All Things Made New

"Who do you say that I am?" Christ's contemporaries ascribed many names and titles to Him, as we see recorded in the New Testament. Each one tells us something different about who Jesus is. In this book, Eric Sammons frames a series of thoughtful reflections on the names of Jesus in the Gospel of Matthew with references from the Church Fathers, saints, and Doctors of the Church. He "translates" the depth of the mystery of the Faith so you can discover new dimensions of the person of Christ and new ways to recognize and welcome Him into your life. "This volume exemplifies what the world Synod of Bishops recently called for: sound biblical resources that help people encounter

Commentary on Sacred Scripture "Eric Sammons knows how to cut to the chase with grace and aplomb. Who Is Jesus Christ? is the most important question that has ever been asked in the history of the human race and he ably helps us answer it -- and all the deepest longings of the human heart -- through the Christ he serves so well."

-- Mark P. Shea, Author, Mary: Mother of the Son

"Drawing on his own faith journey and his personal experience, Eric Sammons demonstrates how the lived Word of God -- reflected in the lives and writings of the saints and prayers of the Church -- can help us to better know Jesus and to strive to form our daily lives into his

"Christianity is a religion founded on the mystery of the cross of Christ." --Leo the Great At the center of Christianity sits the cross of Christ. From the beginning, Christ's followers celebrated the cross as a symbol of their faith. It was honored in church worship, carved into

rough tombstones, pressed onto loaves of bread and set out as a sign of sanctuary. The cross represented what Christians believed, who they hoped for and how they approached life. In this thoughtful book Judith Couchman takes up forty images of the cross from early Christianity. As we discover the meaning and significance of each of these uses, we learn a little more about the early church. More than that, she helps us focus on the meaning of the cross and the Savior's sacrifice. Ideal for Lenten devotional reading and appropriate for any season of the church calendar, this book includes original illustrations of each cross image. The Mystery of the Cross will enrich your understanding of Christian tradition and draw you into Christ's

"By returning to the methodology of the early Church, Fr John Behr, a renowned patristics scholar, invites readers to approach the mystery of Christ in the same way that the first disciples of Jesus Christ learned theology. His vision of Christian theology, written in a systematic manner, offers a way out of the problems that have beset theology and scriptural study in recent centuries."--BOOK JACKET.

The Mysteries of Christ

All Things Made New explores the Christian mysteries in the tradition of St. John the Evangelist, and Mary, the Mother of Jesus, by studying the symbolism, cosmology, and meaning of the Book of Revelation, as well as the prayers and meditations of the Rosary, including the Apostles' Creed and the Our Father. These reflections lead us step by step to the foot of the Cross, and to the Wedding Feast of the Lamb, where all things are made new. "A lucid and thoughtful exposition of what is, by

"The time may be right for just such a book as this, which takes seriously both the book of Revelation and the richness of the 'Here comes everybody' that is Catholic culture, which has a lively message to address to our bruised and battered world today." - Nicholas King, The Tablet

"All Things Made New is a serious book about the most serious of things, the mysteries of

faith, which all of us should encounter frequently and grasp ever more deeply. A book that will leave the reader wiser, holier, and both ready to practice the faith and eager to share it." - Fr. C. John McCloskey, National Catholic Register

This book will start with the earliest Christian textual evidence, the letters of Saint Paul, as a foundation to reveal surprising details in the history of the early Church that have been hidden in plain sight for almost two thousand years: (1.) that Saint Peter and Saint Paul became enemies; (2.) that according to some early Christians, Jesus was both the Messiah and the

Antichrist, but not God nor the Son of God; (3.) that James, the brother of Jesus, rejected the original teaching of Jesus in order to further his own claim to be the Messiah; (4.) that the apostle Paul actually failed more than he succeeded during his lifetime; (5.) that Christians were instrumental in the First Jewish Revolt; and (6.) that Jesus did claim to be both the Son of God and God. The evidence is laid out logically in a new way. But the evidence is not new; it is on your shelf right now. The Bible implores us to take a long look at Jesus, forcefully beckoning us to “come and see” through profound questions connected with Jesus’ death and

resurrection. These questions drive us to consider not just the events themselves but also their meaning as we take a long look beneath the surface and find more of the never-ending treasures of Christ. In Captivated, Thabiti Anyabwile invites you to set aside your early lessons on politeness and stare (yes, do stare) into the mystery of the cross and empty tomb. Table of Contents:

The Lost Gospels of Mariam & Judas

Selected Writings from St. Maximus the Confessor

Mysticism has a place in all the major world religions. This book begins with the assertion that Christian Mysticism, in its most essential state, is the mystery of Christ's union with God. Certain major theologians including Albert Ritschl and Karl Barth have stood in opposition to the concept of mysticism and have even suggested that it is opposite to the heart of the Gospel and indeed the whole Bible. Yet Bouyer here makes a strong argument for understanding Mysticism as central to the Christian faith. This analysis of mysticism is contrasted with its place in pagan religions and its role throughout Christian history. In so doing, Bouyer reveals the

significance of mysticism for understanding the meaning of life.

And that this extraordinary mystery, now being revealed, is St. Paul's Gospel yet to be preached by the Church. In fact, the word "mystery" is seen eighteen times in his epistles, whereas in the gospels of Matthew, Mark, Luke and John the word mystery can be found just once, or not at all depending on which version of the Bible. With compelling and often humorous stories from his own life, Bible scholar Peter Enns offers a fresh look at how Christian life truly works, answering questions that cannot be addressed by the idealized traditional doctrine of “once for all delivered to the saints.” Enns offers a model of vibrant faith that views skepticism not as a loss of belief, but
