CANADIAN CITIZENSHIP TEST According to the CIC website, applicants who are 18–54 years of age are required to demonstrate adequate knowledge of Canada and of the responsibilities and privileges of citizenship through a citizenship knowledge test in either English or French. The citizenship test is usually a written test, but it could be an interview. You will be tested on two basic requirements for citizenship: 1) knowledge of Canada and of the rights and responsibilities of citizenship, and 2) adequate knowledge of English or French. The actual test lasts for 30 minutes and contains 20 multiple-choice questions. Applicants for citizenship must answer at least 15 (75%) questions correctly to pass the test. All practice questionnaires have been made in English from CIC's "Discover Canada" booklet. While no efforts have been spared to ensure the accuracy of the information in the questionnaire, free-citizenship-test.musitature.com, its authors, and associates cannot be held responsible for any damages occurring due to errors or omissions. Although the tests we provide on our website are not the actual Canadian Citizenship test, the questions are specifically designed to help you prepare for the actual test.

Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799–1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.
