

Chart Of The Kings Of Israel And Judah

(New revised edition) Considered the classic and comprehensive work in reckoning the accession of kings, calendars, and coregencies based upon the Old Testament text and other extra-biblical sources. God has a bad reputation. Many think of God as wrathful and angry, smiting people for no apparent reason. But the story is more complicated than that. Without minimizing the sometimes harsh realities of the biblical record, David Lamb unpacks the complexity of the Old Testament and assembles an overall picture that gives coherence to our understanding of God in both Old and New Testaments.

Jensen's Bible Study Charts, created by the renown author, Irving L. Jensen, is finally available again. Well known for his inductive Bible study method, Irving Jensen had put together 153 charts in this 300 page volume to help Bible students and teachers conduct effective Bible studies. In addition to survey charts on all the books of the Bible, Jensen's Bible Study Charts also includes 68 additional charts, and all of the charts in the book are accompanied by explanatory notes. Jensen's Bible Study Charts includes: 43 Old Testament Book Survey Charts 42 New Testament Book Survey charts 24 Old Testament Related Charts 22 New Testament Related Charts 12 Prophecy Charts 10 General Charts This volume is ideal for classroom use or individual Bible study. Charts may be copied on transparencies for use on overhead projectors. Filled with valuable information, this Bible study tool will make your learning so much more effective. If you are a serious student of the Bible, this volume is a must-have for your personal library.

The author of Chronicles used much of Samuel and Kings in presenting his version of Israel's "history". With this book, readers can easily see how the Chronicler refashioned many texts Samuel-Kings and incorporated details from other biblical books such as Psalms and Isaiah.

What Is Biblical Theology?

The Kings and Prophets of Israel and Judah

This genealogical chart shows the descent, relationships, and coats of arms of one thousand years of British monarchy. It includes every child born to a British monarch since the 9th century, listed in order of their birth, important mistresses and their offspring, while detailing th intermarriages and relationships between royal houses.

Jacob and Solomon were polygamists. Tamar and Rahab were prostitutes. What are polygamists and prostitutes doing on the pages of Holy Scripture? And God told the prophet Hosea to marry a prostitute. What about Cain—did he really marry his sister? Abraham did, and he was also a polygamist. Lot offered his daughters up for rape, David committed adultery (or rape?) and the Bible calls both men righteous. Love, Old Testament style, was bizarre. As readers of the Old Testament encounter these weird, confusing, and horrific “love” stories they ask, “What’s up with sex in the Old Testament?” The church often ignores the R-rated bits of the Bible, so it’s hard for people to find answers to their disturbing questions about sex in Scripture, which can lead people to give up on God and God’s word. However, these stories were included in the Bible for a reason, to reveal an even more shocking “love” story. When humans behave badly, God behaves graciously. God not only forgives people with sexual baggage, but also redeems their lives and includes them in his mission. God’s word records their story to benefit us. Just as sex was not often ideal in the Old Testament, it’s often not ideal today. Instead of ignoring these stories, Prostitutes and Polygamists engages, discusses, and learns from them.

Genealogical and Chronological Chart of the Kings and Queens of England

An elegantly illustrated wallchart shows the lineage and coats of arms of all of Great Britain and Europe's royal lines from the tenth century to the present, from Aethelred to Diana, and includes important information about each figure. History. UP.

This collection of essays examines the respective religious and social functions of kings and prophets as they are presented in the biblical narratives. Biblical kingship is easily shown to be a specific instance of an ancient and widespread institution--sacred monarchy--that was the pivot of most state organizations throughout antiquity; prophetic authority is described as a typical institution of ancient Hebrew society. The difference between monarchy and prophecy is radical, because the former implies a hereditary power and is upheld by its subjects who feed their kings with taxes, while the latter derives its authority from allegedly direct divine inspiration, and though it is also economically dependent it is not explicitly presented as being based upon systematic exploitation. Cristiano Grottanelli interprets the rise of prophecy as a consequence of a crisis of monarchical structures at the beginning of the Iron Age, and connects it to similar phenomena attested in ancient Greek texts derived from a similar crisis. Though monarchy finally won the day in the Ancient Mediterranean in a new imperial form, the new literatures in Greek and Hebrew consonantic and alphabetic scripts shaped nonmonarchic figures to which they attributed some of the functions previously pertaining to monarchy. These new literatures, produced by two cultures that were both highly literate and organized according to nonmonarchical principles, diverged radically in their development and final outcomes. In the Hebrew tradition, monolatrly and an official canon of sacred writings were the final result; the prophetic principle was thus overcome by a new ideological construction, centered upon inspired scriptures rather than upon the impromptu performances of inspired persons. In using the prophetic principle against the monarchic, the canonical texts paradoxically shaped their own authority above that of living prophets.

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our

lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up

empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages,

our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world,

starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical

approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God’s Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10

Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There

is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to

making the most of these precious responsibilities.

The Birth of the Messiah

God Behaving Badly

Is the Bible just a random collection of old stories, or is there something more going on within the pages of Scripture? Is it possible that the ancient books of the Old and New Testaments are part of a single, unified story, begun long ago but extending into our world today? In this introduction to biblical theology, professor James Hamilton orients Bible readers afresh to the overarching story line of Scripture, helping Christians read and interpret the Bible as the biblical writers intended and as the early Christians read it. Examining Scripture’s key

symbols, patterns, and themes, Hamilton helps readers truly grasp—and be transformed by—the theology of redemption contained in God’s Word.

This pioneering study wrestles with the perpetual problem of chronology in the Books of Kings. The result is one of the most responsible and yet most critical chronologies proposed to date, and will be the standard chronological reference for the next decade, if not longer.

Kings and Prophets

This study graph shows all of the Hebrew Kings, all of the writing prophets, the contemporary monarchs of Egypt, Assyria, Damascus, Babylonia, Media and Persia, and the governors and high priest of the post-exilic periods.

Moses pioneered a Spirit-led leadership paradigm that Christian leaders do well to emulate today Moses didn’t want to be a leader. He had been raised as a prince of Egypt, but now at 80, he was content to be a simple shepherd, watching sheep on the slopes of Sinai. Then, God spoke from the

burning bush and Moses’ world changed. How do you lead a multitude of people through impossible situations, badgered by a storm of criticism from within the camp, and threatened by deadly peril from without? Moses the reluctant leader has much to teach both disciples and leaders today.

This Bible study leads you through Moses’ life covering several chapters in each lesson so you can see the big picture. It slows down, however, to examine key passages in Exodus and Numbers that give insight into God’s instruction to Moses. One lesson surveys the tabernacle, the priesthood, and

the sacrifices that God revealed through Moses. This book explores Moses’ life in 9 lessons with discussion questions, and can be used for personal enrichment, by small groups and classes, and by teachers and preachers for sermon preparation.
