Weygandt, Managerial Accounting , 6th Edition gives students the tools they need to succeed, whether as accountants or in other career paths. The authors present the fundamental concepts of managerial accounting in an easy-to-understand fashion in a decision-making framework for a one semester, undergraduate managerial accounting course. With an expanded emphasis on student learning, Weygandt Managerial Accounting 6th Edition demonstrates how invaluable management accounting information is to business decision-making. The author team of Weygandt, Kimmel, and Kieso provide students with pedagogy that helps develop decision-making skills, so students can be successful as future business professionals. The decision making pedagogy, easy-to-understand writing style, and quality end of chapter material have been the hallmark features that have made Managerial Accounting, by Weygandt, Kimmel, and Kieso one of the most popular books for this course. Real-World Emphasis - the authors continue the practice of using numerous examples from real-world companies in chapter openers and in the Management Insight boxes. Accounting Across the Organization - gives students business context by showing how people, often in non-accounting functions, use accounting information to make decisions. Expanded Emphasis Service Company - prepares students for work in the service industry market, and shows that accounting is relevant to both service and manufacturing companies. Do IT! Exercises - teach students how to apply their knowledge quickly after they've learned it. Comprehensive Homework Material - each chapter concludes with Self-Test Questions, Questions, Brief Exercises, Do IT! Review, Exercises, and Problems. Broadening Your Perspective Section - is designed to help develop students' decision-making and critical thinking skills. New to this Edition Use of Current Designs (kayak-making company)-introduced in new Chapter 1 Feature Story, and is the basis for new Broadening Your Perspective problem- presents managerial accounting situations that are based on the operations of a real company. People, Planet, and Profit Insight Boxes, featuring sustainability approaches of real companies. New Broadening Your Perspective problem: Considering People, Planet, and Profit, which requires students to consider examples of real cases, such as the costs associated with an oil-refinery accident versus the costs of improving safety/work conditions. New Wiley Managerial Accounting Videos use real, successful companies to demonstrate and reinforce managerial accounting concepts. New easy-to-read spreadsheet illustrations improve readability as well as comparability to Excel. Bloom's taxonomy codes added to Brief Exercises, Do it! Review, Exercises and Problems, for quick assessment categorization. Updated End-of-chapter homework material.

Grace's star is on the rise with a new TV series, but then the director asks her to lose fifteen pounds. When she goes public with her struggles with weight, she suddenly develops a huge fan club of people who are happy to see a curvy actress speak up, and she becomes a flashpoint in society's ongoing conversation about what's beautiful and what Hollywood's responsibility is to portray women of all shapes and sizes. Meanwhile, Jack is voted the Sexiest Man Alive and becomes a little too enamored with the star lifestyle. But while he can have anything he wants, he can't have the one thing he really needs: a public relationship with Grace, which his manager says will hurt his career. When Jack begins to spiral downward into parties, booze, and Hollywood brat behavior, it's time for Grace to set him straight—and maybe dare to walk the red carpet together, hand in hand.

*Companies and organizations around the world are being confronted with alarming challenges--a global pandemic, market shocks, climate change, political instability. But in these unsettled times, organizational analyst Jane McConnell reveals that managers and executives have a secret weapon on their side: an overlooked group of employees that share "the gig mindset"--a freelancer-style knack for improvisation, adaptability and innovation that offers a crucial key to the future. Found at all levels of the organizational workforce but often stifled by managers, gig mindsetters are disruptors who upend business as usual and bridge gaps while achieving surprising outcomes and charting new directions. In *The Gig Mindset Advantage*, McConnell brings her decades of research into workforce culture, organizational strategy and digital transformation to bear on this unrecognized breed of employee whose way of working offers a wake-up call to managers and executives--and a bold new pathway towards long-term success and resilience.*

Paintings, magisterial and universal, that capture the essence of a vibrant African American community In his art Jonathan Green paints the world of his childhood and an ode to a people imbued with a profound respect for the dignity and value of others—the Gullah people of the South Carolina barrier islands. His canvases, beloved for their sense of jubilation and rediscovery, evoke the meaning of community in Gullah society and display a reverence for the rich visual, oral, and spiritual traditions of its culture. His art also reveals a keen awareness of the interpersonal, social, and natural environments in which we live. The 180 images assembled in this collection showcase the meaning, purpose, and beauty that Green finds in the small but critical tasks of life. His work elevates the everyday—preparing morning meals, doing the wash, accomplishing farming chores, finishing a day's work, relaxing in the evening—and celebrates the social and religious—community dances, baptisms, weddings, funerals. Green allows his audience the space and silence to observe

people unobtrusively as they pursue life's mission of labor, love, and belonging and as they work in harmony with nature's mysterious, ever changing fabric. While Green's paintings speak specifically to his own upbringing, they transcend racial, cultural, and ethnic boundaries, thus allowing individuals of all backgrounds to recall fond memories and to reflect on the place that purpose and dignity hold in their lives. In addition to a foreword by Pat Conroy, essays by Bettye J. (Mbitha) Parker Smith, Lynn Robertson, and Ronne Hartfield complement Green's images. They tell of the vitality of the Gullah community, the progression of Green's career, and the authenticity of his work.

Getting cancer is like a bomb going off in your life. Having chemotherapy can feel like another bomb. If you're getting ready for chemotherapy, you probably have many questions-but searching for answers on the internet can be overwhelming and the pamphlets from your oncologist don't begin to tell you all you need to know. You may be scared, confused or exhausted. You'll want to know what to expect and how to prepare for chemotherapy - and so will your loved ones who are supporting you. In her concise and easy-to-read guidebook, *Braving Chemo*, Harvard-educated physician and breast cancer survivor Beverly A. Zavaleta MD cuts through the confusion to provide you with clear answers to your most urgent chemotherapy questions. ¿Can I keep my hair from falling out? ¿What should I eat? ¿How can I keep my spirits up when I'm worried about dying? Combining her medical expertise with a survivor's experience and insight, Dr. Zavaleta provides practical advice on topics such as where to find reliable information about your treatment regimen, what you should take to your chemo session, and how to keep up your strength. *Braving Chemo* also confronts the challenges of cancer recovery and coping with fear of death. Whether you are a chemotherapy patient or a cancer caregiver, *Braving Chemo* is a valuable resource about what to expect during chemo, how to minimize the side effects, and how to live life as normally as possible when life itself is on the line.

Every academic discipline has an origin story complicit with white supremacy. Racial hierarchy and colonialism structured the very foundations of most disciplines' research and teaching paradigms. In the early twentieth century, the academy faced rising opposition and correction, evident in the intervention of scholars including W. E. B. Du Bois, Zora Neale Hurston, Carter G. Woodson, and others. By the mid-twentieth century, education itself became a center in the struggle for social justice. Scholars mounted insurgent efforts to discredit some of the most odious intellectual defenses of white supremacy in academia, but the disciplines and their keepers remained unwilling to interrogate many of the racist foundations of their fields, instead embracing a framework of racial colorblindness as their default position. This book challenges scholars and students to see race again. Examining the racial histories and colorblindness in fields as diverse as social psychology, the law, musicology, literary studies, sociology, and gender studies, *Seeing Race Again* documents the profoundly contradictory role of the academy in constructing, naturalizing, and reproducing racial hierarchy. It shows how colorblindness compromises the capacity of disciplines to effectively respond to the wide set of contemporary political, economic, and social crises marking public life today.

Move! Big Book

For Maya, history is like a dream, and her dreams are like a history of her life and how it relates to others. Effortlessly defying and calling into question time and space, Maya inhabits fantastical realities filled with shamans, romantic love, daughter's struggles, and a flying dragon. Lyrically flowing between Maya's multiple realities, *The Original Dream* is the story of a young independent Indonesian woman trying to break free from cultural and social conventions while also searching for her place among family and friends. With guidance from her parents, coworkers, and sister, along with a newborn filled with the wisdom of elders, Maya navigates her perceptions, looking for answers to unknown questions. Whether soaring through the nighttime sky, caring for her nephew, or tending to guests at the hotel where she works, she tries to delineate the difference between dreams and reality and if such a difference even matters. "

Bestselling author Steve Farrar has good news for the average man: it doesn't matter if you've had a great start in your Christian life, or a rough one. It doesn't matter if you've stumbled time and again, or even fallen flat on your face. What matters most in this all-important race of life is how you finish. According to Farrar, the man who hangs in there for the haul with his wife, his kids, and his Lord is an exception these days. *Finishing Strong*, now in trade paperback, offers the use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an essential tool.

Embrace and revel in the stories of the toughest cyclists of all time, told by The Velominati, originators of *The Rules*

and get ready to ride . . . In cycling, suffering brings glory: a rider's value can be judged by their results, but also by panache and heroism. Prepared to be awed and inspired by Chris Froome riding on at the Tour de France with a broken wrist or Geraint Thomas finishing it with a broken pelvis. In *The Hardmen* the writers behind cycling superblog Velominati.com and *The Rules* will tell the stories and illuminate the myths of not just the greatest cyclists ever, but the toughest. From Eddy Merckx to Beryl Burton, and from Marianne Vos to Edwig Van Hooydonk, the book will lay bare the secrets of their extraordinary and inspirational endurance in the face of pain, danger and disaster. After all, suffering is part of the joys of being a cyclist. Embrace climbs, relish the descents, and get ready to harden up. . .

Ever since her police officer father was killed a few months ago, Grace Abernathy hasn't wanted to do much of anything. She's pulled away from her friends, her grades are plummeting . . . it's a problem. The last thing Grace wants is to be dragged into her older sister Regan's plan to train a shelter dog as a service dog. But Grace has no idea how involved she'll get-especially when a mangy mutt named Rex starts talking to her. Has Grace gone off the deep end? Or might this dog be something really special-an angel? A spirit? Either way, he is exactly the therapy that Grace needs.

*Italian heartthrob Nicola Agosto was Memphis' most eligible bad boy seven years ago, but after falling in love with local college beauty queen, Ivy Winters, he settled down and started a beautiful family. Now as a father of four and a loving husband, he has ascended up the ranks of the Memphis Police Department and positioned himself as a dependable and trustworthy top cop. However, he is known for protecting his officers and not taking anything off criminals, a trait that will not bode well for him in the near future. When four children are found raped and murdered, Nicola is the first person assigned to the high profile case, tapped personally by the brass. Partnered with a new age bad boy, Luke Johnson, and determined to solve the case, he stumbles on a conspiracy so big until the men responsible have no choice but to set him up and get him out of the picture. Caught on camera beating a black suspect who threatens his family with the same fate as the four dead children, Nicola goes from Memphis' most beloved police officer to public enemy number one. He's accused of being a racist and charged with abusing his power. Put on suspension pending an investigation, he is faced with losing the only job that he's ever known as well as his freedom. Realizing that even without a badge, Nicola could be a problem, *The Three Wise Men*, the conspirers behind the elaborate plot, now want more than Nicola's badge; they also want his life. With nowhere to turn and bound by promises he refuses to break, Nicola turns to his sworn enemy, Russian crime boss Dmitry Medlov. And it's just time to save him and his family from being brutally murdered. A favor for a favor grants Nicola the man and firepower he needs finally solve the case, but it also forces him to go against everything that he's ever stood for. Van Tine and Pierces "Builders of Ohio is composed of twenty-four essays that use biography to explore Ohio's history. Collectively, they provide a historical overview of the state's development from George Croghan's search for fame and fortune on the seventeenth-century frontier through Dave Thomas's more recent creation of a fast-food empire. Each chapter also addresses important events and transformations in the state's history such as: European settlement; Native American resistance; the creation of territorial and state governments; the development of the state's educational and economic institutions; the disruption created by the Civil War; the struggle of African Americans and women to participate in Ohio's public life; efforts to ameliorate the pernicious effects of industrialization; the negotiation of the state's role in a nation increasingly dominated by the federal government; or the ramifications of de-industrialization and rise of a service economy.
