts her own past, Abbie is transported back to the grandeur of the Russian Empire in 1911 with tales of her grandmother's life as a governess and the revolution that exploded around her. As Abbie struggles to reconcile with her family, and to support herself and her child, she realizes that those long-ago events created aftershocks that threaten to upset the fragile peace she longs to create"--

Iconic, groundbreaking interviews of Alfred Hitchcock by film critic François Truffaut—providing insight into the cinematic method, the history of film, and one of the greatest directors of all time. In *Hitchcock*, film critic François Truffaut presents fifty hours of interviews with Alfred Hitchcock about the whole of his vast directorial career, from his silent movies in Great Britain to his color films in Hollywood. The result is a portrait of one of the greatest directors the world has ever known, an all-round specialist who masterminded everything, from the screenplay and the photography to the editing and the soundtrack. Hitchcock discusses the inspiration behind his films and the art of creating fear and suspense, as well as giving strikingly honest assessments of his achievements and failures, his doubts and hopes. This peek into the brain of one of cinema's greats is a must-read for all film aficionados.

An account of how the living world became diverse and how humans are destroying that diversity traces the processes that create new species and identifies the events that have disrupted evolution over the past six hundred million years.

New York Times bestselling author Catherine Anderson presents the first novel in her Comanche series—a powerful historical romance about a man and a woman caught between two worlds... Orphaned seven years ago after witnessing the brutal murder of her parents at the hands of the Comanche people, golden-haired Loretta Simpson still lives in terror that the warriors will return—her fear so powerful, she is no longer able to speak a word. Called the U.S. Army's most cunning adversary, Hunter of the Wolf believes that Loretta is the "honey-haired woman with no voice" of ancient prophecy—the one he must honor for all eternity. But Loretta can only see Hunter as the enemy who has stolen her, refusing to succumb to his control, or his touch. Despite the hatred intensifying between their peoples, Loretta and Hunter gradually find their prejudices giving way to respect, then flaring into feelings too dangerous to express. In the midst of such conflict, it will take all the force of their extraordinary love to find a safe place...

Theories of Personality

Los secretos de topacio (Joyas de la nobleza 2)

*In Spain, the share of ladies in deciding the political destinies of the country from the throne has been more conspicuous than in other European monarchies. The oriental traditions dominant in Spain for centuries tended to make wives the humble satellites rather than the equal companions of their husbands. But whilst these traditions limited the power of Spanish women generally, they were insufficient to counteract the extraordinary political influence of a series of remarkable feminine personalities who have on occasion during the course of four centuries practically wielded the sceptres of Spain.*

*Gian Lorenzo Bernini was the greatest sculptor of the Baroque period, and yet—surprisingly—there has never before been a major exhibition of his sculpture in North America. Bernini and the Birth of Baroque Portrait Sculpture showcases portrait sculptures from all phases of the artist's long career, from the very early Antonio Coppola of 1612 to Clement X of about 1676, one of his last completed works. Bernini's portrait busts were masterpieces of technical virtuosity; at the same time, they revealed a new interest in psychological depth. Bernini's ability to capture the essential character of his subjects was unmatched and had a profound influence on other leading sculptors of his day, such as Alessandro Algardi, Giuliano Finelli, and Francesco Mochi. Bernini and the Birth of Baroque Portrait Sculpture is a groundbreaking study that features drawings and paintings by Bernini and his contemporaries. Together they demonstrate not only the range, skill, and acuity of these masters of Baroque portraiture but also the interrelationship of the arts in seventeenth-century Rome.*

*Batá identifies both the two-headed, hourglass-shaped drum of the Yoruba people and the culture and style of drumming, singing, and dancing associated with it. This book recounts the life story of Carlos Aldama, one of the masters of the batá drum, and through that story traces the history of batá culture as it traveled from Africa to Cuba and then to the United States. For the enslaved Yoruba, batá rhythms helped sustain the religious and cultural practices of a people that had been torn from its roots. Aldama, as guardian of Afro-Cuban music and as a Santería priest, maintains the link with this tradition forged through his mentor Jesus Pérez (Oba Ilu), who was himself the connection to the preserved oral heritage of the older generation. By sharing his stories, Aldama and his student Umi Vaughan bring to light the techniques and principles of batá in all its aspects and document the tensions of maintaining a tradition between generations and worlds, old and new. The book includes rare photographs and*

*Una maravillosa colección de relatos románticos de los personajes del año de Selecta para celebrar estas fechas tan especiales. ¡Un regalo para todas las lectoras de Selecta! Son muchos los personajes secundarios que nos roban un trocito del corazón y nos dejan con ganas de saber qué fue de ellos. Os invitamos a conocer su historia de amor en esta antología de relatos cortos escritos con cariño, llenos de pasión, sentimiento y dulzura y con un romántico final feliz. Blancas navidades, frío que cala los huesos, decoraciones alusivas, el típico muérdago, anécdotas, navidades distintas... Época de unión, de amistad, de dar y recibir, de amor... La Navidad tiene ese guiño de magia que hace que todo sea posible. Y cuando la imaginación vuela y las palabras se plasman en historias que nos llevan a sentir el encanto de esta fecha tan especial, nada es imposible. Por eso, desde Selecta, queremos haceros llegar esta recopilación de relatos navideños donde encontraréis algunos personajes o lugares que solo pudisteis disfrutar de pasada en algunas de las novelas publicadas por el sello. Esta Navidad es la oportunidad para conocerlos más. Comentarios de los lectores... «De entrada, agradecer a los autores el regalo. [...] En general me ha gustado, lógicamente unas más que otras, pero me han servido para dos cosas: Confirmar que mis autores favoritos me gustan, aunque sean en relatos cortos, y conocer a nuevos autores de los que he tomado buena nota.»*  
*«Personajes entrañables, otros simpáticos, otros simplemente fascinantes... muchos de ellos me han conquistado, y me encantaría que tuvieran su propia historia. Eso sí, esta antología te crea un problema, porque hace que desees leer las novelas originales en las*

*que están basadas los relatos!!» «Un regalo encantador y una forma estupenda de conocer autoras.» «Me ha parecido un regalo precioso, de verdad. Estoy deseando que me llegue la la antología de San Valentin con nuevos relatos. ¡¡¡Gracias a todas las autoras!!!» «No imaginaba que la Navidad podía dar tanto de sí. Más de cincuenta relatos todos diferentes, con personajes ya conocidos de otras novelas, de esos que te preguntas qué fue de ellos.» «Para empezar, me ha parecido un regalo estupendo para los lectores de Selecta. Además, los relatos son todos diferentes, aunque el nexo sea la Navidad. He descubierto personajes que no conocía y me ha encantado leer sobre algunos que ya en su momento me dieron mucha curiosidad.»*

The Rights of Children in the United States provides discussion on: the historical and contextual perspective on the rights of children; the UN Convention on the Rights of the Child; and the differing views on children's rights and competencies.

She thought she knew her husband. She thought she knew herself. She was mistaken on both counts.... When Katherine Fraser's husband vanishes, she discovers that he has hidden his past from her...but when his wealthy family finds her and sweeps her into a world of power and luxury, the fearful, dependent wife is gradually transformed into a vibrant, glamorous woman. From San Francisco to Paris to the Côte d'Azur, Katherine tastes the romance and elegance of a world she never had dreamed possible. Suddenly, her husband returns, and forces her to choose: whether to embrace the past, or to plunge into a richly exciting new life, and a deep, passionate new love. When a woman gets a second chance, should she be loyal to the life she had before? Judith Michael explores this intriguing question in the unforgettable bestseller Possessions.

Textbooks inform readers that the precursor of Standard English was supposedly an East or Central Midlands variety which became adopted in London; that monolingual fifteenth century English manuscripts fall into internally-cohesive Types; and that the fourth Type, dating after 1435 and labelled 'Chancery Standard', provided the mechanism by

which this supposedly Midlands variety spread out from London. This set of explanations is challenged by taking a multilingual perspective, examining Anglo-Norman French, Medieval Latin and mixed-language contexts as well as monolingual English ones. By analysing local and legal documents, mercantile accounts, personal letters and journals, medical and religious prose, multiply-copied works, and the output of individual scribes, standardisation is shown to have been preceded by supralocalisation rather than imposed top-down as a single entity by governmental authority. Linguistic features examined include syntax, morphology, vocabulary, spelling, letter-graphs, abbreviations and suspensions, social context and discourse norms, pragmatics, registers, text-types, communities of practice social networks, and the multilingual backdrop, which was influenced by shifting socioeconomic trends.

Después de Esmeralda, vuelve la serie romántica ambientada en la regencia «Joyas de la nobleza», de Catherine Brook, con la historia de Jade. Primero se negó a la propuesta escandalosa de él... Pero poco después aceptó convertirse en su amante por dinero. Jade Kingsley sabe que no es ni será jamás la esposa que alguien pueda desear. No es ninguna belleza. Prefiere los libros a socializar y, ¡ah, sí! tiene un zorro de mascota. Por ello, cuando una situación la exhorta a buscar dinero, en vez de empezar la búsqueda de un marido, como debería ser considerando entre los de su clase, comienza a buscar un amante. ¿Y qué mejor amante que aquel hombre que ya se lo había propuesto en una ocasión? James no se podía creer que tuviera que abandonar Londres para evitar pasar por la vicaría, y solo porque su cuñada no podía ver a alguien soltero sin querer casarlo. Tampoco se podía creer que le hubiera hecho una propuesta indecente a la hija de un barón sin darse cuenta de que lo era. Pero nada de lo anterior era tan tremendo como lo fue la incredulidad de recibir la aceptación a esa propuesta por parte de la misma mujer que lo había rechazado en su momento. Ser un caballero nunca fue una tarea tan difícil hasta que Jade decidió que James sería su amante. Pero él no tenía ninguna intención de ceder a ello, aunque el deseo dentro de sí se retorciese cada vez que la miraba y no se la pudiera sacar de la cabeza. Los lectores han comentado sobre la serie «Joyas de la nobleza»... «Me atrapó de principio a fin, estoy enamoradísima de los protagonistas. La autora se supera con

cada historia.» «Me encantan las novelas de época cuyas heroínas sean poco comunes y cuyos relatos sean apasionados y ocurrentes. Esta novela tenía de todo un poco: pasión, romance, suspense y aventura, además de una trama fabulosa, me encantó.» «Esta serie ha mejorado en cada una de las historias , en esta debo admitir que la escritora me sorprendió con una historia llena de chispa , muchos momentos tiernos y otros que te sacan carcajadas.»

***Respected museum professionals discuss contemporary issues and successful programs, and offer practical guidelines and information, up-to-date references, and lively illustrations in this wide-ranging volume. Interpreting Historic House Museums captures the big picture and important details. Its scope and accessibility will make it useful and relevant for both students and practicing professionals.***

***This volume considers the influential revival of ancient philosophical skepticism in the 16th and early 17th centuries and investigates, from a comparative perspective, its reception in early modern English, Spanish and French drama, dedicating detailed readings to plays by Shakespeare, Calderón, Lope de Vega, Rotrou, Desfontaines, and Cervantes. While all the plays employ similar dramatic devices for "putting skepticism on stage", the study explores how these dramas, however, give different "answers" to the challenges posed by skepticism in relation to their respective historico-cultural and "ideological" contexts.***

***Segunda entrega de la serie «Joyas de la nobleza». ¡Llega la historia de Topacio que todos los seguidores de la serie estaban esperando! La lengua de Topacio es tan afilada como bella es su cara. No cree que el amor esté hecho para ella y, sinceramente, lo considera una estupidez. Eso de volverse esclava legal de un hombre no entra en sus planes, y no piensa casarse nunca. Sin embargo, lo que no espera es que ese hombre fastidioso decida pegarse a ella como una sanguijuela y que, para colmo, haya conseguido que el mismo príncipe ordene su matrimonio. Pero si cree que va a salirse con la suya está muy equivocado, ella le demostrará que es la peor persona con la podría querer casarse. Adam, duque de Ruthan, conocido como Adonis de pelo negro, regresa de Francia al terminar la guerra, pues con ella termina también su trabajo como espía de la corona inglesa. Piensa que el futuro le depara una aburrida vida de libertinaje y entretenimiento con muchachas debutantes... Hasta que vio a Topacio. Desde la primera vez que pone los ojos en esa hermosa mujer a la que muchos llaman bruja, queda absolutamente prendado. Por eso, cuando se le presenta la oportunidad de casarse con ella no duda en***

*aprovecharla. ¿Qué mejor esposa que esa intrigante joven que parece ser mucho más de lo que deja entrever? La víbora ha encontrado a alguien inmune a su veneno... Los mejores comentarios de los lectores de la serie: «Me atrapó de principio a fin, estoy enamoradísima de los protagonistas. La autora se supera con cada historia.» «Simplemente fantástica. La historia de Topacio está llena de dolor pero también de amor de la familia. [...] Espero pronto poder leer la historia de Zafiro.»*

*Just ten years ago, discussions of Latina/o media could be safely reduced to a handful of TV channels, dominated by Univision and Telemundo. Today, dramatic changes in the global political economy have resulted in an unprecedented rise in major new media ventures for Latinos as everyone seems to want a piece of the Latina/o media market. While current scholarship on Latina/o media have mostly revolved around important issues of representation and stereotypes, this approach does not provide the entire story. In Contemporary Latina/o Media, Arlene Davila and Yeidy M. Rivero bring together an impressive range of leading scholars to move beyond analyses of media representations, going behind the scenes to explore issues of production, circulation, consumption, and political economy that affect Latina/o mass media. Working across the disciplines of Latina/o media, cultural studies, and communication, the contributors examine how Latinos are being affected both by the continued Latin Americanization of genres, products, and audiences, as well as by the whitewashing of "mainstream" Hollywood media where Latinos have been consistently bypassed. While focusing on Spanish-language television and radio, the essays also touch on the state of Latinos in prime-time television and in digital and alternative media. Using a transnational approach, the volume as a whole explores the ownership, importation, and circulation of talent and content from Latin America, placing the dynamics of the global political economy and cultural politics in the foreground of contemporary analysis of Latina/o media.*

This book is about an event in history that changed the world for all times. It is a sad story that did not have to be. What Africans and the indigenous Americans have given to the world is a part of total humanity that must be respectfully considered in order to build a world where all people can walk in peace and dignity with their respective contributions accepted.

This important book for scientists and nonscientists alike calls attention to a most urgent global problem: the rapidly accelerating loss of plant and animal species to increasing human population pressure and the demands

of economic development. Based on a major conference sponsored by the National Academy of Sciences and the Smithsonian Institution, Biodiversity creates a systematic framework for analyzing the problem and searching for possible solutions.

Journee is not only a mouse but a princess who loves adventure, especially when she has them alongside her best friends, Mr. Toad, Mr. Owl, and Mr. Steed. Not long after their very first escapade together, finding the legendary Pond of Reflection, the four companions find themselves in yet another wild exploit, that is decidedly dangerous and threatens the entire kingdom. On one lovely fall day, the friends have no idea what is in store for them when they discover a furry blob on top of a boulder, a rock hyrax, and learn of a message for Journee's father, the great mouse king. Mr. Badger's message warns the king of a formidable army of locusts gathering on the kingdom's northern border in the Great Plains by the sea. The king and his Council devise an unlikely plan to not only help the locusts but hopefully thwart the significant threat they pose to the kingdom. This plan's success will require the help of every kingdom animal, great and small, and a very special gift of the rock hyraxes, who live in the crags of the High Western Mountain. This adventure story is inspired by the Biblical Proverb 30:24-28 (NKJV) and communicates the morals of helping your neighbor, that power can come in small packages, and the effectiveness of working together.

This revision of the Schultz's popular text surveys the field, presenting theory-by-theory coverage of the major theorists who represent the psychoanalytic, neopschoanalytic, life-span, trait, humanistic, cognitive, behavioral, and social-learning approaches, as well as clinical and experimental work. Where warranted, the authors show how the development of certain theories was influenced by events in a theorist's personal and professional life. This thoroughly revised Seventh Edition now incorporates more examples, tables, and figures to help bring the material to life for students. The new content in this edition reflects the dynamism in the field. The text explores how race, gender, and culture issues figure in the study of personality and in personality assessment. In addition, a final integrative chapter looks at the study of personality theories and suggests conclusions that can be drawn from the many theorists' work.

You may have watched hundreds of episodes of The Simpsons (and its

sister show Futurama) without ever realising that they contain enough maths to form an entire university course. In *The Simpsons and Their Mathematical Secrets*, Simon Singh explains how the brilliant writers, some of the mathematicians, have smuggled in mathematical jokes throughout the cartoon's twenty-five year history, exploring everything from Mersenne primes, from Euler's equation to the unsolved riddle of P vs. NP, from perfect numbers to narcissistic numbers, and much more. With wit, clarity and a true fan's zeal, Singh analyses such memorable episodes as 'Bart the Genius' and 'Homer3' to offer an entirely new insight into the most successful show in television history.

Un hombre para Zafiro (Joyas de la nobleza 3) SELECTA

Since the earliest years of European colonialism, Latin America has been a region of seemingly intractable inequalities, marked by a stark divide between the haves and the have-nots. This collection illuminates the diverse processes that have combined to produce and reproduce inequalities in Latin America, as well as some of the implications of those processes for North Americans. Anthropologists, cultural critics, historians, and political scientists from North and South America offer new and varied perspectives, building on the sociologist Charles Tilly's relational framework for understanding enduring inequalities. While one essay is a broad yet nuanced analysis of Latin American inequality and its persistence, another is a fine-grained ethnographic view of everyday life and aspirations among shantytown residents living on the outskirts of Lima. Other essays address topics such as the initial bifurcation of Peru's healthcare system into one for urban workers and another for the rural poor, the asymmetrical distribution of political information in Brazil, and an evolving Cuban "aesthetics of inequality," which incorporates hip-hop and other transnational cultural currents. Exploring the dilemmas of Latin American inequalities as they are playing out in the United States, a contributor looks at new immigrant Mexican farmworkers in upstate New York to show how undocumented workers become a vulnerable rural underclass. Taken together, the essays extend social inequality critiques in important new directions. Contributors Jeanine Anderson Javier Auyero Odette Casamayor Christina Ewig Paul Gootenberg Margaret Gray Eric Hershberg Lucio Renno Luis Reygadas

Data Feminism

1973: Title Index

History and Conservation

Africa and the Discovery of America

A new way of thinking about data science and data ethics that is informed by the ideas

of intersectional feminism. Today, data science is a form of power. It has been used to expose injustice, improve health outcomes, and topple governments. But it has also been used to discriminate, police, and surveil. This potential for good, on the one hand, and harm, on the other, makes it essential to ask: Data science by whom? Data science for whom? Data science with whose interests in mind? The narratives around big data and data science are overwhelmingly white, male, and techno-heroic. In *Data Feminism*, Catherine D'Ignazio and Lauren Klein present a new way of thinking about data science and data ethics—one that is informed by intersectional feminist thought. Illustrating data feminism in action, D'Ignazio and Klein show how challenges to the male/female binary can help challenge other hierarchical (and empirically wrong) classification systems. They explain how, for example, an understanding of emotion can expand our ideas about effective data visualization, and how the concept of invisible labor can expose the significant human efforts required by our automated systems. And they show why the data never, ever “speak for themselves.” *Data Feminism* offers strategies for data scientists seeking to learn how feminism can help them work toward justice, and for feminists who want to focus their efforts on the growing field of data science. But *Data Feminism* is about much more than gender. It is about power, about who has it and who doesn't, and about how those differentials of power can be challenged and changed.

With so many superb trails in the New York City area, planning a hike can be a frustrating endeavor. Which one for an all-day outing? Where can I take my dog? Which are suitable for young children? With this newly revised and updated edition of *60 Hikes Within 60 Miles: New York City* all of those questions will be answered. From secluded woods and sun-struck seashores, to lowland swamps and rock-strewn mountain tops, these hikes showcase Paleolithic rock shelters, ruins from the Revolutionary and Civil War periods, a bat cave, ghostly ruins, and much, much more. Unbounded by state lines, the trails awaiting hikers in the updated edition of *60 Hikes Within 60 Miles: New York City* include a meandering ascent of Jenny Jump Mountain in Hope, New Jersey, a deep exploration of Trout Brook Valley near Weston, and a scenic section of the Appalachian Trail that runs by Fitzgerald Falls in New York. Packed with valuable tips and humorous observations, the guide prepares both novices and veterans for the outdoors and includes all the information hikers need to get the most out of the trails, including:

- Driving directions and GPS coordinates for all 60 trailheads to take the guesswork out of the trip
- At-a-glance data on length, hiking time, difficulty, scenery, traffic and accessibility
- Specifics on good hikes for kids, dogs, rock scramblers, bird watching, and much more
- Plus, the authors offer a wide range of suggestions for outdoor recreation and nearby attractions including 20 additional hiking options

With rock-scrambling ascents to bald summits and peaceful rambles to hidden lakes, from swamp streams to roaring waterfalls, *60 Hikes Within 60 Miles: New York City* is an indispensable guide for hikers (and walkers) looking for a few hours escape from the modern world.

Tercera y esperada entrega de la serie romántica «Joyas de la nobleza», iniciada con *Una noche con Rubí*. Llega la historia de Zafiro. Un amor profundo que surgió de la desesperación. Zafiro Loughy siempre se ha considerado una mujer juiciosa, incapaz de cometer un acto que pudiera significar un escándalo. Sin embargo, una insensatez llevó a otra y una situación desesperada la hizo tomar una decisión precipitada:

perdirle al hombre que la secuestró por error que se casara con ella. Julian, conde de Granard, estaba consternado, su padre le había dejado muchas deudas en herencia y estaba a punto de ahogarse en ellas. Cuando sus imprudentes hermanos decidieron secuestrar a una condesa para obligar a esta a devolver unas joyas que les robó, no pudo ser mayor la sorpresa al darse cuenta de que a quien habían secuestrado no era la condesa, sino una joven soltera, que, aunque la sociedad dijera lo contrario, debía estar loca, pues le pidió matrimonio. Su orgullo se negó a ese absurdo, pero la mujer consiguió convencerlo para fugarse a Gretna a Green, dando comienzo a lo que ninguno de los dos esperaba que fuera una hermosa historia de amor. Los comentarios de los lectores de la serie: «Es el libro que más me ha gustado de la saga. Mi recomendación al resto de lectores y mi agradecimiento a la autora.» «Me encanta, al igual que las anteriores, y amé a la familia del protagonista. Espero el próximo [...]» «¡¡Esperando que salga el siguiente de Esmeralda!!»

The function of the painted wooden object ranges from the practical to the profound. These objects may perform utilitarian tasks, convey artistic whimsy, connote noble aspirations, and embody the highest spiritual expressions. This volume, illustrated in color throughout, presents the proceedings of a conference organized by the Wooden Artifacts Group of the American Institute for Conservation of Historic and Artistic Works (AIC) and held in November 1994 at the Colonial Williamsburg Foundation in Williamsburg, Virginia. The book includes 40 articles that explore the history and conservation of a wide range of painted wooden objects, from polychrome sculpture and altarpieces to carousel horses, tobacco figures, Native American totems, Victorian garden furniture, French cabinets, architectural elements, and horse-drawn carriages. Contributors include Ian C. Bristow, an architect and historic-building consultant in London; Myriam Serck-Dewaide, head of the Sculpture Workshop, Institut Royal du Patrimoine Artistique, Brussels; and Frances Gruber Safford, associate curator of American decorative arts at the Metropolitan Museum of Art in New York. A broad range of professionals—including art historians, curators, scientists, and conservators—will be interested in this volume and in the multidisciplinary nature of its articles.

The Amber Keeper

Bernini and the Birth of Baroque Portrait Sculpture

**Primera entrega de la serie «Joyas de la nobleza». Una historia encantadora y original que hace las delicias de los lectores de Catherine Brook... ¡No te la pierdas! Rubí Loughy nunca se imaginó que las copas de más que se tomó para olvidar la rabia causada por un pretendiente al que pensaba aceptar como marido, terminarían llevándola a la cama del marqués de Aberdeen, el segundo hombre que más despreciaba en su vida; después de su pretendiente, claro está. Damián, marqués de Aberdeen, regresó de la guerra siendo un hombre muy distinto al que era antes. En un intento por recuperar su antigua vida, decide ir a la mascarada organizada por un infame club de juego, y es ahí donde queda prendado de una bella y atrevida mujer. La seduce hasta llevarla a la cama, pero su sorpresa no puede ser mayor cuando descubre que dicha mujer es virgen. Él está decidido a**

encontrarla y ella está decidida a mantenerse oculta. Lástima que a ella le estén saliendo últimamente las cosas tan mal... Los mejores comentarios de los lectores: «Una historia fresca, entretenida y ligera, perfecta para leer en un par de ratos y tener casi todo el tiempo una sonrisilla en los labios.» «Me encantan las novelas de época cuyas heroínas sean poco comunes y cuyos relatos sean apasionados y ocurrentes. Esta novela tenía de todo un poco: pasión, romance, suspense y aventura, además de una trama fabulosa, me encantó.» «Es muy entretenido, me encantó y... ¡¡¡estoy esperando a las demás joyas!!!! Topacio será muy divertida, no lo dudo.»

Llega la cuarta entrega de la serie «Joyas de la nobleza» con la historia de Esmeralda. El único hombre que no podía amarla era el único al que ella deseaba. Esmeralda Loughy tiene un solo objetivo: encontrar al hombre de su vida y casarse con él. El hombre perfecto tiene que ser un caballero simpático, alegre, romántico, fiel y, sobre todo, que la quiera tanto como lo querrá ella. Sabe que lo reconocerá en cuanto lo vea# Y así sucede, aunque hay un pequeño problema: no tiene ninguna de las cualidades anteriores, y ni siquiera cree en el amor. Esmeralda no se dará por vencida, es una Loughy, y las Loughy son tercas. Ella está dispuesta a enamorarlo y a tener su final feliz de novela. Anthony Price, barón de Cliffton, es un paria en la sociedad londinense. Su horrible reputación hace que los caballeros tiemblen cuando lo ven, las madres alejen a sus hijas de él y las mujeres casadas suspiren ante su aura de peligro. Después del abandono de su madre, la rabia de su padre y la muerte de su prometida hace años está convencido de que no nació para ser amado, por ello, se dedica a destruir literalmente su vida. Alcohol, juegos, mujeres, y aventuras forman parte de su cotidianidad, y no está dispuesto a cambiar... O no lo estaba al menos hasta que esa entrometida muchacha se interpuso en su camino. Con esos ojos verdes llenos de la inocencia de quien no ha sufrido en la vida y ese carácter tan optimista, ella se dedicará a perseguirlo poniendo en peligro su corazón y también la reputación que tanto se ha esforzado en fomentar.
