Challenger and Charger Hellcats are the most powerful American production cars today. The outrageous performance and audacious styling has earned a large and dedicated following. However, you can tune and modify the Chrysler 300, Dodge Magnum,

Download Free Chrysler Collectors Guide

Charger, and Challenger for more performance, and for many owners, fast is not fast enough. In the pursuit of a higher-performing LX-platform car, former Mopar Muscle editor Randy Bolig has created this book to show you how to extract ultimate

performance from these cars. Chrysler has built more than one million Chargers, Challengers, and other full-size-platform cars starting with the Dodge Magnum and Chrysler 300. These cars offer competent handling, braking, and suspension performance,

Download Free Chrysler Collectors Guide

but they can be made much better through a set of targeted upgrades using better aftermarket equipment. Bolig gives you a comprehensive guide to the cars and engines. He details the features, benefits, and drawbacks of each package or set of upgrades, so you

In 1999, MCI WorldComm and Sprint agreed to merge.

Valued at \$129 billion, this expected transaction was the largest in history. However, it

Download Free Chrysler Collectors Guide

fell victim to regulators in Europe concerned with the potential monopoly power of the merged firm. This M&A action was merely the latest in a growing trend of "blockbuster" mergers over the past several years. Once a

Download Free Chrysler Collectors Guide

phenomenon seen primarily in the United States, mergers and acquisitions are increasingly being pursued across national boundaries. In short, acquisition strategies are among the most important corporate-level strategies in

Download Free Chrysler Collectors Guide

the new millennium. The need for clear, complete, and up-to-date guide to successful mergers and acquisitions had never been greater. This book more than fills that need. Looking at successful--and unsuccessful--mergers and

Download Free Chrysler Collectors Guide

acquisitions in a number of different industries, Mergers and Acquisitions: A Guide to Creating Value explains how to conduct an acquisition and how to avoid pitfalls that have doomed many such ventures. The authors take the reader

Download Free Chrysler Collectors Guide

step-by-step through the process, starting with the elements of a successful merger, due diligence to ensure that the target firm is sound and fits well with the acquiring firm, and how mergers and acquisitions are

Download Free Chrysler Collectors Guide

financed. They move on to explore how firms find partners/targets for acquisitions that have complementary resources and how to find partners with which integration and synergy can be achieved. Finally, they

Download Free Chrysler Collectors Guide

discuss the potential hazards found in M&A's and how to avoid them, how to conduct successful cross-border acquisitions, and how to ensure that ethical principles aren't breached during the process. Based on 15 years of

research, this essential guide goes beyond specific case studies to cover all aspects of these ventures, making it required reading for all managers seeking to build a successful strategy.
