The Conflict of Laws

The fifth edition of

Clarkson & Hill's Law

Conflict of Laws

provides a clear and up-to-date account of the private international law topics covered at undergraduate level.

Theoretical issues and fundamental principles are introduced in the first chapter and expanded upon in later

chapters. Basic principles of the conflict of laws are presented in an approachable style, offering clarity on complex points and terminology without over-simplification. The fifth edition reflects the field's changing focus from case law to domestic and European legislation, incorporating the
