and to include a prohibition of racial discrimination. "The Act may be cited as the Constitution alteration (Recognition of Aboriginal and Torres Strait Islander peoples) 2013."

Black Americans in the Jim Crow South could not escape the grim reality of racial segregation, whether enforced by law or by custom. In Freedom's Main Line: The Journey of Reconciliation and the Freedom Rides, author Derek Charles Catsam shows that courtrooms, classrooms, and cemeteries

Read Online Charles Perkins Freedom Ride

were not the only front lines in African Americans' prolonged struggle for basic civil rights. Buses, trains, and other modes of public transportation provided the perfect means for civil rights activists to protest the second-class citizenship of African Americans, bringing the reality of the violence of segregation into the consciousness of America and the world. In 1947, nearly a decade before the Supreme Court voided school segregation in Brown v. Board of Education, sixteen black and white

activists embarked on a four-state bus tour, called the Journey of Reconciliation, to challenge discrimination in busing and other forms of public transportation.

Although the Journey drew little national attention, it set the stage for the more timely and influential 1961 Freedom Rides. After the Supreme Court's 1960 ruling in Boynton v. Virginia that segregated public transportation violated the Interstate Commerce Act, the Congress of Racial Equality (CORE) and other civil rights groups organized

Read Online Charles Perkins Freedom Ride

the Freedom Rides to test the enforcement of the ruling in buses and bus terminals across the South. Their goal was simple: "to make bus desegregation," as a CORE press release put it, "a reality instead of merely an approved legal doctrine." Freedom's Main Line argues that the Freedom Rides, a turning point in the Civil Rights Movement, were a logical, natural evolution of such earlier efforts as the Journey of Reconciliation, their organizers following models provided by previous

Read Online Charles Perkins Freedom Ride

challenges to segregation and relying on the principles of nonviolence so common in the larger movement. The impact of the Freedom Rides, however, was unprecedented, fixing the issue of civil rights in the national consciousness. Later activists were often dubbed Freedom Riders even if they never set foot on a bus. With challenges to segregated transportation as his point of departure, Catsam chronicles black Americans' long journey toward increased civil rights. Freedom's Main Line

rights of Aboriginal people. This book is a journey through three remote regions of Australia. It begins in 1946, as Aboriginal pastoral workers walk away from oppressive conditions to make their famous stand in the Pilbara, in Western Australia. The second, lesser known story unfolds in Central Australia, when Britain and Australia collaborate to conduct their missile and nuclear weapons programs in Aboriginal country. And, the final section of this book features a landmark action in the Northern Territory: Aboriginal workers and their families walked away

Charles Perkins and the Freedom Ride

A firsthand exploration of the cost of boarding the bus of change to move America forward—written by one of the Civil Rights Movement's pioneers.

At 18, Charles Person was the youngest of the original Freedom Riders, key figures in the U.S. Civil Rights Movement who left Washington, D.C. by bus in 1961, headed for New Orleans. This purposeful mix of black and white, male and female activists—including future Congressman John Lewis, Congress of Racial Equality Director James Farmer, Reverend Benjamin Elton Cox, journalist and pacifist James Peck, and CORE field secretary Genevieve Hughes—set out to discover whether America would abide by a Supreme Court decision

Read Online Charles Perkins Freedom Ride

that ruled segregation unconstitutional in bus depots, waiting areas, restaurants, and restrooms nationwide. Two buses proceeded through Virginia, North and South Carolina, to Georgia where they were greeted by Dr. Martin Luther King Jr., and finally to Alabama. There, the Freedom Riders found their answer: No. Southern states would continue to disregard federal law and use violence to enforce racial segregation. One bus was burned to a shell, its riders narrowly escaping; the second, which Charles rode, was set upon by a mob that beat several riders nearly to death. *Buses Are a Comin'* provides a front-row view of the struggle to belong in America, as Charles Person accompanies his colleagues off the bus, into the station, into the mob,

The saga of the Freedom Rides is an improbable, almost unbelievable story. In the course of six months in 1961, four hundred and fifty Freedom Riders expanded the realm of the possible in American politics, redefining the limits of dissent and setting the stage for the civil rights movement. In this new

Read Online Charles Perkins Freedom Ride

version of his encyclopedic *Freedom Riders*, Raymond Arsenault offers a significantly condensed and tautly written account. With characters and plot lines rivaling those of the most imaginative fiction, this is a tale of heroic sacrifice and unexpected triumph. Arsenault recounts how a group of volunteers--blacks and whites--came together to travel from Washington DC through the Deep South, defying Jim Crow laws in buses and terminals and putting their lives on the line for racial justice. News photographers captured the violence in Montgomery, shocking the nation and sparking a crisis in the Kennedy administration. Here are the key players--their fears and courage, their determination and second thoughts, and the agonizing choices they faced as they took on Jim Crow--and

societies. This book was published as a special issue of the International Journal of the History of Sport.

They were black and white, young and old, men and women. In the spring and summer of 1961, they put their lives on the line, riding buses through the American South to challenge segregation in interstate transport. Their story is one of the most celebrated episodes of the civil rights movement, yet a full-length history has never been written until now. In these pages, acclaimed historian Raymond Arsenault provides a gripping account of six pivotal months that jolted the consciousness of America. The Freedom Riders were greeted

Read Online Charles Perkins Freedom Ride

with hostility, fear, and violence. They were jailed and beaten, their buses stoned and firebombed. In Alabama, police stood idly by as racist thugs battered them. When Martin Luther King met the Riders in Montgomery, a raging mob besieged them in a church. Arsenault recreates these moments with heart-stopping immediacy. His tightly braided narrative reaches from the White House--where the Kennedys were just awakening to the moral power of the civil rights struggle--to the cells of Mississippi's infamous Parchman Prison, where Riders tormented their jailers with rousing freedom anthems. Along the way, he offers vivid portraits of dynamic

Read Online Charles Perkins Freedom Ride

figures such as James Farmer, Diane Nash, John Lewis, and Fred Shuttlesworth, recapturing the drama of an improbable, almost unbelievable saga of heroic sacrifice and unexpected triumph. The Riders were widely criticized as reckless provocateurs, or "outside agitators." But indelible images of their courage, broadcast to the world by a newly awakened press, galvanized the movement for racial justice across the nation. Freedom Riders is a stunning achievement, a masterpiece of storytelling that will stand alongside the finest works on the history of civil rights.

This book is the dramatic story of the collision of two worlds that

War, and a cluster of social movements organised around gender, race and sexuality. Crucial to these developments has been a persistent interplay between protest action and the media. But how do protesters attract the media's attention, what are the costs of this emphasis on theatre and spectacle, and how does the emergence of the Internet complicate and enrich the means of collective protest? Dissent Events: Protest, the Media and the Political Gimmick in Australia offers a contemporary history of collective action in Australia over the last four decades, from the halting

Read Online Charles Perkins Freedom Ride

experiments of the early sixties, to more recent actions involving Pauline Hanson's One Nation Party, the quest for reconciliation, and the anti-corporate campaigners of the S11 Alliance. It tells the story of these performances, develops a set of concepts to analyse their changing form and illuminates the larger story of social and political change in recent Australian life. The 1972 Aboriginal Embassy was one of the most significant indigenous political demonstrations of the twentieth century. What began as a simple response to a Prime Ministerial statement on Australia Day 1972,

Read Online Charles Perkins Freedom Ride

evolved into a six-month political stand-off between radical Aboriginal activists and a conservative Australian government. The dramatic scenes in July 1972 when police forcibly removed the Embassy from the lawns of the Australian Houses of Parliament were transmitted around the world. The demonstration increased international awareness of the struggle for justice by Aboriginal people, brought an end to the national government policy of assimilation and put Aboriginal issues firmly onto the national political agenda. The Embassy remains today and on Australia

Read Online Charles Perkins Freedom Ride

Day 2012 was again the focal point for national and international attention, demonstrating the intensity that the Embassy can still provoke after forty years of just sitting there. If, as some suggest, the Embassy can only ever be removed by Aboriginal people achieving their goals of Land Rights, Self-Determination and economic independence then it is likely to remain for some time yet. 'This book explores the context of this moment that captured the world's attention by using, predominantly, the voices of the people who were there. More than a simple oral history, some

Australia in the twentieth century. It tells the story of a people trapped in ideological folly spawned to solve 'the half-caste problem'. It gives life to those generations of Aboriginal people assumed to have no history and whose past labels them only as shadowy figures. Briscoe's enthralling narrative combines his, and his contemporaries, institutional and family life with a high-level career at the heart of the Aboriginal political movement at its most dynamic time. It also

documents the road he travelled as a seventeen year old fireman on the South Australia Railways to becoming the first Aboriginal person to achieve a PhD in history. A young girl in Haiti is eager to learn how to carry a basket to market in an exuberant picture book with universal appeal. "To carry the panye, we move gracefully, even under the weight of the sun and the moon." In the hills above Port-au-Prince, a young girl named Fallon wants more than anything to carry a large

woven basket to the market, just like her Manman. As she watches her mother wrap her hair in a mouchwa, Fallon tries to twist her own braids into a scarf and balance the empty panye atop her head, but realizes it's much harder than she thought. BOOM! Is she ready after all? Lyrical and inspiring, with vibrant illustrations highlighting the beauty of Haiti, *My Day with the Panye* is a story of family legacy, cultural tradition, and hope for the future. Readers who are curious

Diagnosed with "temporary nervous depression - a slight hysterical tendency" by her physician husband, a woman is confined to an upstairs bedroom. Descending into psychosis at the complete lack of stimulation, she starts obsessing over the room's yellow wallpaper: "It is the strangest yellow, that wall-paper! It makes me think of all the yellow things I ever saw - not beautiful ones like buttercups, but old foul, bad yellow things. But there is something else about that paper - the smell! ... The only thing I can think of that it is like is the color of the paper! A yellow smell."

On 27 May 1967 a remarkable event occurred. An overwhelming majority of electors voted in a

national referendum to amend clauses of the Australian Constitution concerning Aboriginal people. Today it is commonly regarded as a turning point in the history of relations between Indigenous and white Australians: a historic moment when citizenship rights -- including the vote -- were granted and the Commonwealth at long last assumed responsibility for Aboriginal affairs. Yet the constitutional changes entailed in the referendum brought about none of these things. "The 1967 Referendum" explores the legal and political significance of the referendum and the long struggle by black and white Australians for constitutional change. It

traces the emergence of a series of powerful narratives about the Australian Constitution and the status of Aborigines, revealing how and why the referendum campaign acquired so much significance and has since become the subject of highly charged myth in contemporary Australia. Attwood and Markus's text is complemented by personal recollections and opinions about the referendum by a range of Indigenous people, and historical documents and illustrations.

Through rigorous research, the author shows how supporters of indigenous Australians and their struggles for equality pushed Australia into the 60s - literally and figuratively.

Freedom's Main Line

In 1969, a low-budget biker movie, *Easy Rider*, shocked Hollywood with its stunning success. An unabashed celebration of sex, drugs, and rock 'n' roll (onscreen and off), *Easy Rider* heralded a heady decade in which a rebellious wave of talented young filmmakers

invigorated the movie industry. In *Easy Riders, Raging Bulls*, Peter Biskind takes us on the wild ride that was Hollywood in the '70s, an era that produced such modern classics as *The Godfather*, *Chinatown*, *Shampoo*, *Nashville*, *Taxi Driver*, and *Jaws*. *Easy Riders, Raging Bulls* vividly chronicles the exuberance and excess of the times: the startling success of *Easy Rider* and the equally alarming circumstances under which it was made, with drugs, booze, and violent rivalry between costars Dennis Hopper and Peter Fonda dominating the set; how a small production company named BBS became the guiding spirit of the youth rebellion in Hollywood and how, along the way, some of its executives helped

the screen and off. After the success of *Easy Rider*, young film-school graduates suddenly found themselves in demand, and directors such as Francis Coppola, Peter Bogdanovich, George Lucas, and Martin Scorsese became powerful figures. Even the new generation of film stars -- Nicholson, De Niro, Hoffman, Pacino, and Dunaway -- seemed a breed apart from the traditional Hollywood actors. Ironically, the renaissance would come to an end with *Jaws* and *Star Wars*, hugely successful films that would create a blockbuster mentality and crush innovation. Based on hundreds of interviews with the directors themselves, producers, stars, agents, writers, studio executives, spouses, and ex-spouses, this is

the full, candid story of Hollywood's last golden age. Never before have so many celebrities talked so frankly about one another and about the drugs, sex, and money that made so many of them crash and burn. By turns hilarious and shocking, *Easy Riders, Raging Bulls* is the ultimate behind-the-scenes account of Hollywood at work and play. *The Freedom Riders Across Borders: Contentious Mobilities* provides the first comprehensive transnational historical analysis of the Freedom Rides. It explores the transnational history of these social movements and the struggles for the right to mobility and other civil rights in the United States of America, Australia, and Palestine between 1961 and 2011.

This book makes a significant contribution to the transnational studies of social movements and the burgeoning field of mobility studies by investigating the specific constellations of mobility as historically and geographically specific formations of movement as well as investigating how the images, ideas and strategies of Freedom Riders were adapted, translated, and moved across time and space. Foremost, this book speaks to the pressing questions of the past and present concerning the politics and inequalities of mobilities impacting different social groups in different ways. From a historical perspective, it gives answers to the intensified interest and questions concerning the dynamics, techniques and

"contentious politics" of social movements in a globalized environment. The book details how the question of mobility has come to constitute political conflict and protest over norms, restrictions, and representations. It shows not only that mobility is a differentially accessed resource which shapes and is shaped by political processes, but also that contestation is an equal part of forming mobility. The book identifies vehicles as a mobile site of contestation and, in the context of the Freedom Rides, as a site of strategic political action. In doing so, Lüthi makes a persuasive case for mobility to be given a central place in the study of progressive social movements. As such, this book will be of great interest to
