the area of the Kanal community has a special privilege to feature in history and literature not as only a site of fighting but also to be remembered in the words of one of the most famous writers of the 20th century, Ernest Hemingway. The problem, however, is

Acces PDF

that in his novel A

Hemingway omitted

most of the place

names. Because of

this hardly anybody

realizes that the story

takes place on what is

including the area of

the town of Kanal.

Many readers

probably remember
