

Chicharito The Javier Hernandez Story

According to the Latina health paradox, Mexican immigrant women have less complicated pregnancies and more favorable birth outcomes than many other groups, in spite of socioeconomic disadvantage. Alyshia Gálvez provides an ethnographic examination of this paradox. What are the ways that Mexican immigrant women care for themselves during their pregnancies? How do they decide to leave behind some of the practices they bring with them on their pathways of migration in favor of biomedical approaches to pregnancy and childbirth? This book takes us from inside the halls of a busy metropolitan hospital’s public prenatal clinic to the Oaxaca and Puebla states in Mexico to look at the ways Mexican women manage their pregnancies. The mystery of the paradox lies perhaps not in the recipes Mexican-born women have for good perinatal health, but in the prenatal encounter in the United States. Patient Citizens, Immigrant Mothers is a migration story and a look at the ways that immigrants are received by our medical institutions and by our society

In this refreshingly candid autobiography Fairclough relives the highs and lows of a colourful career. He recalls his meteoric rise to stardom and the priceless contribution he made to the Liverpool's remarkable success under Bob Paisley. From his key role against St Etienne on arguably Anfield's greatest night, through a career that witnessed 19 major trophies, Fairclough lifts the lid on what life was really like for him in the Anfield dressing room of that time, his often fraught relationship with Paisley and explains the burden of 'the outsider'.

FROM THE BESTSELLING AUTHOR OF MESSI AND RONALDO Tipped for greatness from an early age, it’s easy to think that every moment of Neymar’s life has been played out under the glare of a spotlight. But did you know that Real Madrid were just €60,000 away from signing him in 2006? Or that a phone call from Pelé stopped Neymar leaving Santos for Chelsea in 2010? Or that his move to Paris Saint-Germain in 2017 caused tension with his new teammates? Find out about all this and more in Luca Caioli’s tirelessly researched biography, featuring exclusive interviews with those who know him best, including friends, family, coaches and teammates. Includes all the action from the 2017/18 season and the 2018 World Cup

The definitive account of the disappearance of forty-three Mexican students On September 26, 2014, a party of students from the Ayotzinapa Rural Teachers’ College were en route to a protest when intercepted by local police. A confrontation ensued. Come the morning, the students were nowhere to be found. The crime that had transpired and the resultant cover-up brought the profound depths of corruption in the Mexican government and police force—as well as the vulnerability of ordinary Mexicans—into stark relief. Investigative reporter Anabel Hernández reconstructs the terrible events of that night and its aftermath, giving us the most complete picture available. Her sources are unparalleled. In researching this book, she secured access to internal government documents that have not been made public and to surveillance footage the government has tried to hide and destroy. Hernández demolishes the Mexican state’s official version of events, which the Peña Nieto government cynically dubbed the “historic truth.” As her research shows, state officials at all levels, from police and prosecutors to the upper echelons of government, conspired to put together a fake case, concealing and manipulating evidence, and arresting and torturing dozens of “suspects,” procuring forced confessions to back up the official lie. By following the role of the various Mexican state agencies through the events in such remarkable detail, A Massacre in Mexico shows with exacting precision precisely who is responsible for this monumental crime and who needs to be held accountable.

The Javier Hernandez Story

Carlo Ancelotti is one of the greatest managers of all time, with five Champions League titles to his name. Yet his approach could not be further from the aggressive theatricals favoured by many of his rivals. His understated style has earned him the fierce loyalty of players like David Beckham, Zlatan Ibrahimovic and Cristiano Ronaldo. In Quiet Leadership, Ancelotti reveals the full, riveting story of his methods, mentors, mistakes and triumphs - and takes us inside the dressing room to trace the characters, challenges and decisions that have shaped him. The result is both a scintillating memoir and a rare insight into the business of leadership.

NEW YORK TIMES BESTSELLER. SEMI-FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR ART OF THE ESSAY. One of Amazon, Buzzfeed, ELLE, Electric Literature and Pop Sugar’s Best Books of 2018. Named one of the Best Books of October and Fall by Amazon, Buzzfeed, TIME, Vulture, The Millions and Vol. 1 Brooklyn. “Hilarious, nimble, and thoroughly illuminating.” —Colson Whitehead, author of The Underground Railroad A globe-spanning, ambitious book of essays from one of the most enthralling storytellers in narrative nonfiction In his highly anticipated debut essay collection, Impossible Owls, Brian Phillips demonstrates why he’s one of the most iconoclastic journalists of the digital age, beloved for his ambitious, off-kilter, meticulously reported essays that read like novels. The eight essays, from Phillips’s Grantland and MTV days, and three new pieces—go beyond simply chronicling some of the modern world’s most uncanny, unbelievable, and spectacular oddities (though they do that, too). Researched for months and even years on end, they explore the interconnectedness of the globalized world, the consequences of history, the power of myth, and the ways people attempt to find meaning in a world that often feels like a chaotic, unrelenting machine. In India, and uncovers a multigenerational mystery involving an oil tycoon and his niece turned stepdaughter turned wife in the Oklahoma town where he grew up. Through each adventure, Phillips’s remarkable voice becomes a character itself—full of verve, rich with offhanded humor, and revealing unexpected vulnerability. Dogged, self-aware, and radiating a contagious enthusiasm for his subjects, Phillips’s work is a testament to the power of journalism in the digital age. In the confusion and wonder of the world today, if John Jeremiah Sullivan’s Pulphed was the last great collection of New Journalism from the print era, Impossible Owls is the first of the digital age.

'It was different back then, at least through Arsenal eyes. This was a young, exciting team full of hope and desire, led by a manager bristling with ambition . . .’ Anfield ’89. Copenhagen ’94. Two of Arsenal’s greatest triumphs in the modern era. Both matches defined by the goal-scoring prowess of one man - Alan ‘Smudger’ Smith. Smith’s rise in football was vertiginous: playing for Alvechurch in the third division, competing in the top flight twelve months later. His first three years at Leicester were characterized by a successful partnership with Gary Lineker. When Lineker left for Everton, Smith stepped forward as the main goal-getter. It was Smith’s move to Highbury, however, that enabled him to become the winner of two Golden Boots and one of the most highly-rated strikers in the game. Honest, intelligent, and a bit of a rebel, Smith reveals what it was like forging a career in the tough First Division of old before the glitz of the Premier League took hold; the ins and outs of playing for George Graham and rooming with Gazza; the truth behind Anfield ’89; which team could easily have gone on to become the first ‘Invincibles’ had Chelsea not spoiled it one February afternoon; how the highs of the game can quickly be converted into lows; and how injury really does affect a career. After twenty years of writing for the Daily Telegraph, covering four World Cups, four European Championships and countless club games, Alan Smith has done what few ex-professionals are able to do - describe in his own words what it’s really like to play the game . . .

The definitive biography of Cristiano Ronaldo, named Football Book of the Year at the Cross Sports Book Awards 2016 Fully updated to include the 2017-18 season and Ronaldo’s transfer to Juventus Cristiano Ronaldo is one of the greatest footballers of all time, a dream he pursued from the age of just twelve when he left his humble origins on Madeira behind. It wasn’t long before he had the world at his door, but it was Manchester United who won the race for his signature. Under the tutelage of Sir Alex Ferguson, Ronaldo developed into the complete footballer and athlete, winning three league titles and a Champions League along the way. He then became the biggest galáctico of them all when he transferred to Real Madrid for a record-breaking fee. Unprecedented success in the Champions League followed, before his sensational move to Juventus in the summer of 2018. Guillem Balagué, respected football journalist and expert on the Spanish game, provides the definitive account of a twenty-first-century footballing icon.

Another Way of Winning: The Biography

El Muerto the Aztec Zombie appears in his first graphic novel, featuring an all-new retelling of his classic origin story! Born on Nov 2, el Dia de Los Muertos, Juan Diego de La Muerte is destined for the adventure of a lifetime. On his 21st birthday he is killed in a car accident, sending him to the Mictlan, the land of the dead. Once there, he is sacrificed and resurrected by the gods of Death and Destiny, endowing him with miraculous abilities and an unknown mission. Returned to Earth one year later, Diego is drawn to Mexico, where he soon finds himself at Mondragon's Circus and Festival of Freaks. New friendships ensue, as does unspeakable inhumanity, all while grand cosmic forces hover around him! Don't miss this limited Advance Reader Copy, featuring cover artwork exclusive to this edition. Originally created in 1998 by cartoonist Javier Hernandez, El Muerto made the leap from independent comic book to live action film in 2007, starring Wilmer Valderrama, Angie Cepeda, Joel David Moore, Tony Plata and Michael Parks. Now El Muerto stars in his first graphic novel!

Called by destiny, with soccer as his heritage, Javier Hernández Balcázar was born to shine on the pitch. The grandson and son of players selected for their country's national team in the World Cup, el Chicharito represents a new generation of Mexican soccer stars whose field of play is the globe. This book follows the fortunes of Hernández on his road to the top, from his modest origins with the youth section of the Chivas of Guadalajara to his rousing successes with Manchester United. El Chicharito has scored triumphs that all of Mexico celebrates.

The story of Giannis Antetokounmpo's extraordinary rise from poverty in Athens, Greece to super-stardom in America with the Milwaukee Bucks--becoming one of the most transcendent players in NBA history--from award-winning basketball reporter and feature writer at The Ringer Mirin Fader, touching on universal themes of family, immigration, hard work, wealth, loss, and dreaming big. As the face of the NBA's new world order, Giannis Antetokounmpo has overcome unfathomable obstacles to become a symbol of hope for people all over the world, the personification of the American Dream. But his backstory remains largely untold, and Fader unearths new information about the childhood that shaped "The Greek Freak"--from sleeping side by side with his brothers to selling trinkets on the side of the street with his family to the racism he experienced in Greece. Antetokounmpo grew up in an era when Golden Dawn, Greece's far-right, anti-immigrant party, patrolled his neighborhood, and his status as an illegal immigrant largely prevented him from playing for Greece's top clubs, making his rise to the NBA all the more improbable. Fader tells a deeply-human story of how an unknown, skinny, Black-Greek teen, who played in the country's lowest pro division and was seen as a draft gamble, transformed his body and his game into MVP material. Antetokounmpo's story has been framed as a feel-good narrative in which the globe has embraced him, watching him grow up and lead the underdog Bucks to the best record in the NBA in 2020. Giannis reveals a more nuanced story: how hesitant Antetokounmpo was, and still is, to spend money; how lonely and isolated he felt, adjusting to America and the NBA early in his career; the way he changed after his father recently died of a heart attack; the complexity of grappling with his Black and Greek identities; how private he is, so hard on himself and his shortcomings, a drive that fuels him every day; and the deep-rooted responsibility he feels to be a nurturing role model for his younger brothers. Fader illustrates a more vulnerable star than people know, a person who has evolved triumphantly into all of his roles: as father, brother, son, teammate, and global icon. Giannis gives readers a front-row seat as Antetokounmpo strives for an elusive championship with the Bucks, and as he contends with his next big hurdle: to stay in Milwaukee or chase the possibility of NBA super-stardom with a major-market franchise.

Newspaper Design showcases the best of editorial and graphic design from the most renowned newspapers across the world, and proves that skillful news design matters more than ever before. Over recent years, the world of news making has dramatically changed. Newspaper Design examines the forces that have transformed the industry and showcases the best of editorial design in the news context. Following the shift to digital, the role of visual journalists has evolved. As our reading habits change, so do the ways in which designers deal with typography, grid systems and illustration in order to tell a story in the most engaging way. Newspaper Design discusses the daily challenges of journalists and editorial designers, and introduces the work of the teams behind some of the most influential newspapers, such as the New York Times, the Guardian, and Libération. Unique insights from professionals paired with outstanding visual examples reveal the inner workings of the news industry and make Newspaper Design a must-have for designers, publishers and journalists. Javier Errea is the director of Errea Communications, president of the Spanish chapter of the Society for News Design, and coordinator for the Malofiej World Summit and International Infographics Awards.

The Story of Football's Most Famous Number 12

One Man. One Journal. One Beautiful Game

A Novel

Updated Edition

From Korea to Qatar, Milan to Manchester, football is a game that evokes emotion in fans the world over. Travelling the globe, journalist Drew Farmer experienced the highs and lows of football in countries with their own footballing customs. From eating sunflower seeds on the terraces of Bozsik Stadium to hanging with Atalanta ultras in Bergamo, Farmer has written a first-hand account of his adventures following the world's most popular sport. Like Bill Bryson on a football weekend trip, Farmer will take you to the places he has been, recounting them in his own cynical humour. "My expectation of enjoying it was sky-high. And, as happens too little in life, my incredibly high expectations were met. This book is a simple read, full of personal narrative and point-of-view observations about a number of teams and soccer experiences. For someone like myself who does not have many such experiences, I was unable to put the book down." - Robert Hay/WorldSoccerTalk.com "Soccer Travels encapsulates the beautiful game and what it means to everyone around the world in a wonderfully authentic way. It offers first-hand insight into the varying cultures of the game and highlights how much of an influence soccer has beyond the pitch. From Kansas City to Seoul and everywhere in between, Soccer Travels offers a unique and informative view on the world's most played sport. I would certainly recommend Soccer Travels to fans of the game far and wide." - Louis East/MLSGB.com

Who says toys are just for kids? Remember the days when a dinosaur could have a conversation with a cowboy and everything was just fine? And then somewhere along the way someone suggested you put your action figures away and "grow up"? Yeah, well...you don't really have to do that. 'Cause toys are cool. Toy Confidential is here to set matters straight and awaken your sense of childish wonder (along with maybe just a pinch of snark). Behold conceited unicorns, sarcastic dinosaurs, and surly mammoths! Witness insane interspecies antics acted out by toy bunnies, pretty kitties, and rainbow ponies! Meet a host of hapless super heroes, bumbling spacemen, melodramatic minotaurs and more! With more pop culture references than you can shake an Ewok at, Toy Confidential offers a return to childhood with better jokes. Ever wanted to see Jurassic Park only with skateboards? How about Scarface reenacted by cute pug puppies? Check and check. Grow up? Never!

Describing how a small and dedicated group of sneaker consumers in the 70s and early 80s proved instrumental in establishing current corporate giants like Nike and adidas, aficionado and legendary hip-hop icon Bobbito Garcia writes with the exactitude and affection that only a true believer could convey.

Kane or Vardy? Pep or José? Pulis or ... anybody else? Football is a game of opinions. A world where received wisdom and the law of the hunch reign supreme. But football is becoming more intelligent. The history books may say that Leicester City winning the premier league ‘defied logic’, but if you looked more closely, they were always going to win . . . From distances run to pass success rate, shots on target to corners won, counter-attacks to tackles made, Opta, the world’s leading sports data company, records everything. But what does it all mean? And how can it add to our love of the game? From the author and statistician behind the popular OptaJoe Twitter account, what follows is a hugely entertaining and insightful guide to football in 2016, analysing data from the world's greatest teams, players, leagues and tournaments. Stats can never tell us everything, but combining cutting-edge analysis with wry humour, this book debunks countless myths peddled by pundits, managers, and even players. The ideas that follow are both surprising and satisfying, but may also leave you with the feeling that ‘yes, that’s what I was thinking all along’.

The autobiography of the legendary Manchester United manager

The Magnificent Sevens

Masters of Modern Soccer

Soccer is the world's most popular sport and one of the globe's best known cultural practices. The pinnacle of the sport worldwide is the FIFA World Cup, a competition held every four years, which crowns one nation as the world champion in front of huge global television audiences: over half of the planet's population watched the 2010 FIFA World Cup final between Spain and the Netherlands. From the humble origins of modern soccer in Great Britain in the 19th century, world soccer has become today a vast,commercialized global industry, with huge salaries paid to the biggest stars due to the massive amounts of revenue generated through the sale of television rights, ticket sales, and sponsorship income. The Historical Dictionary of Soccer presents comprehensive history of the game through a chronology, an introductory essay, a bibliography, numerous appendixes that list everything from the FIFA World Player of the Year to FIFA World Cup Winners and Runners-Up to the UEFA Champions League Winners and Runners-Up, and over 400 cross-referenced dictionary entries on places, teams, terminology, and people, including Garrincha, Pelé, Johan Cruyff, Diego Maradona, Zinedine Zidane, and Lionel Messi. This book is an excellent access point for students, researchers, and anyone wanting to know more about soccer.

Javier Hernandez - better known to legions of Manchester United fans as Chicharito - is one of the most exciting young talents in football today.Born in Guadalajara, Mexico, Hernandez joined his local club C D Guadalajara at the age of nine and signed his first contract at 15. Making his full debut in 2006, he impressed in the Mexican league so much that he caught the eye of a Manchester United scout in 2009. He signed for United on 8 April 2010 and scored on his debut in the MLS All-Star Game on 28 July. Since then, Hernandez has continued to light up the Old Trafford pitch, becoming a firm favourite with fans (who voted him Sir Matt Busby Player of the Year in 2011) and scoring vital goals for the

club. He became the first player since Ruud van Nistelrooy to score more than 20 goals in his debut season as United clinched a record-equalling 19th Premier League title, and despite some injury concerns in the opening half of the 2011/12 season, he has continued to be a major player for United. Still only 24 years old, the 'little pea' has committed himself to United until 2016 and looks set to help the Reds to yet more glory. This is his fascinating story.

The author of Say Her Name shares a deeply personal memoir of grieving the loss of his wife—and confronting the troubled city where she grew up. Five years after his wife’s untimely death, Francisco Goldman decided to overcome his fear of driving in Mexico City. The widower and award-winning writer wanted to symbolize his love and enduring grief by fully embracing his late wife’s childhood home and the city that came to mean so much to them. The Interior Circuit is Goldman’s chronicle of his personal and political awakening to the nuances of this unique city as he learns to navigate the “circuito interior,” a network of highway-like roads that crisscross the traffic-plagued city. Many regard Mexico’s capital—then known as the “DF” or Distrito Federal—as a haven from the many social ills and violence that wracks the rest of the country. Goldman’s account reveals the more complicated truth. As Mexico’s narco war raged on and the Institutional Revolutionary Party (the PRI) returned to power in the summer 2012 elections, the DF’s special apartness came under threat. When organized crime-related violence and death erupt in the summer of 2013, Goldman sets out to try to understand the new challenges facing the city. Part travelogue, part memoir, and part political reportage, The Interior Circuit “is so sneakily brilliant it’s hard to put into words. . . . It is also, in the finest sense, a book that creates its own form” (Los Angeles Times).

The whole story of the Manchester United superstar This is a story of the little boy with footballing stardom in his family (his father played for Mexico), who the coaches thought would be too small for the rigors of the professional game, and how he proved everyone wrong, reaching the pinnacle of the game with World Cups, Premiership titles, and Champions League finals. Javier Hernandez, El Chicharito ("The Little Pea," so named for his green eyes), is rapidly becoming one of the most idolized young soccer stars on the planet. After an amazing World Cup debut for Mexico, he left Guadalajara and started his dream career at Manchester United. He was initially expected to be a bit part player learning his apprenticeship, but instead instantly became a hit with fans both on and off the field, cementing his place with 20 goals and a lightning pace as the club's leading striker alongside Wayne Rooney. Using sources from Guadalajara to Old Trafford, this totally unofficial book gets closer to the real Chicharito than any other source so far.

Describes the politics and publicity behind the 2007 business venture in which David Beckham joined the Los Angeles Galaxy soccer team in an attempt to popularize the sport in the United States.

Examines the history and national characteristics of modern Mexico, discussing the contradictions of its politics, its complicated relationship with the United States, and its possible future direction. Reprint.

Are you a Man United fan? Do you want to improve your English skills? Then Manchester United: The History So Far is the perfect book for you. It's a short history of our great club, written for people who find English difficult, but want to get better. The English is easy to read, and after each chapter there is a fun grammar or spelling task, all about football and United.The book covers all the main events in United's history: the beginning, in 1878, when the Newton Heath football club was set up for railway workers; the name change to Manchester United, and the difficult times when the club almost went out of business; the glory of the Busby Babes; the terrible night in Munich when eight players were killed in a plane crash; the great team of Best, Law and Charlton in the 60s; the pain of relegation in 1974; the wonderful Sir Alex Ferguson years, when the club were the kings of both England and Europe. The story finishes as the 2016-17 season begins under new manager Jose Mourinho. In addition, three chapters tell about Manchester United legends: Duncan Edwards, Eric Cantona and Wayne Rooney."e;Linking football and English learning is such a great idea. This book combines lovely storytelling with tips for improving grammar and spelling. It's ideal for football fans who want to find out more about their club and improve their English at the same time."e; Ruth Miskin OBE, creator of the most popular literacy programme in the UK and long time government adviser.

Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

Red Man Walking

A Mexico City Chronicle

Llamado por el destino, con el futbol como herencia, Javier Hernández Balcázar nació para brillar en las canchas. Nieto e hijo de seleccionados nacionales que participaron en Copas del Mundo, el Chicharito representa a la nueva generación de futbolistas mexicanos cuyo terreno de juego es el mundo. Desde sus modestos orígenes en las fuerzas básicas de las Chivas de Guadalajara, hasta sus éxitos en el Manchester United, este libro sigue las andanzas de Hernández en su camino hacia la línea de fondo. El Chicharito es delantero de la vida, anotador de triunfos que todo México celebra.

In this authoritative and fascinating book, Frank Worrall takes a look behind the facts and fiction of the five men who have worn the number seven shirt with the most distinction. With the help of players, journalists, and a psychologist, he analyzes what made Best, Robson, Cantona, Beckham, and Ronaldo tick, and assesses their credentials for a permanent place in the Old Trafford hall of fame. He looks at how 10 years after the tragedy, Best finally ripped away the cobwebs of Munich by winning the European Cup almost single-handedly for United; how Robson battled manfully to lift United at a time when they were mired in mediocrity; how Cantona turned the club back into winners after that long, dismal spell in the wilderness; how Beckham's stardust led to the end of Sir Alex Ferguson's personal holy grail with that audacious European Cup win in 1999; and how Ronaldo has offered hope and glitter to a United in transition. This is the full, no-holds-barred story of Manchester United's own Magnificent Sevens—the good, the bad, and the ugly.

Una biografía no oficial para los fans del Chicharito: un recuento de su vida y una celebración de su talento en más de 70 fotografías. "Cuando uno juega, debe aprender a aceptar tanto los malos como los buenos tiempos. La confianza es parte del futbol." Escrito por un especialista británico, este libro relata cómo el mexicano Javier Hernández triunfó en Inglaterra y se volvió un ídolo para la afición del Manchester United, el equipo más popular en el país que inventó el futbol. Publicado originalmente en Gran Bretaña y dirigido a la afición inglesa, el libro, profusamente ilustrado con fotografías, cuenta la historia de este joven con una gran herencia futbolística, de quien se pensaba que era demasiado pequeño para el rigor del juego profesional. Quien ahora es uno de los jóvenes futbolistas más idolatrados demostró que todos estaban equivocados cuando llegó a la cima del deporte mundial con el reconocimiento de los premios internacionales, los títulos en la Premier League y su llegada a la Champions League. "Es increíble cómo puede cambiar la vida... Justo ahora podría estar en un trabajo de oficina en México. Pero tienes que creer en ti mismo. Muchas personas no creían en mí durante mi primer año en el Guadalajara, pero mi familia y mi agente sí lo hicieron, y yo también."

Promising to reveal everything that his official autobiography did not, this is an objective picture of the Manchester United former captain, from his early days to his golden era, and his tumultuous relationship with United's Manager leading to being kicked out of the club.

This fully updated edition of the international bestseller includes Pep Guardiola's Bayern years and his decision to join Manchester City Pep Guardiola is the most successful and sought after football coach in the world. After being appointed first-team manager in 2008, he transformed Barcelona into arguably the greatest club side of all time, winning an unprecedented thirteen trophies in four years. Following a shock sabbatical from the game, he replaced Jupp Heynckes at the helm of Bayern Munich at the start of the 2013-14 season, twice winning the Double in his three years in charge. He then announced that he would be joining Manchester City for the 2016-17 season, thereby beginning what could prove to be his greatest challenge yet: turning them into a team that consistently wins in the most difficult of leagues and a regular challenger in the Champions League. . . . and doing it the Guardiola way. Guillem Balagué has followed Pep's career from the outset and has had direct access to the man and his inner circle. This then is the definitive portrait of Pep Guardiola and his relentless pursuit of footballing perfection.

In Masters of Modern Soccer, Sports Illustrated writer Grant Wahl asks: How do some of the game's smartest figures master the craft of soccer? By profiling players in every key position (American phenomenon Christian Pulisic, Mexican superstar Javier "Chicharito" Hernández, Belgium's Vincent Kompany, Spain's Xabi Alonso, Germany's Manuel Neuer) and management (Belgium coach Roberto Martínez and Borussia Dortmund sporting director Michael Zorc), Wahl reveals how elite players and coaches strategize on and off the field and execute in high pressure game situations. Masters of Modern Soccer is the definitive thinking fan's guide to modern soccer. For a supporter of any team, from the U.S. national teams to Manchester United, or any competition, from Mexico's Liga MX to the World Cup, this book reveals what players and managers are thinking before, during, and after games and delivers a true behind-the-scenes perspective on the inner workings of the sport's brightest minds. America's premier soccer journalist, Grant Wahl, follows world-class players from across the globe examining how they do their jobs. This access imbues Masters of Modern Soccer with deep insight from the players on how goalkeepers, defenders, midfielders, and forwards function individually and as a unit to excel and win. Wahl also shadows a manager and director of soccer as they juggle the challenges of coaching, preparation, and the short- and long-term strategies of how to identify and acquire talent and deploy it on the field. A book that will stand the test of time, Masters of Modern Soccer is the most in-depth analysis of the craft of soccer ever written for the American fan. For any fan, player, coach, or sideline enthusiast, this book will change the way they watch the game.

Daze of the Dead

Bold and inventive in style, City of Night is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

Those who practice the Muslim faith have resisted examinations of their religion. They are extremely guarded about their religion, and what they consider blasphemous acts by skeptical Muslims and non-Muslims alike has only served to pique the world's curiosity. This critical examination reveals an unflattering picture of the faith and its practitioners. Nevertheless, it is the truth, something that has either been deliberately concealed by modern scholars or buried in obscure journals accessible only to a select few.

In 2000, Mexico's long invincible Institutional Revolutionary Party (PRI) lost the presidential election to Vicente Fox of the National Action Party (PAN). The ensuing changeover--after 71 years of PRI dominance--was hailed as the beginning of a new era of hope for Mexico. Yet the promises of the PAN victory were not consolidated. In this vivid account of Mexico's recent history, a journalist with extensive reporting experience investigates the nation's young democracy, its shortcomings and achievements, and why the PRI is favored to retake the presidency in 2012.Jo Tuckman reports on the murky, terrifying world of Mexico's drug wars, the counterproductive government strategy, and the impact of U.S. policies. She describes the reluctance and inability of politicians to seriously tackle rampant corruption, environmental degradation, pervasive poverty, and acute inequality. To make matters worse, the influence of non-elected interest groups has grown and public trust in almost all institutions--including the Catholic church--is fading. The pressure valve once presented by emigration is also closing. Even so, there are positive signs: the critical media cannot be easily controlled, and small but determined citizen groups notch up significant, if partial, victories for accountability. While Mexico faces complex challenges that can often seem insurmountable, Tuckman concludes, the unflagging vitality and imagination of many in Mexico inspire hope for a better future.

The first of Nobel Prize winner Peter Handke's novels to be published in English, The Goalie's Anxiety at the Penalty Kick is a true modern classic that "portrays the...breakdown of a murderer in ways that recall Camus's The Stranger" (The New York Times). The self-destruction of a soccer goalie turned construction worker who wanders aimlessly around a stifling Austrian border town after pursuing and then murdering, almost unthinkingly, a female movie cashier is mirrored by Handke's use of direct, sometimes fractured prose that conveys "at its best a seamless blend of lyricism and horror seen in the runes of a disintegrating world" (Boston Sunday Globe).
