

Circus Of The Damned Anita Blake Vampire Hunter

Angels walk among us, but so do other unearthly beings in this brand new series by #1 New York Times bestselling author Laurell K. Hamilton. Meet Detective Zaniel Havelock, a man with the special ability to communicate directly with angels. A former trained Angel speaker, he devoted his life to serving both the celestial beings and his fellow humans with his gift, but a terrible betrayal compelled him to leave that life behind. Now he ' s a cop who is still working on the side of angels. But where there are angels, there are also demons. There ' s no question that there ' s evil at work when he ' s called in to examine the murder scene of a college student—but is it just the evil that one human being can do to another, or is it something more? When demonic possession is a possibility, even angelic protection can only go so far. The race is on to stop a killer before he finds his next victim, as Zaniel is forced to confront his own very personal demons, and the past he never truly left behind. The first in a new series from the author of the Anita Blake and Merry Gentry series.

'These days my life is a cross between a preternatural soap opera and an action-adventure movie.' The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as
