

## Cinema For Spanish Conversation 4th Edition Spanish And English Edition

Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women.

**THE #1 AMAZON HORROR BESTSELLER!** **‘THE STONE MAN** is a novel that intrigues, enthralns, horrifies, thrills, and hits the reader with an emotional resonance as only the best stories can. “Ain’t It Cool News Nobody knew where it came from. Nobody knew why it came. Even so, for two-bit (and antisocial) reporter Andy Pointer, the appearance in his city of a man made of moving stone meant the scoop of a lifetime. He would soon learn that The Stone Man was much more – and much worse – than that. This is Andy’s account of everything that came afterwards, and the people that were lost along the way, of the terrible price that he, and the rest of his country, had to pay.The destruction. The visions. The dying. **PRAISE FOR ‘THE STONE MAN’:** “Once again believable characters and a mind blowing story, and when Luke Smithner is recognised as the great writer he is he is bound to be compared to the likes of James Herbert and Stephen King.”-Scrooby1, Amazon UK Review “Tremendous. I was looking for something completely original and different, this nailed it spot on. Highly recommended.”-Neil Novita, Amazon USA Review “I have owned a Kindle for about 2 years and downloaded some excellent books for very little cost but Luke Smithner’s works beat the lot.”-Silversmith, Amazon UK Review “This ebook was fantastic and totally different from any other sci-fi thriller I’ve ever read...I kept thinking ‘What if...what if...’-Carl Law, Amazon US Review “It was one of those books where you tell yourself you will read just one more page, then look at the clock and realise that it’s 2 hours later. I would thoroughly recommend it!”-Elaine Hodgson, Amazon UK Review “As soon as I started reading I was completely sucked in, which very rarely happens for me. I couldn’t wait to get home and read it each night. I laughed. I cried. I did actual real life gasps of horror.”-Katie, Amazon UK Review “Fantastically written characters who make you care about them right from the off, an unfathomable villain who defies all understanding and a supporting cast that flesh out the story beautifully.”-Andy Pettifer, Goodreads Review “I spend a lot of time trawling through the kindle book store looking for cheap books, relying on reviews to make my purchases. I have come across some less than average books using this method, but also some real gems. This book definitely falls into the latter category. It had me gripped from page one right through to the Alternative Ending Synopsis at the end. The other reviews leave me little to say other than thanks Luke.”-Steve Sut, Amazon UK Review “So good the first time I read it but it dawned on me to download his other two books.”-Miss H. L. Smith, Amazon UK Review “This book starts with a bang and doesn’t let up. I read this in two sittings. Recommended.”-DickyDavis, Goodreads review “A very enjoyable read and cracking value at the price.Do not be put off by Science Fiction or Horror in the title if they are not your bag, this is an intelligent and thought provoking read. Highly recommended.”-Dave Osborn, Amazon UK Review “I literally found this hard to stop reading.I wanted to know the answers.I have been around a good while so I had all of Asimov, Heinlein, Bradbury etc. and I would genuinely put this author in the same class as these class acts.”-K Murphy, Amazon UK Review “...so my 5-star review? That’s five stars in comparison to REAL books; not just the stuff you’ll find self-published on Kindle. The Stone Man is the sort of book that, if I’d splashed ten quid on in an airport or train station, bookstore, I’d have considered it money well-spent.”-Militant Ginger, Amazon USA Review A full-length novel. 140,000 words. FROM THE AUTHOR OF ‘THE PHYSICS OF THE DEAD’ AND ‘THE BLACK ROOM’ SERIES, ALSO AVAILABLE ON THE KINDLE STORE.

In 1971, a skyjacker with a briefcase bomb demanded a \$200,000 ransom and a parachute. Then he vanished out the jet’s back door and became an instant legend. Now a determined citizen sleuth has assembled a forty-member cold case team, spearheaded by former FBI agents, to solve the mystery of D. B. Cooper. And after a five-year quest, they believe they have succeeded—with a fugitive at trail’s end. The team’s relentless investigation and final confrontation with the mystery man serve as the bookends in The Last Master Outlaw. The subject’s astonishing life story as a daredevil fills the remaining chapters, the bulk of which comes from the heartwarming, gut-wrenching accounts of six of his women—two former wives; his only sister; a befriended college coed; a “getaway gal” he met up with during two more FBI escapes, both again involving planes; and a Hollywood producer who was also his cocaine-trade partner. Buckle your seatbelts as this Jekyll-and-Hyde ladies’ man travels through five countries, utilizing more than a dozen identities, wigs, and fake mustaches while engaging in a half-dozen

This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

Tortured for Christ

The Book of Michael

Jungle book

The Blue Book of Grammar and Punctuation

Spanish Conversation Through Film

Crocker-Langley San Francisco Directory

*This classic story of amazing faith in shocking circumstances has been updated for a new generation. Its message remains urgent and relevant: thousands of Christians are still persecuted and tortured around the world today, suffering solely for their belief in Jesus Christ. Richard Wurmbrand endured months of solitary confinement, years of periodic physical torture, constant suffering from hunger and cold, the anguish of brainwashing and mental cruelty. His captors lied to his wife, saying he was dead. Yet he went on to tell the West the truth about Christianity behind the Iron Curtain. Millions of people have been touched by this story, and thirty years after its first publication it is now updated with a new foreword by Rob Frost, a picture section and details of the final years of Wurmbrand’s life. A special fiftieth anniversary edition of Kurt Vonnegut’s masterpiece, “a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century” (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist The Yellow Birds Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world’s great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber’s son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming “unstuck in time.” An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut’s writing—the political edge, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O’Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut’s words. Jonathan Safran Foer has described Vonnegut as “the kind of writer who made people—young people especially—want to write.” George Saunders has declared Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” Fifty years after its initial publication at the height of the Vietnam War, Vonnegut’s portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era’s uncertainties. “Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement.”—The Boston Globe*

*Being a great teacher is more than lesson plans and seating charts. In this revised and expanded new edition of the classic bestseller, you learn what it takes to be the very best educator you can be, starting from day one in your new classroom! Filled with real-world life lessons from experienced teachers as well as practical tips and techniques, you'll gain the skills and confidence you need to create a successful learning environment for you and your students, including how to: Organize a classroom Create engaging lesson plans Set ground rules and use proper behavior management Deal with prejudice, controversy, and violence Work with colleagues and navigate the chain of command Incorporate mandatory test preparation within the curriculum Implement the latest educational theories in this book, veteran teacher Melissa Kelly provides you with the confidence you'll need to step into class and teach right from the start.*

*In this second edition essential guide some 150 key genres, movements, theories and production terms are explained and analysed with depth and clarity.*

EN CONTACTO: GRAMÁTICA EN ACCIÓN is designed to put your intermediate Spanish students in touch with contemporary Hispanic culture, people, language and literature. The program stresses communication and, when used with the LECTURAS INTERMEDIAS volume, emphasizes the acquisition of reading skills and text comprehension. The video segments feature interviews with native professionals in unique cultural settings. These help demonstrate how language is used in context and help transport your students to Spanish-speaking countries. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Third Heaven: The Rise of Fallen Stars is book one of a four part series that explores the fascinating story of the Fall of Lucifer.

Written for intermediate students taking Spanish on a high school or college level, this book can be used in the classroom as a main text or as a textbook supplement. It covers every aspect of Spanish grammar and correct usage, beginning with verbs and analyzing verb tenses, the passive voice, reflexive verbs, verb usage in the subjunctive mood, imperative command verb forms, and uses of verb infinitives. The book’s subsequent sections cover nouns, modifiers, and the other parts of speech, with discussion of various interrogative forms, words that express negation, feminine forms, demonstratives and possessives, pronouns, diminutive and augmentative word formations, and more. Contemporary idioms are interspersed throughout the text, and the book’s many exercises give students plenty of solid practice. Cartoon illustrations throughout the book help to demonstrate points of Spanish grammar.

Designed for upper-level courses, the second edition of PANORAMAS LITERARIOS: ESPAÑA introduces students to the study of Spanish literature through representative works by major literary figures from the Middle Ages to the present. This anthology places a strong emphasis on literature of the twentieth and twenty-first centuries and includes some of the most influential and active writers today. The carefully chosen selections exemplify the genres of narrative, drama, and poetry, as well as the most important literary currents of the period under study. This text is part of a two-volume anthology that can be used separately or in conjunction with its companion volume, PANORAMAS LITERARIOS: AMÉRICA HISPANA.

**Cinema for Spanish Conversation, Fourth Edition, engages students in Spanish-language study through the use of feature films from across the Spanish-speaking world. Sixteen films, four new to this edition, motivates students in conversation, writing, and listening skills in addition to providing them with a broad and real-world experience with the culture of the Spanish-speaking world. New to the Fourth Edition: Four new critically-acclaimed films, including the groundbreaking documentary Presunto culpable (2008) about the Mexican criminal justice system and the Oscar-nominated No (2012) about the 1988 Chilean national referendum on Pinochet’s presidency Updated information about each film, its actors, and directors Color screen shots of the characters in the film to help students remember who’s who and to help them discuss the actions and qualities of the characters A new section of questions (Opinions) at the end of each chapter that ask students for their opinions on themes related to the film, sometimes on controversial ones, in order to facilitate active conversation A filmography appendix, which provides a list of additional films for each chapter that have similar themes or are from the same region**

**NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn’t the monster Conor’s been expecting-- he’s been expecting the one from his nightmare, the nightmare he’s had nearly every night since his mother started her treatments. The monster in his backyard is different. It’s ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.**

**Disc 1 offers 25 short tutorials, helping students see what the text describes. Disc 2 includes an anthology of 12 short films, from 5 to 30 minutes in length. Together, the DVDs offer nearly five hours of pedagogically useful moving-image content.**

Complete Spanish Grammar Review

The Last Master Outlaw

The Anomaly

No Exit

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan.

In an one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hang. This astonishingly breathlessly anticipated conclusion to the Twilight saga illuminates the secrets and mysteries of this spellbinding romantic epic. It’s here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire’s point of view. “People do not want to just read Meyer’s books; they want to climb inside them and live there.” -- Time “A literary phenomenon.” -- The New York Times

Alice in Wonderland (also known as Alice’s Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll’s prominent example of the genre of “literary nonsense” has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

In this, the sequel to ‘The Scarlet Pimpernel’, French agent and chief spy-catcher Chauvelin is as crafty as ever, but Sir Percy Blakeney is more than a match for his arch-enemy. Meanwhile the beautiful Marguerite remains wholly devoted to Sir Percy, her husband. Cue more swashbuckling adventures as Sir Percy attempts to smuggle French aristocrats out of the country to safety.

This text provides an introduction to the history and civilization of Spain. All important cultural and historical information from previous editions has been retained in this new edition, and new information about modern-day political organization and culture has been added. With added emphasis on the regional divisions of Spain and improved treatment of women, this text is an excellent vehicle for introducing intermediate or advanced students to Spanish civilization and culture.

The Third Heaven

Includes discussions about eight Spanish language films.

A New York Times bestseller and a “Best Thriller of the Year” Winner of the Goncourt Prize and now an international phenomenon, this dizzying, whip-smart novel blends crime, fantasy, sci-fi, and thriller as it plumbs the mysteries surrounding a Paris-New York flight. Who would we be if we had made different choices? Told that secret, left that relationship, written that book? We all wonder—the passengers of Air France 006 will find out. In their own way, they were all living double lives when they boarded the plane: Blake, a respectable family man who works as a contract killer. Slimboy, a Nigerian pop star who uses his womanizing image to hide that he’s gay. Joanna, a Black American lawyer pressed to log the good old boys’ game to succeed with her Big Pharma client. Victor Miesel, a critically acclaimed yet largely obscure writer suddenly on the precipice of global fame. About to start their descent to JFK, they hit a shockingly violent patch of turbulence, emerging on the other side to a reality both perfectly familiar and utterly strange. As it charts the fallout of this logic-defying event, The Anomaly takes us on a journey from Lagos and Mumbai to the White House and a top-secret hangar. In Hervé Le Tellier’s most ambitious work yet, high literature follows the lead of a bingeable Netflix series, drawing on the best of genre fiction from “chick lit” to mystery, while also playfully critiquing their hallmarks. An ingenious, timely variation on the doppehgänger theme, it taps into the parts of ourselves that elude us most.

Panoramas Literarios: Amrica hispana, 2/e, contains engaging readings by key representative authors from Latin America. Readings reflect a broad chronological range (pre-Columbian times to the present), with a strong emphasis placed on modern and contemporary literature, and include writings by Hispanics in the United States. The selections represent all literary genres and important trends of each historical period. Significant works by women authors are featured, which encourages students to explore issues of gender, race, and social class. Panoramas Literarios: Amrica hispana is designed to help students appreciate, analyze, and evaluate literature by recognizing the importance of literary analysis as well as historical-cultural context. Students develop their reading and analytical skills through a variety of pre-reading strategies and activities and engaging discussion questions that accompany each selection. New! More Latin America selections feature essays by Jos Carlos Maritegui, Octavio Paz, Gustavo Prez-Firmat, and Elena Poniatowska that expose students to the more subjective and personal perspective of each essayist as well as the common shared historical, political, economic, and social problems and issues of Latin America. New! Historical, cultural and literary events timeline summarizes, in chart form, the most important information contained in the Synopsis historico-literaria, helping students prepare for quizzes and exams. New! Subheadings for Sinopsis sections enable students to organize the content in significant informational units, while aiding them in developing their long-term learning and retention skills. Discussion and analysis themes provide numerous and varied topics for class discussions, oral presentations, written essays, or literary analysis and interpretation. Intertextual themes relating to more than one work of literature in the text foster critical-thinking skills through analysis of themes, voice, characterization, and other literary techniques or devices. Historic-literary synopsis section provides students with the necessary background information for their study of literature by including a general overview of important literary currents and the historical context for the period covered in that section. Pre-reading strategies and activities offer information on the featured work, highlight major themes, discuss the author’s writing techniques and style, and focus students’ attention on important concepts or motifs.

Written for teachers or parents of young children, Singing Lessons for Little Singers offers exciting songs and exercises based on proven pedagogical principles and healthy voice technique for use in solo or group voice lessons. This revolutionary method was created to fill the great void of private singing lesson materials for children: it combines a system of voice-developing exercises with an ear-training and sight-singing course and a collection of enjoyable songs with entertaining lyrics and delightful illustrations. This powerful, comprehensive method has had great success in developing advanced singing skills, as well as creating many satisfying experiences for students.

“On the Move! Spanish Grammar for Everyday Situations is accurate, engaging, and pedagogically sound. The authors provide concise explanations of complex grammar and incorporate them into chapters organized by the presentation of cultural material relevant to major cities throughout the Spanish-speaking world. This is an innovative approach to teaching grammar in context that will be far more engaging for students than the dry, abstract, and lengthy explanations that one finds in other textbooks. . . . The approach is consistent with content-based teaching and compatible with expectations for the abilities of intermediate-level learners as described by ACTFL Proficiency Standards.” --Juliet Lynd, Illinois State University Features include: A unifying theme of travel offers students the opportunity to develop their grammatical skills in context through the exploration of life and culture in twelve Spanish-speaking cities Eighty original full-color artworks provide panoramic views of each city as well as colorful drawings on which are based a wide variety of exercises Brief audio recordings, streaming freely online, allow students to hear for themselves regional differences in accents, intonations, and linguistic variations Text selections showcase both classic and new voices, including such authors as Gabriel García Márquez, Laura Freixas, José María Arguedas, Elizabeth Acevedo, and many others.

Leda is a middle-aged, divorced mother devoted to her work as an English professor. After the departure of her grown-up daughters, she takes a holiday on the Italian coast. But after a few days things become unsettling: on the beach she encounters a family whose brash behaviour provokes menacing. Leda is overwhelmed by memories of the difficult and unconventional choices she made as a mother and their consequences for herself and her family. The tale of a woman’s rediscovery of herself soon becomes the story of a ferocious confrontation with the past. The Lost Daughter is a profound exploration of the conflicting emotions that tie women to their children. Elena Ferrante was born in Naples. She is the author of seven novels: The Days of Abandonment, Troubling Love, The Lost Daughter, and the quartet of Neapolitan Novels: My Brilliant Friend, The Story of a New Name, Those Who Leave and Those Who Stay, and The Story of the Lost Child. Fragments, a selection of interviews, letters and occasional writings by Ferrante, will be published in early 2016. She is one of Italy’s most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante’s work. She is an editor at the New Yorker and a recipient of the PEN Renato Poggioli Translation Award. ‘Ferrante’s gift for psychological horror renders it immediate and visceral.’ New Yorker ‘This superb and scaly Italian writer...has blown the lid off tempestuous parent-child relations.’ Seattle Times “So refined, almost translucent, that it seems about to float away, in the end this piercing novel is not so easily dislodged from the memory.” Boston Globe ‘It’s Leda’s voice that’s hypnotic, and it’s the writing that makes it that way. Ferrante can do a woman’s interior dialogue like no one else, with a ferocity that is shockingly honest, unnerveingly blunt.’ Booklist ‘Ferrante’s prose is stunningly candid, direct and unforgettable. From simple elements, she builds a powerful tale of hope and regret.’ Publishers Weekly ‘Ferrante’s uncompromising directness and her unflinching gaze cannot be faulted.’ Age/Sydney Morning Herald ‘With cold determination, Ferrante conveys both the selfishness and the courage that comes with admitting your own maternal shortcomings.’ New Zealand Listener

Workbook to accompany the main text, ‘Cinephile: Intermediate French Language and Culture through Film Second Edition’

“What a box of tricks! This full-throttle thriller, dark and driving, rivals Agatha Christie for sheer ingenuity and James Patterson for flat-out speed. Swift, sharp, and relentless.” — A. J. Finn, #1 New York Times bestselling author of The Woman in the Window A brilliant, edgy thriller about four strangers, a blizzard, a kidnapped child, and a determined young woman desperate to unmask and outwit a vicious psychopath. A kidnapped little girl locked in a stranger’s van. No help for miles. What would you do? On her way to Utah to see her dying mother, college student Darby Thorne gets caught in a fierce blizzard in the mountains of Colorado. With the roads impassable, she’s forced to wait out the storm at a remote highway rest stop. Inside are some vending machines, a coffee maker, and four complete strangers. Desperate to find a signal to call home, Darby goes back out into the storm... and makes a horrifying discovery. In the back of the van parked next to her car, a little girl is locked in an animal crate. Who is the child? Why has she been taken? And how can Darby save her? There is no cell phone reception, no telephone, and no way out. One of her fellow travelers is a kidnapper. But which one? Trapped in an increasingly dangerous situation, with a child’s life and her own on the line, Darby must find a way to break the girl out of the van and escape. But who can she trust? With exquisitely controlled pacing, Taylor Adams diabolically ratchets up the tension with every page. Full of terrifying twists and hairpin turns, No Exit will have you on the edge of your seat and leave you breathless.

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic. The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between the rich and the poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney’s films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
