For many people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a changed life, because a positive mind will always lead to a more positive life. In *Unsinkable Faith*, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. *Unsinkable Faith* is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you think, you change the way you feel, and in turn you can change your life completely.

An ambitious female reporter tracks a deadly threat in Austin, Texas, in the newest riveting thriller by New York Times bestselling author Laura Griffin. When a woman is found brutally murdered on Austin's lakeside hike-and-bike trail, investigative reporter Bailey Rhoads turns up on the scene demanding access and answers. She tries to pry information out of the lead detective, Jacob Merritt. But this case is unlike any he's ever seen, and nothing adds up. With the pressure building, Jacob knows the last thing he needs is a romantic entanglement, but he can't convince himself to stay away from Bailey. Bailey has a hunch that the victim wasn't who she claimed to be and believes this mugging-turned-murder could have been a targeted hit. When she digs deeper, the trail leads her to a high-tech fortress on the outskirts of Austin, where researchers are pushing the boundaries of a cutting-edge technology that could be deadly in the wrong hands. As a ruthless hit man's mission becomes clear, Bailey and Jacob join together in a desperate search to locate the next target before the clock ticks down in this lethal game of hide-and-seek.

What if our beliefs were not what divided us, but what pulled us together In *Have a Little Faith*, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since *Tuesdays with Morrie*, *Have a Little Faith* begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago.

Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the

end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. *Have a Little Faith* is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including The Hole In The Roof Foundation, which helps refurbish places of worship that aid the homeless.

The movie *Grace Unplugged* tells the story of Grace Trey, an ideal Christian teenager who is also a phenomenal singer. But when she is pushed into the "real world" at the tender age of eighteen after getting the music break of a lifetime, her faith is put to the test. *Own It!* mirrors the film by asking what it means to really "own" your personal faith rather than just automatically following in the footsteps of parents, friends, or other influencers. Best-selling authors Hayley and Michael DiMarco help readers understand what to do when faith meets real world challenges. Without solid beliefs, poor choices are likely to follow. You must take the time to really know who you are, who you are becoming, and who God made you to be. It's your personal faith . . . own it!

**This is a testimony of real life, not games or movies. The majority of the people in the world don't believe in the one and only God. Then there are fewer which believe in Jesus Christ. Of that group, how many drift in and out of this commitment? How many worship with their lips but not their hearts? My parents and relatives fell into the group of "there is no God, just nature and the natural renewal of its cycle." For me, curiosity was the thing. I had to know the beginning and end of everything step by step. It's the way I am built! I want every breath and every step I take to be closer to Jesus Christ. Walk with me, and we will see how close heaven really is to us. Run away with me, and I bet we will run right into the hand of God. I have done it a couple of times! I want you to come with me! Please, it's important! Why write this testimony of life? Did I say, "Please, come along with me"? Well, we all have the happy and sad, the hard and easy, and the close to God, whether we are aware of it or not, and the far from God, which we do not understand. Just a few weeks ago, I asked my Father in heaven if I should continue to write the first testimonials each month or perhaps even reveal the deep things which have helped me through life. In the process and time of seven days, I was shown how the hidden secrets of heaven work. To me it's funny, serious, and truthful--this simple thing connecting so many things together which have occurred in my life? I work on my testimonial stories at night. It was the hand of God that leads me to do that, no doubt, and you will learn that a little later. There are always more people to give them to than I can accomplish. "Maybe I should put them in a book for everyone, Father. I don't have time or know-how..." I felt like a tap in the back of my head when I prayed that. I slapped my hand over my mouth, trying to take it back; at the same time, I looked**

behind myself to see if something had fallen off the wall. I stopped praying, took a big sigh, and went to sleep. Why did I say "too busy"? I wrestled all night with, "The secrets of heaven are my Lord Jesus Christ's, but that which he gives us are ours." For there is nothing covered that shall not be revealed; neither hid, that shall not be known. (Luke 12:2) I was referred to recently as the little lion which would not roar and the lost generation. Then a voice stood up for me and said, "No, this is the one who walks the dusty road." I wanted to respond, but I fell to the ground in weakness because of the awesomeness around me. I was shown the loss of mankind and told to go forth with the testimony I was given. I cry and pray with great supplication before the heavenly throne of our savior, Jesus Christ. I don't want anyone to be lost! Love in Christ, Fred

Of the many recent books on the historical Jesus, none has explored what the latest biblical scholarship means for personal faith. Now, in *Meeting Jesus Again for the First Time*, Marcus Borg addresses the yearnings of those who want a fully contemporary faith that welcomes rather than oppresses our critical intelligence and openness to the best of historical scholarship. Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ, one that is critical and, at the same time, sustaining. "Believing in Jesus does not mean believing doctrines about him," Borg writes. "Rather, it means to give one's heart, one's self at its deepest level, to . . . the living Lord." Drawing on his own journey from a naive, unquestioning belief in Christ through collegiate skepticism to a mature and contemporary Christian faith, Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life—one not rooted in creeds or dogma, but in a life of spiritual challenge, compassion, and community. In straightforward, accessible prose, Borg looks at the major findings of modern Jesus scholarship from the perspective of faith, bringing alive the many levels of Jesus' character: spirit person, teacher of alternative wisdom, social prophet, and movement founder. He also reexamines the major stories of the Old Testament vital to an authentic understanding of Jesus, showing how an enriched understanding of these stories can uncover new truths and new pathways to faith. For questioning believers, doubters, and reluctant unbelievers alike, *Meeting Jesus Again for the First Time* frees our understanding of Jesus' life and message from popular misconceptions and outlines the way to a sound and contemporary faith: "For ultimately, Jesus is not simply a figure of the past, but a figure of the present. Meeting that Jesus—the living one who comes to us even now—will be like meeting Jesus again for the first time."

Imagine a world where everyone knows everything about everybody. Where 'sharing' is valued above all, and privacy is considered a dangerous perversion. Trafford wouldn't call himself a rebel, but he's daring to be different, to stand out from the crowd. In his own small ways, he wants to push against the system. But in this world, uniformity is everything. And even tiny defiances won't go unnoticed. Ben Elton's dark, savagely comic novel imagines a post-apocalyptic society where religious intolerance combines with a sex-obsessed, utterly egocentric culture. In this

world, nakedness is modesty, independent thought subversive, and ignorance is wisdom. A chilling vision of what's to come? Or something rather closer to home? Did you know Vincent van Gogh sold only one painting during his lifetime and that during the last three months of his life he completed an average of one painting every day? Did you know that Michelangelo's David is covered in a dusting of human skin? Did you know Caravaggio murdered several people while he was painting some of the most glorious paintings of biblical scenes the world has ever known? Rembrandt Is in the Wind by Russ Ramsey is an invitation to discover some of the world's most celebrated artists and works, while presenting the gospel of Christ in a way that speaks to the struggles and longings common to the human experience. The book is part art history, part biblical study, part philosophy, and part analysis of the human experience; but it's all story. The lives of the artists in this book illustrate the struggle of living in this world and point to the beauty of the redemption available to us in Christ. Each story is different. Some conclude with resounding triumph while others end in struggle. But all of them raise important questions about humanity's hunger and capacity for glory, and all of them teach us to love and see beauty.

In this *One Book*, One New York 2019 nominee from the author of National Book Award Finalist *Pachinko*, the Korean-American daughter of first-generation immigrants strives to join Manhattan's inner circle. Meet Casey Han: a strong-willed, Queens-bred daughter of Korean immigrants immersed in a glamorous Manhattan lifestyle she can't afford. Casey is eager to make it on her own, away from the judgements of her parents' tight-knit community, but she soon finds that her Princeton economics degree isn't enough to rid her of ever-growing credit card debt and a toxic boyfriend. When a chance encounter with an old friend lands her a new opportunity, she's determined to carve a space for herself in a glittering world of privilege, power, and wealth-but at what cost? Set in a city where millionaires scramble for the free lunches the poor are too proud to accept, this sharp-eyed epic of love, greed, and ambition is a compelling portrait of intergenerational strife, immigrant struggle, and social and economic mobility. Addictively readable, Min Jin Lee's bestselling debut *Free Food for Millionaires* exposes the intricate layers of a community clinging to its old ways in a city packed with haves and have-nots.

God's love for us breaks every boundary. So should our love for each other. Mihee Kim-Kort is a wife, a mom, and a Presbyterian minister. And she's queer. As she became aware of her queer sexuality, Mihee wondered what that meant for her spirituality. But instead of pushing her away from God, her queerness has brought her closer to Jesus and taught her how to love better. In *Outside the Lines*, Mihee shows us how God, in Jesus, is oriented toward us in a queer and radical way. Through the life, work, and witness of Jesus, we see a God who loves us with a queer love. And our faith in that God becomes a queer spirituality--a spirituality that crashes through definitions and moves us outside of

the categories of our making. Whenever we love ourselves and our neighbors with the boundary-breaking love of God, we live out this queer spirituality in the world. With a captivating mix of personal story and biblical analysis, *Outside the Lines* shows us how each of our bodies fits into the body of Christ. Outside the lines and without exceptions.

The life and times of this iconic and enduring biblical book The book of Job raises stark questions about the meaning of innocent suffering and the relationship of the human to the divine, yet it is also one of the Bible's most obscure and paradoxical books. Mark Larrimore provides a panoramic history of this remarkable book, traversing centuries and traditions to examine how Job's trials and his challenge to God have been used and understood in diverse contexts, from commentary and liturgy to philosophy and art. Larrimore traces Job's reception by figures such as Gregory the Great, William Blake, and Elie Wiesel, and reveals how Job has come to be viewed as the Bible's answer to the problem of evil and the perennial question of why a God who supposedly loves justice permits bad things to happen to good people.

"Miracles from Heaven is a powerful, healing story about family, love, faith, and hope. It amazed me and it will inspire readers everywhere.---T.D. Jakes, bestselling author of *Destiny* In a remarkable true story of faith and blessings, a mother tells of her sickly young daughter, how she survived a dangerous accident, her visit to Heaven and the inexplicable disappearance of the symptoms of her chronic disease. Annabel Beam spent most of her childhood in and out of hospitals with a rare and incurable digestive disorder that prevented her from ever living a normal, healthy life. One sunny day when she was able to go outside and play with her sisters, she fell three stories headfirst inside an old, hollowed-out tree, a fall that may well have caused death or paralysis. Implausibly, she survived without a scratch. While unconscious inside the tree, with rescue workers struggling to get to her, she visited heaven. After being released from the hospital, she defied science and was inexplicably cured of her chronic ailment. *Miracles from Heaven* will change how we look at the world around us and reinforce our belief in God and the afterlife.

When Sarah and Tom Arthur were appointed to a suburban church after three years in an urban Christian community, they faced a unique challenge: how to translate the practices of "radical" faith into their new context. Together with their friends and fellow church members Erin and Dave Wasinger, the Arthurs embarked on a yearlong experiment to implement twelve small practices of radical faith--not waiting until they were out of debt or the kids were out of diapers or God sent them elsewhere, but right now. This book is Sarah and Erin's story, told with humor, theological reflection, and practical insight, exploring such practices as simplicity, hospitality, accountability, sustainability, and social justice--but, most of all, discernment. Along the way readers will consider how God might be calling them to embark on their own year of small but radical changes, right where God has planted them. Each chapter includes discussion

questions and suggested readings. Foreword by Jonathan Wilson-Hartgrove. For more information, visit

***Why does God feel so far away? Why is my worship so empty? Has God left me? David Bowden knows these questions firsthand, having wrestled for years with God's apparent absence and studying what the Bible says about it. In this new book, Bowden tackles the subject head-on, finding the key to understanding it in the Bible's depiction of a God who is infinitely far from us, free to move where he wants, but who chooses to come near in the person of Jesus. A resource of encouragement for those who struggle with feeling God's absence and a wake-up call to those who take God's presence for granted, When God Isn't There will forever change your understanding of why God sometimes seems to vanish and how he can be found again. Praise for the work of David Bowden "Awesome and inspiring."—Blake Mycoskie, Founder and Chief Shoe Giver at TOMS Shoes "David brings a fresh, engaging and highly impactful approach to Scripture. His passion for the Word is both contagious and inspirational." —Roy Peterson, President of American Bible Society***
