at the symposium. He values the craft of match-making because a good match-maker can arrange suitable marriages and friendship between cities. Xenophon begins the

dialogue by saying that he thinks the deeds of men not only in their serious times, but also in their playful times, are worth mentioning. He expresses his desire to explain the

deeds on such a particular occasion, at which he himself was present (Xenophon's presence at the symposium is doubted, since he would have been too young to attend at the

time).After they finished eating, an entertainer from Syracuse, who had been invited by Kallias, came with his entourage of performers including a girl good at flute playing, a girl
