Inez Urso is beginning to have her doubts. If so, she'd be happy to experience more, despite her determination not to mix business with pleasure. Well, if not forever, at least two hundred years. Inez is the most beautiful woman he's seen in centuries. Those luscious lips, seductive curves, and her elegant neck . . . he just couldn't resist the temptation of one little bite. Sinners: Book One
“Evil lives in the dark. We instinctively know this as children.” Nestled high in the mountains of Tennessee, a community exists where everyone knows your name and species. Voted by readers as one of the top 10 books in Paranormal Romance in 2011. Since the beginning of time there have been vampires, but not in the way we’ve been led to believe. Part one: When Stacy catches her neighbor biting the pizza delivery man, everything in her world changes. With Brandon’s other-worldly good looks and charm, Stacy isn’t as surprised as should be.

Unfortunately, her easy acceptance of him lands her in the middle of a battle as old as time-- the war between vampires and werewolves. Part two: Serving drinks in a questionably clean bar isn’t how Cherish pictured her life would turn out, but when an attack by a vampire leaves her cursed to live in the dark, she doesn’t have many job opportunities available to her. Living as a taint means living in hiding, and Jackson Station seems like just the place. It’s high in the mountains and no one ever comes there. That is, until Jazz Anderson shows up. His mysterious behavior and punishment—and then there’s vengeance. Find both in book four of Tiffany Reisz’s fan-favorite Original Sinners series... Nora Sutherland is in handcuffs, held captive by two men. Under different circumstances, she would enjoy the situation immensely, but her captors aren’t interested in play. Or pity. As the reality of her impending peril unfolds, Nora becomes Scheherazade, buying each hour of her life with stories—sensual tales of Siren, Kingsley and Wesley, each of whom has tempted and tested and tortured her in his own way. This, Nora realizes, is her life: nothing so simple, so vanilla, as a mere love triangle for her. It’s a knot in a silken cord, a tangled mass of longings of the body and the heart and the mind. And it may unravel at any moment. But in Nora’s world, no one is ever truly powerless—a cadre of her friends, protectors and lovers stands ready to do anything to save her, even when the only certainty seems to be sacrifice and heartbreak.... The next 336 hours will be tough. No, the next 336 hours will be really tough... I feel like an Olympian, waiting to see whether the years of hard work, sacrifice and dedication are finally going to pay off, or whether my body is about to fail me at the last hurdle and make me wonder why I ever hoped I could win. My best friend is pregnant, my single friends are planning their pregnancies and, after five long years of tests and investigations, I'm coming to the end of my third - and supposedly final - IVF treatment. There are 336 hours to survive before I'll know if I get to join the interclub club. That's 224 waking hours of pure psychological torture. 112 sleeping hours to stare at the ceiling and wonder, what the hell am I going to do with my life if it turns out I can't have kids? Based on the author's true life experiences, 336 Hours is a humorous and poignant diary about one woman's quest to be a mother.

The Mistress

An Argeneau Novel

Wanting More (a Mitchell Family Series Book 5)

The Rogue Hunter

Nicholas Argeneau is not your typical rogue hunter in The Renegade Hunter, the latest installment of the Rogue Hunter series from New York Times bestselling author Lynsay Sands. Though he spent centuries targeting vampires who break the immortal laws, for the past 50 years Nicholas has been a rogue himself. But then he saves a beautiful mortal from a terrifying bloodsucker, and everything changes . . .

Ever since an accident turned her into a knockout vamp, Elvi Black’s been catching her z’s in a coffin, staying out of the sun, and giving up garlic. She knows there’s more to being undead than what she saw in Dracula, but she can’t very well ask her mortal friends about proper biting etiquette. But when her neighbors placed a personal ad for her in the local paper, she never imagined she’d meet Victor Argeneau, a vampire who could have his pick of any woman—dead or alive. Rich, powerful, and drop—dead gorgeous, Victor’s the perfect man for a novice neck—biter like Elvi. He’s willing to teach her everything he knows, but he’ll have to do it fast. Someone’s out to put a stake through her new vamp life, and only Victor can keep her safe—and satisfied—for all eternity.

Even vampires need a vacation. But Decker Argeneau’s ends abruptly when he’s asked to help hunt the group of rogue vampires targeting mortals – one that might include a defector in his own family. Before he can worry about that, though, he’s got to rescue the latest victim. It’s all part of the job, including taking a bullet for a beautiful doctor. Dr. Danielle McGill doesn’t know if she can trust the man who just saved her life. There are too many questions, such as what is the secret organization he says he’s part of, and why do his wounds hardly bleed? However, with her sister in the hands of some dangerous men, she doesn’t have much choice but to trust him. Except now Decker’s taking about life mates and awakening a passion that’s taking Dani beyond anything she’s ever known. Being undead may not be half-bad...especially if it means spending forever with a man who would love her with his mind, body, and immortal soul.
