**YOUR ACTION PLAN FOR SUCCESS!** Don't just dream about the life you want. Take action with this essential companion guide to Jack Canfield's #1 success book. Hailed by Oprah Winfrey as "a guide to how to lift your life to where it can be." The Success Principles® from #1New York Times bestselling author Jack Canfield (Chicken Soup for the Soul®, The Power of Focus) has inspired more than one million readers to achieve their dreams and fulfill their purpose. But knowledge is nothing without action. Now, with The Success Principles Workbook, Canfield challenges you to put the principles into action and get the very most out of his central lessons. The Success Principles Workbook revisits the original book's core principles—including "Take 100% Responsibility for Your Life" and "Decide What You Want"—then provides step-by-step instructions, self-discovery exercises, Make-It-a-Habit worksheets, and guided journaling to keep you on a path to success. Whether you want to fulfill your professional and personal goals, create an exciting new lifestyle, retire early, develop a better network, or achieve your deepest purpose, this indispensable book will provide the clarity you've been seeking to give you the future you've always wanted.

"Magnetic Love is the only kind of love there is, and Jennie has put this down in words better than anyone I've ever seen. It's a book you owe to yourself to read and your library is incomplete without it. It holds the secret to the happiness in life." - Bob Proctor, Global Thought Leader, Star in the Movie "The Secret" "Jennie Lynn has written a perfect primer in the understanding of spiritual, conscious creation. If you want an easy to understand, basic outline of how your creative power works, this is the book for you." Dee Wallace, Actress, Author, Radio Personality and Spiritual Healer How AMAZING would it feel to finally get what you've ALWAYS wanted? \* Is it a loving, blissful relationship? \* Is it a youthful, healthy body? \* Is it enough money to live your life freely on your terms? Whatever your deepest desire may be, if you don't have it yet, you need to stop winging it and start using science. Understand that "like attracts like" and you interact with the world much like a magnet. Ignoring this fact has only repelled what you want most. Jennie Lynn combines the latest research with the profound science of attraction. If you follow these proven methods, you will: \* Permanently remove the beliefs and habits blocking you \* Rewrite your mind to draw love, health, & prosperity to you \* Explore what love really is so you know when you have found it \* Attract your soulmate and enhance your current love life DON'T settle for less or leave any of this to chance. Chasing is hard work, time consuming and offers no guarantee. Magnetic Love delivers a clear path that is definite, fast, and precise. If you are seriously committed to your desires and dreams, you'll do whatever it takes. So take action NOW because nothing is more expensive than a missed opportunity. Love, fortune, and freedom await!

"A results getting tour de force. This is simply the best book on email marketing I have ever read." Howard Lothrop"Email Persuasion: The Step-By-Step Guide to Attracting More Clients and Winning More Sales With Email Marketing" Business fads come and go, but Email Marketing has consistently outperformed all other marketing strategies. In Email Persuasion, marketing expert Ian Brodie reveals the techniques that are working right now to allow professionals and small businesses to connect with potential clients, build trust-based relationships and generate more sales through email. Inside the book you'll discover: The Customer Insight Mapping technique for building deep understanding of what your clients need and what will motivate them to buy from you. 6 surefire subject line models that will get your emails opened and read. The "optin formula" for getting the right people to subscribe to your emails (and how to accelerate the growth of your subscriber list). How to engage AND persuade with your emails so that you build a loyal 'fan base' ready to buy from you. The advanced techniques for turning email subscribers into paying clients (and why accepted wisdom on selling in emails is almost all wrong). "We've seen a threefold increase in leads and we've won several new clients." Adrian Willmott Email Persuasion lays out a clear blueprint for building an engaged subscriber base, building credibility and trust through your emails and converting your subscribers into paying clients. No jargon. No fluff. Just practical, real-world strategies that deliver results. "Pick any one idea from this amazing collection of rock solid common sense on email marketing and just do it! Quite simply, it works!" Tony Latimer Want to know how to build a list of ideal clients as subscribers fast? Start with the Opt-In formula on page 19. How to get through spam filters, and "greyemail" technology? Turn to page 43 for the most up to date advice. The best format for emails? Page 57. When to send them and how frequently? Start on page 59, but also check page 83 on why frequent emailing is often more effective? Getting your system onto autopilot? Page 95. Advanced techniques to get the right messages to the subscribers who will most value them? Page 103. Writing persuasively? Page 109. "Ian gives you all the information you need to succeed in plain and simple English based on what actually works in the real business world today" Anna Letitia Cook Packed full of examples, templates and clear next steps for you to do to get your own email marketing system up and running quickly and getting you results. If you've ever been overwhelmed by the complexity of email marketing or been unsure where to start to get the best results, Email Persuasion will provide you a clear path to succeeding with email. The Closer's Survival Guide is perfect for sales people, negotiators, deal makers and mediators but also critically important for dreamers, investors, inventors, buyers, brokers, entrepreneurs, bankers, CEO's, politicians and anyone who wants to close others on the way they think and get what they want in life. Show me any highly successful person, and I will show you someone who has big dreams and who knows how to close! The end game is the close.

The go-to guide for small-business owners and entrepreneurs to discover exactly what consumers want to buy and how to get it to them. As a small-business owner, entrepreneur, or marketer, are you absolutely certain that you know what your customer wants? And even if you know what your customer wants, are you sure that you are able to clearly communicate that you offer the exact thing that they are seeking? In this best-selling book, Ryan Levesque lays out his proven, repeatable, yet slightly counterintuitive, methodology for understanding the core wants and motivations of your customer. Levesque's Ask Method provides a way to discover what customers want to buy by guiding them through a series of questions and customizing a solution from them so they are more likely to purchase from you. And all through a completely automated process that does not require one-on-one conversations with every single customer. The Ask method has generated over \$100 million in online sales across 23 different industries and counting. Now it is your turn to use it to create a funnel, skyrocket your online income, and create a mass of dedicated fans for you and your company in the process.

The best way to build a profitable book publishing business is to start writing on part-time basis. Keep the security of your regular full-time job to ensure a steady flow of income while you write. That will ensure your peace of mind along the way. Only when your monthly writing profits match your regular monthly income should you transition to full-time writing. How long this process takes will depend a lot on you. For one writer, the transition took a year; for another, it took five years. In this book, we'll talk about exactly how they, and many others, did it. More importantly, we'll discuss how you can accomplish the same. YOU'RE IN THE DRIVER'S SEAT Gone are the days when the world's large corporate book publishers set the pace and direction of the entire publishing market. Today, independent authors are now in the driver's seat. The tools are already at your fingertips, and online publishing is the easiest and most affordable way to begin. (And when I say "affordable," I mean almost completely free of charge. Now that's affordable!) Your only necessary cost will be editing, which will be covered in detail in this book. The fact is, if you want your ebook to be accepted by a discerning population of readers, you'll need to hire a proper editor to help you get things right. I'll show you exactly where and how to find one at a price that suits your budget. In fact, the whole process from start to finish—from outlining a full ebook series to publishing it online—will be covered in this book. By the time you're done reading this, you'll know exactly how to publish a book. You'll know what it takes to successfully sell it, too. YOUR SIX-WEEK BLUEPRINT TO SUCCESS This book contains a repeatable, entirely achievable six-week publishing process—a blueprint you can easily follow no matter what type of book series you wish to publish on the United States of America's Amazon, Canada's Kobo, and even Malaysia's E-Sentral ecommerce sites. It also contains case studies of several highly successful independent authors who are already doing these things and earning massive incomes from it. Read this blueprint in full before you publish. Educate yourself about how this process works before you do anything else. Then make a commitment to yourself to follow through with it. Because it works!

David Dyer's astonishing novel The Midnight Watch is based on the true story of the SS Californian, the ship that saw the Titanic's distress rockets and yet, unfathomably, did nothing. A psychological thriller. Sometimes the smallest of human failings can lead to the greatest of disasters. On a wretchedly cold night in the North Atlantic, a steamer stopped in an icefield sees the glow of another ship on the horizon. Just after midnight the first of eight distress rockets is fired. Why did the Californian look on while the Titanic sank? As soon as Boston American reporter John Steadman lays eyes on the man who stood the midnight watch on the Californian, he knows there's another story lurking behind the official one. Herbert Stone must have seen something, and yet his ship did nothing while the calamity took place. Now Stone, under his captain's orders, must carry his secret in silence, while Steadman is determined to find it out. So begins a strange dance around the truth by these three men. Haunted by the fifteen hundred who went to their deaths in those icy waters, and by the loss of his own baby son years earlier, Steadman must either find redemption in the Titanic's tragedy or lose himself. Based on true events, The Midnight Watch is at once a heart-stopping mystery and a deeply knowing novel – about the frailty of men, the strength of women, the capriciousness of fate and the price of loyalty.

*Billionaires think differently than most people. If you took away all of Donald Trump's money, he would be right back to where he is today because of the way he thinks. Scot Anderson shares that if you learn to think like a billionaire, then you can become one. Scot takes you on the journey he took in changing the way he thinks. He went from getting by to having millions of dollars and on his way to getting billions. Scot teaches you how to think differently about money, investing, jobs, risks, problems, preparation, and time. As you begin to think like a billionaire, your life has no choice but to produce it.*

*Would you like to be happier? Would you like to be making more money? Would you like to have better relationships? Would you like a better job? Do you want to start your own business? Do you want to feel more fulfilled? Most of us want all of the above and there's only ONE thing stopping us from having all these things and more... OUR BELIEFS Our personal beliefs either move us forward in life or hold us back. The older we get the more our beliefs hold us back. In this amazing book author, speaker and online trainer Steven Aitchison will guide you through the maze of your mind to show you just how much influence your beliefs have in your life. With the help of this book, you are going to go on a journey. On this journey, you are going to discover a lot about yourself. You're going to find out beliefs held by you that are not even your own; some of them are literally hundreds of years old. You are going to uncover seven beliefs that will quite literally change the course of your life forever, should you wish to install them. Another big discovery you are going to make is something called The Belief Ceiling and the Fiat Principle, which is your beliefs surrounding money. Changing this one belief could literally change how much income you bring into your life. You'll also discover two words that you and every human being on the planet uses that are responsible for EVERYTHING you have ever achieved and failed at in your life. Another huge discovery you'll make is the Deep Soul Feeling Method, which is a unique way to install new beliefs using a powerful mantra and an easy to follow process. If you take action, here is what you can expect to gain from this book: Bring more money into your life. More happiness in all areas of your life. Renewed energy and hope that you really can create a life carved out by you. A high feeling of self worth. The freedom that comes from finding your purpose. Take back control of your life. Know, for certain, that you are capable of anything. You will find your inner courage. More joy A drastic increase in confidence. A new understanding of relationships and how to create stronger, empowering relationships in your life. Never, ever, ever settle for second best again. A sense of fulfillment Increase your focus and concentration to get more things done. KNOW that you are enough.*

*FLIP, the third book in the National Bestselling Millionaire Real Estate Series (More than 500,000 copies sold!) FLIP provides a detailed, step-by-step process to analyze each investment, identify the best improvements, accurately estimate the costs and intelligently oversee the construction. It takes out all the guess work and almost all of the risk. Here's what industry experts are saying about FLIP: "Read this book before you flip that house! FLIP is an indispensable step-by-step guide to flipping houses that you will refer to again and again." -Carlos Ortiz, Executive Producer, "FLIP That House" (TLC's most popular real estate TV show) "At HomeVestors, we're in the business of buying and selling homes for profit and I can attest that there are few, if any, who can rival Rick's and Clay's expertise when it comes to fixing up houses for profit. This book is a must-read for any investor." -Dr. John Hayes, President and CEO of HomeVestors of America (the largest homebuyer in America) "FLIP is a must-read book for everyone in the real estate business. Every agent should have this book. They should read it and master its contents. Why? Because it is the best guide ever written on how to evaluate real estate and how to add value to a house." -Gary Keller, Founder and Chairman of the Board of Keller Williams Realty International and author of bestselling The Millionaire Real Estate Agent and The Millionaire Real Estate Investor "For anyone looking to build wealth in real estate, FLIP provides a step-by-step approach that really works in any market." -Loral Langemeier, bestselling author of The Millionaire Maker FLIP extends the national bestselling Millionaire Real Estate series with a step-by-step guide that is quickly becoming "the model" for successfully finding, fixing and selling investment properties for profit. Based on their involvement in over a 1,000 flips, Rick Villani and Clay Davis walk you through the proven five-stage model for successfully flipping a house: FIND: How to select ideal neighborhoods, attract sellers, and find houses with investment potential ANALYZE: Identify which improvements to make and analyze the profit potential of any house BUY: How to arrange financing, present the offer, and close on the purchase FIX: A 50-step, easy-to-follow plan for fixing up houses that keeps you on time, in budget and assures top quality SELL: How to add finishing touches to quickly sell for maximum profit Woven through the book is an entertaining narrative that follows the flipping adventures of Samantha, Ed, Bill, Nancy, Amy and Mitch as they find, buy, fix and sell their first investment houses. With all this plus the experience of over a thousand flips condensed into one book, FLIP gives new investors the tools they need to avoid common pitfalls, make a profit, and enjoy the process of house flipping. Rick Villani and Clay Davis are senior executives at HomeFixers, North America's leading real estate rehab franchise. HomeFixers has been involved in more than 1,000 flips nationwide.*

From the New York Times bestselling author of The Chemical Garden trilogy: On the floating city of Internment, you can be anything you dream. Unless you approach the edge. Children 's Literature says " shades of Aldous Huxley ' s Brave New World and George Orwell ' s 1984 inspire DeStefano ' s sci-fi/murder mystery page-turner. " Morgan Stockhour knows getting too close to the edge of Internment, the floating city and her home, can lead to madness. Even though her older brother, Lex, was a Jumper, Morgan vows never to end up like him. There ' s too much for her on Internment: her parents, best friend Pen, and her betrothed, Basil. Her life is ordinary and safe, even if she sometimes does wonder about the ground and why it ' s forbidden. Then a murder, the first in a generation, rocks the city. With whispers swirling and fear on the wind, Morgan can no longer stop herself from investigating, especially once she meets Judas. Betrothed to the victim, Judas is being blamed for the murder, but Morgan is convinced of his innocence. Secrets lay at the heart of Internment, but nothing can prepare Morgan for what she will find—or whom she will lose.

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have been used. If you read this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.

*Building Your Field of Dreams is both a compelling personal story and a practical and inspiring guide for anyone who has ever hoped for a better life. Mary Morrissey's own dreams were nearly shattered at age 16, when pregnancy forced her into a reluctant marriage that nevertheless became the crucible for remarkable lessons in faith. As she was tested by the near-death of one of her children, by life-threatening kidney disease, and by years of struggling to make ends meet, she clung to her determination to be a minister. Now, with powerful examples from many dream-builders she has known, she shows how anyone can identify their deepest desires, build a partnership with God, confront obstacles and failure, and overcome the mental blocks that keep us from our potential. It's a great message, compellingly delivered by a great teacher. From the Trade Paperback edition.*

*How Successful Entrepreneurs Use A Book To Drive Leads And Sales without wasting time or money! If you are an entrepreneur who wants to use a book as part of your business, and what works for those who have come before you, then this may be the most important book you ever read, here's why.... But first a warning. Successful use of a book in your business is hard work. As you will see, we interviewed over 30 very successful entrepreneurs and they put effort into the craft. The ideas in this book will work beautifully, but only for those who are willing to actually put in the work. If that is you, then read on! Our main goal with Author Inc was to assemble a unique group of entrepreneurs and pick their brains to see how they did what they did. But then we took it one step further. We asked them to map out what they would do if they had to start all over again over the next 30 days if they had to start from scratch. We asked, "If you lost your list, your fame, your books, your products and all of your clients, and nobody knew who you were, what would you do? How would you use publishing to claw your way back?" The results were amazing! Author Inc immediately morphed from an "interview anthology" to a world class handbook for entrepreneurs who want to use a book as a primary tool in a business. But Author Inc is not only a must-have handbook, it also teaches: How to build a list and make sales starting now, even if you have no list and no product 15 counterintuitive habits that entrepreneurs use to rapidly increase the likelihood of success each day (wait until you read the cigar story) Where to find the best people for your email and reader lists How to eliminate the long slow process of trial and error while building your online empire Why you should never go it alone as an author Why advertising less may actually make grow your list faster Say Goodbye to weeks of trial and error, and start with one of our 30 day plans for your book and business The Truth about your relationship with self-publishing platforms and how to maximize your profit from them What to do if you have no readers, followers or clients and how to change it quickly Order your copy of Author Inc Now!*

So, what's your excuse?**

**Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio**

Hook Point: How to Stand Out in a 3-Second World, by out of the box thinker Brendan Kane, breaks down the most effective strategies to generate new opportunities, innovate and scale your business, and create a compelling brand--both online and off--so you can thrive in the new micro-attention world in which we live. A lot of people know who they are, what they do, and a few even know why they do it--but even when brands or individuals have clarity in these areas, they often struggle to grab a potential audience's attention for long enough to get them to learn about their attributes. Others have amazing products or services that fail to achieve great success because they don't know how to talk about what they do effectively. This is because digital and social media have reshaped our world into one of micro-attention.

There are over sixty billion messages shared on digital platforms each day, and the average person is exposed to between four thousand to ten thousand ads a day. This bombardment of stimuli has changed the way we communicate and market content both online and off. In fact, research shows that you have less than three seconds to capture a person's attention. With such a short window of time, we need to hook audiences quickly, efficiently, and consistently if we want to successfully fuel brand awareness and growth. Luckily, Brendan Kane, an out of the box thinker and strategist who's built platforms for celebrities like Taylor Swift and Rhianna, and worked with Fortune 500 companies like Paramount, Viacom, and MTV has mastered the art of standing out. In Hook Point: How to Stand Out in a 3-Second World he reveals the power of hook points--a communication tool that helps marketers package their messages in a succinct, attention-grabbing way that leads to better opportunities both online and off. Whether you're promoting a brand, product, or service this book is the essential guide for making it in our three-second world.

"The Motivation Manifesto is a poetic and powerful call to reclaim our lives and find our own personal freedom. It's a triumphant work that transcends the title, lifting the reader from mere motivation into a soaringly purposeful and meaningful life. I love this book." --Paulo Coelho  
The Motivation Manifesto is a pulsing, articulate, ferocious call to claim our personal power. World-renowned high performance trainer Brendon Burchard reveals that the main motive of humankind is the pursuit of greater Personal Freedom. We desire the grand liberties of choice--time freedom, emotional freedom, social freedom, financial freedom, spiritual freedom. Only two enemies stand in our way: an external enemy, defined as the social oppression of who we are by the mediocre masses, and an internal enemy, a sort of self-oppression caused by our own doubt and fear. The march to Personal Freedom, Burchard argues, can be won only by declaring our intent and independence, stepping into our personal power, and battling through self-doubt and the distractions of the day until full victory is won. Recalling the revolutionist voices of the past that chose freedom over tyranny, Burchard--at times poetic yet always fierce--motivates us to free ourselves from fear and take back our lives once and for all.
