Meathead bridges scientific discoveries with athletic anecdotes to unravel the neuroscience of exercise for the jock, gym rat, and sports nut. This is one of few popular science books that strictly focuses on exercise and athletic performance at the level of the brain. This book also serves as inspirational reading for the "pre-determined" couch potato by showing how easy it is for the brain to positively crave exercise and the short- and long-term benefits of exercise for brain health and function. For athletes and coaches, this book provides unique perspectives for enhancing athletic performance and recovery.

The commercial motor vehicle safety act in the United States was established way back in 1986. The act stated minimum requirements that must be met by an individual before he or she could obtain a CLD from his/her state. You see, the act requires anyone driving a motor vehicle on the road to possess a driver's license. The license verifies that you are capable of driving a particular class of vehicle. This guide covers: - General Requirements - Medical Requirements - CDL Classifications (Classes A, B & C explained) - Endorsements & Restrictions - The Exam Process - Licensing Costs If you are interested in becoming a professional commercial driver, then you need this guide more than anyone else. With 1000 hours of time on the road, you can be home with your family almost every night. Flip through the pages of this guide, and you are good to go!

How to Become a Commercial Truck Driver in Less Than a Week, Even If You Haven't Studied in Years You're heading to the office for another day that is inexplicably both mind-numbing and stressful. But the repetitive administrative tasks, unreasonable deadlines, and aggressive office politics easily explain this dreadful dynamic. Sigh... Perhaps not so surprisingly, your long drive into work is now a highlight of your day. You pass through some spectacular nature and you experience the serenity that comes from being alone with your thoughts. Not to mention, you are a top-notch DJ spinning the best mixes the world has ever heard. The problem isn't simply this company. You've had other jobs in this role at other companies in the industry, and it always ends up being the same. You are so ready for a change, but you have no idea what else there is. After all, this is what you learned and have the resume for. Office jobs seem like your destiny for life. That's when you catch a clip-on MSN-Money about corporate supply chains and logistics. One of the biggest bottlenecks is increasing demand coming from a shortfall in truck drivers. With autonomous trucks still years away from being able to operate
