Adam Grant, the bestselling author of Give and Take, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and

The girl conjures up an imaginary companion — a lion — who will join her on the long walk home from school. He will help her to pick up her baby brother from daycare and shop at the store (which has cut off the family ' s credit), and he ' ll keep her company all along the way until she is safely home. As **The Giving Tree** turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

Walk with Me

Loud, scary noises frighten a child until quiet and calmness return.

Everyone knows there are no lions in the forests of South America . . . or are there? Toucan heard it first. It was deep. It was growly. It was a deep, growly growl. And that can mean only one thing: THERE'S A LION IN THE FOREST! But how can that be? Everyone knows that lions don't live in tropical forests. But the growls keep coming—and now even Capybara and Coati are anxious, especially when they get a glimpse through the trees of a long, terrifying tail and a thick, menacing mane . . . With a rhythmic text that begs to be read aloud, Mônica Carnesi's clever tale illustrates the importance of not rushing to conclusions. Young readers will get a kick out of sleuthing along with the forest animals as they try to get to the bottom of this sweetly suspenseful mystery.
