His brothers, who commissioned her, present her with a challenge - fix it, or lose everything.Soon the curse is spreading throughout the castle, buffeted by dark magic, intrigue, and a strange attraction that has her looking at the four brothers in a new light.

A destiny that leads the English to the Dutch is strange enough; but one that leads from Epsom into Pennsylvania, and thence into the hills that shut in Altamont over the proud coral cry of the cock, and the soft stone smile of an angel, is touched by that dark miracle of chance which makes new magic in a dusty world.

The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries tie the plot on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

*In 1930 Danish artist Einar Wegener underwent a series of surgeries to live as Lili Else Elvenes (more commonly known as Lili Elbe). Her life story, *Fra Mand til Kvinde* (From Man to Woman), published in Copenhagen in 1931, is the first popular full-length (auto)biographical narrative of a subject who undergoes genital transformation surgery (*Genitalumwandlung*). In *Man Into Woman: A Comparative Scholarly Edition*, Pamela L. Caughie and Sabine Meyer present the full text of the 1933 American edition of Elbe's work with comprehensive notes on textual and paratextual variants across the four published editions in three languages. This edition also includes a substantial scholarly introduction which situates the historical and intellectual context of Elbe's work, as well as new essays on the work by leading scholars in transgender studies and modernist literature, and critical coverage of the 2015 biopic, *The Danish Girl*. This print edition has a digital companion: the Lili Elbe Digital Archive (www.lilielbe.org). Launched on July 6, 2019, to commemorate the 100th anniversary of the founding of Magnus Hirschfeld's Institute for Sexual Science (*Institut für Sexualwissenschaft*) where Lili Elbe was initially examined, the Lili Elbe Digital Archive hosts the German typescript and all four editions of this narrative published in Danish, German, and English between 1931 and 1933, with English translations of the Danish edition and the typescript. Many letters from archives and contemporaneous articles noted in this print edition may be found in the digital archive.*
