ICSE-Eng_TheEnglishTreasure-TB-02

Tamil Aruvi - 2

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He

is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

The author seeks to take the reader on a slow roller coaster ride down memory lane, halting en route at the stations of childhood, youth and adulthood. He makes the reader visit the mind of an impressionable child who can be distraught over a trivial looking matter, a youth stuck in a demanding situation, a doctor's doubts and redemption, a distressed parent, a responsible citizen and so on, all in different stories. He shares his thoughts over various issues very subtly and invites the readers to search their minds for their own stance on the same. He reminisces about a gifted classmate, muses over life, shares his misadventure as a child and then some more. He has tried to put different colors from his palette on different canvasses in a collection which promises to keep you interested through delicate twists and the occasional surprise.
