*A comprehensive study guide offering in-depth explanation, essay, and test prep for the New Testament, including analysis of the Gospel, the history, correspondence, and apocalyptic literature. These traditionally accepted seven authors are recognized for bringing the life of Jesus to Christians. As a body of work of the first century, the New Testament brings Christianity from a small group of followers to a large church with an established theology that tackles faith, works, harmony, and diversity. Its influence has impacted every aspect of the human experience; shaping the*
