During World War II, Dr. Sadao Hoki, a Japanese surgeon, discovers an escaped American prisoner of war who needs an operation to survive.

The canoe was now approaching the land. The bay opened out, and a gap in the white surf of the bay marked where the little river ran out to the sea; the thicker and deeper green of the virgin forest marked its course down the distant hill slope. The forest here came close to the beach. Far beyond, and almost cloudlike in texture, rose the mountains, like suddenly frozen waves. The sea was still, with an almost imperceptible swell. The sky blazed.

They had entertained a good deal during the winter; much of the time had also been passed in New Orleans in various forms of mild dissipation. She was looking forward to a period of unbroken rest, now, and undisturbed tete-a-tete with her husband, when he informed her that Gouvernail was coming up to stay a week or two. This was a man she had heard much of but never seen. He had been her husband's college friend; was now a journalist, and in no sense a society man or "a man about town," which were, perhaps, some of the reasons she had never met him. But she had unconsciously formed an image of him in her mind. She pictured him tall, slim, cynical; with eye-glasses, and his hands in his pockets; and she did not like him. Gouvernail was slim enough, but he wasn't very tall nor very cynical; neither did he wear eyeglasses nor carry his hands in his pockets. And she rather liked him when he first presented himself. But why she liked him she could not explain satisfactorily to herself when she partly attempted to do so. She could discover in him none of those brilliant and promising traits which Gaston, her husband, had often assured her that he possessed. On the contrary, he sat rather mute and receptive before her chatty eagerness to make him feel at home and in face of Gaston's frank and wordy hospitality. His manner was as courteous toward her as the most exacting woman could require; but he made no direct appeal to her approval or even esteem.

The Diary of a Young Girl

Strictly based on 20th September 2019 CBSE Sample Paper

The Financial Expert

THE DEFINITIVE EDITION □ Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad □The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.□□The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the □Secret Annex□ of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

In this novel the author draws back the curtains on a deeply felt and ongoing tradition. Through the eyes of the main character, Geeta, she goes behind the scenes into a way of life that has long been shrouded in mystery. When Geeta, an educated, outgoing young woman from Bombay, marries into a staunchly traditional family, she suddenly finds herself forced to live in purdah in her husband's ancient home, the haveli. Unable to escape from the conservative customs that now define her life, she struggles to hold on to the modern values she has grown to cherish. Can she discover new meaning and dignity in what at first seems to her a strange and stultifying existence?

Silas Marner is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable

for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community.

Macavity' (the mystery cat!) is one of the best-loved poems from T. S. Eliot's "Old Possum's Book of Practical Cats - "the inspiration for "Cats: The Musical -" beloved by generations of children and their parents. Now, Macavity is given a new life in this stunning picture book with illustrations from Arthur Robins that perfectly convey all the wit and humor of Eliot's creation. Perfect for ages 3+, children (and parents) will love reading aloud about T.S. Eliot's best-loved cat. To sit alongside other classics such as "The Gruffalo," "The Tiger Who Came to Tea," and Spot.

he Mark on the Wall is the first published story by Virginia Woolf. It was published in 1917 as part of the first collection of short stories written by Virginia Woolf and her husband, Leonard Woolf, called Two Stories. It was later published in New York in 1921 as part of another collection entitled Monday or Tuesday.

A venerable tiger, old and toothless now, looks back over his life from cubhood and early days roaming wild in the Indian jungle. Trapped into a miserable circus career as 'Raja the magnificent', he is then sold into films (co-starring with a beefy Tarzan in a leopard skin) until, finding the human world too brutish and bewildering, he makes a dramatic bid for freedom. R.K. Narayan's story combines Hindu mysticism with ripe Malgudi comedy, viewing human absurdities through the eyes of a wild animal and revealing how, quite unexpectedly, Raja finds sweet companionship and peace.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO

FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in *When You Are Old* present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
