

Childrens Book Daddy Swallowed A Hedgehog Funny Bedtime Story Collection

When her university professor father is sent by the Gestapo to a concentration camp, seven-year-old Anna travels the Polish countryside with the mysterious Swallow Man during World War II. Students, heed this little rhyme: When it's science project time, Do not make loon, or glop, or grime, And never mess with mutant slime.

John Klassen's I Want My Hat Back meets Lucy Ruth Cummins's A Hungry Lion in this hilarious, deadpan story about a creature looking for a new friend after eating his last one. A little creature is looking for a new friend, but he's not having any luck. Why is he looking for a new friend? Because he ate his old one. Heidi McKinnon delivers a hilariously macabre story with colorful illustrations and a satisfying, dry wit.

Mythology is important because it explains where the origins of ideas come from. Take note that different cultures have different beliefs. This book, for example, features the story of Cronus. It explains the strength of a mother's love and the consequences of trying to run away from the fear of retribution. Will your fourth grader understand the story of Cronus? Find out today!

The Evolution Man

"Astonishing"—The New York Times Book Review A brilliantly funny, highly illustrated story about how a little ink spot changes a family forever. Perfect for those who love Hoot, Holes, or Frindle! The Rylance family is stuck. Dad's got writer's block. Ethan promised to illustrate a group project at school—even though he can't draw. Sarah's still pining for a puppy. And they all miss Mom. Enter Inking. Inking begins life in Mr. Rylance's sketchbook. But one night the ink of his drawings runs together--and then leaps off the page! This small burst of creativity is about to change everything. Ethan finds him first. Inking has absorbed a couple chapters of his math book--not good--and the story he's supposed to be illustrating for school--also not good. But Inking's also started drawing the pictures to go with the story--which is amazing! It's just the help Ethan was looking for! Inking helps the rest of the family too--for Sarah he's a puppy. And for Dad he's a spark of ideas for a new graphic novel. It's exactly what they all want. It's not until Inking goes missing that this family has to face the larger questions of what they--and Inking--truly need. • A New York Times Notable Book • A New York Public Library Best Book of the Year -- top ten selection • "A true-to-life family, some can't-put-it-down excitement, a few deep questions, and more than a little bit of magic. This book is everything, and I loved every page." —Rebecca Stead, Newbery Medalist for When You Reach Me

She started the first free kindergarten in San Francisco in 1878 (the Silver Street Free Kindergarten). Kate Wiggin devoted her adult life to the welfare of children in an era when children were commonly thought of as cheap labor.

The fairy tale lives again in this book of forty new stories by some of the biggest names in contemporary fiction. Neil Gaiman, "Orange" Aimee Bender, "The Color Master" Joyce Carol Oates, "Blue-bearded Lover" Michael Cunningham, "The Wild Swans" Teseo and more than thirty other stories by Francine Prose, Kelly Link, Jim Shepard, Lydia Millet, and many other extraordinary writers make up this thrilling celebration of fairy tales—the ultimate literary costume party.

Spinning houses and talking birds. Whispered secrets and borrowed hope. Here are new stories sewn from old skins, gathered by visionary editor Kate Bernheimer and inspired by everything from Hans Christian Andersen's "The Snow Queen" and "The Little Match Girl" to Charles Perrault's "Bluebeard" and "Cinderella" to the Brothers Grimm's "Hansel and Gretel" and "Rumpelstiltskin" to fairy tales by Goethe and Calvino and from China, Japan, Vietnam, Russia, Norway, and Mexico. Fairy tales are our oldest literary tradition, and yet they chart the imaginative frontiers of the twenty-first century as powerfully as they evoke our earliest encounters with literature. This exhilarating collection restores their place in the literary canon.

Guide to Building Early Literacy Skills

"Powerful and disturbing. No one who cares about the future of our public life can afford to ignore this book." —Jackson Lears A powerful sequel to Benjamin R. Barber's best-selling Jihad vs. McWorld, Consumed offers a vivid portrait of an overproducing global economy that targets children as consumers in a market where there are never enough shoppers and where the primary goal is no longer to manufacture goods but needs. To explain how and why this has come about, Barber brings together extensive empirical research with an original theoretical framework understanding our contemporary predicament. He asserts that in place of the Protestant ethic once associated with capitalism—encouraging self-restraint, preparing for the future, protecting and self-sacrificing for children and community, and other characteristics of adulthood—we are constantly being seduced into an "infantilist" ethic of consumption.

Helen Kells and Alma Carneggie couldn't be more different: Helen makes a living as a single-mum and partner in a London law firm, while Alma lives a privileged life as the wife of a Milanese industrial aristocrat. Yet, their lives are haunted by the same tragedy: the mysterious death of Luca Carneggio, Alma's son and Helen's lover- and the father of Helen's teenage daughter Emmy, an illegitimate child and therefore a disgrace to the Carneggio family. While Alma drifts through her days on painkillers and tranquilizers, hiding in her family's estate, Helen is keeping up the façade of a tough self-made woman. But in her quiet moments, only a ghost Luca keeps her company - and her resentment towards the Carneggios alive. She blames them for the dreams she had to give up. But as Emmy turns into a young adult, this truth is being challenged - until it finally falls apart. The reader follows Alma and Helen on their winded - and sometimes funny - ways to come to terms with their past, finding a new way of being after having lost what they loved the most. When Alma is suddenly stripped of her family corset, she begins to meeting her only granddaughter. But is it too late for a new beginning?

Anna and the Swallow Man

Jim Gaffigan never imagined he would have his own kids. Though he grew up in a large Irish-Catholic family, Jim was satisfied with the nomadic, nocturnal life of a standup comedian, and was content to be "that weird uncle who lives in an apartment by himself in New York that everyone in the family speculates about." But all that changed when he married and found out his wife, Jeannie "is someone who gets pregnant looking at babies." Five kids later, the comedian whose riffs on Hot Pockets to Jesus have scored millions of hits on YouTube, started to tweet about the mistakes and victories of his life as a dad. Those tweets struck such a chord that he soon passed the million followers mark. But it turns out 140 characters are not enough to express all the joys and horrors of life with five kids, so he's now sharing it all in Dad Is Fat. From new parents to empty nesters to Jim's twenty-something fans, everyone will recognize their own families in these hilarious takes on everything from cousins ("celebrities for little kids") to growing up in a big family ("I always assumed my father had six children so he could have a sufficient lawn crew") to changing diapers in the middle of the night ("like The Hurt Locker but much more dangerous") to bedtime (aka "Negotiating with Terrorists"). Dad Is Fat is sharply observed, explosively funny, and a cry for help from a man who has realized he and his wife are outnumbered in their own home.

Instant Father Mark Richards opened the door to his bachelor apartment and there they were—a little boy and girl, and a baby. Looking to "Uncle Mark" for care and shelter...since his late brother's widow had vanished without a trace. Instant Danger Desperate, he hired P.I. Kerri Kincaid to find the missing woman. But the seemingly simple case turned sinister...and when danger drove Kerri into his home, desire drew her into his arms.... Instant Family? Watching over Kerri and the children roused instincts Mark hadn't experienced. He wanted to protect them. To keep them close. And to just plain keep them...

To the constant disappointment of his mother and his teachers, Joey has trouble paying attention or controlling his mood swings when his prescription medications wear off and he starts getting worked up and acting wired.

Tom is a busy little boy but his daddy is always there to help.

There Was an Old Lady Who Swallowed Some Books!

The Children's Book of Poetry

You won't believe why the Old Lady swallowed a cow, some hay, a pig, a duck, a horse, a sheep, and a fiddle! There was an old lady who swallowed a cow. I don't know why she swallowed a cow but she did it somehow!The latest addition to Scholastic's bestselling series by Lucille Colandro and Jared Lee is a fully illustrated board book, perfect for the youngest readers.

This carefully crafted eBook: "The Amazing History of England - Children's Book with Original Illustrations" is formatted for your eReader with a functional and detailed table of contents. A Child's History of England is a history book written for children. Dickens dedicated the book to "My own dear children, whom I hope it may help, bye and bye, to read with interest larger and better books on the same subject". The history covers the period between 50 BC and 1689, ending with a chapter summarizing events from then until the accession of Queen Victoria. Charles Dickens (1812-1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is regarded as the greatest novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the twentieth century critics and scholars had recognized him as a literary genius. His novels and short stories enjoy lasting popularity.

THE FUDDY DUDDY DADDY Richard Austin Maxwell liked the nickname Mom gave him. She called him Pancake because that was his favorite food, and no matter how many he ate, he never tired of pancakes. Richards favorite sport was baseball, and his favorite place to play it was in Chautauqua Park. When Richards Mom visited his grandparents for a week, Pancake complained to his sister Skippy that it would be an awful week with their embarrassing and boring Fuddy Duddy Daddy in charge. Could Richard survive the week with Dad cooking pancakes and playing baseball, something Mr. Maxwell never does, or would the week become a disaster?

Perfect for any young reader interested in music, families who love music, and a must-have staple for music classrooms, this funny picture book is an amusing introduction to the instruments in an orchestra, featuring clever rhymes and whimsical illustrations. Meet a shy fellow! He's hard to notice, but he's right at the side of the room listening to a duet for cello and viola. But look again -- our shy fellow suddenly has an urge to swallow a **HUGE** cello, which is precisely what he does. And he doesn't stop there! He also swallows a harp, a saxophone, and a fiddle while trying to satisfy his voracious appetite for musical instruments. But when he swallows a teensy, tiny, little bitty bell, you won't believe what happens! In this take-off on a classic children's song, kids will laugh out loud and learn all about musical instruments with this story that's a melodious mix of fun and frivolity.
