The Social Studies and Civics edition provides progressive questions and answers that align with elementary Social Studies learning targets, Preschool-5th Grade! It encompasses geography, history, early American heritage and exploration, and peoples and cultures of the world. AMS - Empowering parents to empower their

children with essential knowledge! Why Ask Me Smarter - Preschool-5th grade?

1) Because parents are their children's first and best teachers! 2) Because it is a parent-friendly, kid-engaging resource that reinforces what elementary-aged children are learning in school! 3) Because the BRAIN cannot resist a question! (What color are your eyes?) 4) Because learning is optimized through progressive questioning and spaced repetition! 5) Because it challenges the status quo in that it is the ONLY educational resource currently available

that encompasses ALL elementary years in one book!

6) Because learning does not necessarily align with chronological age or with a specific grade level!

7) Because it provides parents with a simplified and stream-lined format in interpreting an elementary school curriculum and prescribed learning targets!

8) Because it is a go-to supplemental resource for home schooling families!

9) Because it serves as a comprehensive summer "BRIDGE" tool or "road trip" companion for reinforcing learned concepts, for preparing

students for the next grade level, and for preventing the proverbial "SUMMER SLIDE!" Think outside the deck! 10) Because it is available as one curriculum-comprehensive book aligned to state content standards per grade level that includes thousands of progressive Social Studies CORE questions: What is the name of the state you live in? How many continents are there? What is the name of the ship that the Pilgrims sailed on from England? Who was the second president of the United States: John Adams or Thomas Jefferson? Its all-encompassing format is what challenges the status quo and makes it unique.
