The Islands hold secrets for those brave enough to discover them. Scarlet McCray and the Lost Souls are happy as clams at high tide until they learn two very curse-worthy things. One: There is a new pirate captain sailing the seas. And two: Scarlet's family is coming to the tropics, forcing her to trade her pirate's cap for a petticoat. Now Jem Fitzgerald is in charge. And his most important mission--after guarding the treasure from the pirates and keeping peace among the crew--is to find the ferocious black panther that lives on Island X before the panther finds a single Lost Soul.

With most of her past still a mystery and the man who tried to kill her dead, Scarlett thought she could live a normal life. She was wrong. As rogue shadow-military units and world

Rocket In My Pocket

CRESTA: My day was going pretty well until I was abducted by aliens. Who am I kidding? Things weren't really going so great. My science career was failing, the Celestial Mates cherub was on my case, and I hadn't had a date in years. But being taken to a hostile planet to be impregnated with scorpion-bug larvae? That was a whole new level of suck-itude. Luckily, things are looking up. I just got rescued by some hot alien dude in a military uniform. And he's very easy on the eyes, if you know what I mean. Now we're shooting through the stars, trying to find our way back to civilization. If everyone would stop trying to kill us, things would be awesome. HARKUS: This human female is the most beautiful thing I have ever seen. She is a goddess. If I had to slay every alien in the galaxy to free her, I would. I am willing to destroy entire planets to keep my beloved safe. But not all fights are fair. If we make it out of this adventure alive, one thing is certain. We belong together. And nobody in this universe will tear us apart. ROCKET IN MY POCKET is the second YOLCADIAN WARRIORS romance novel, set in the Celestial Mates shared world. It features a guest appearance from the couple in THE MILLION MILES HIGH CLUB. God's good glory is all around us on earth. These poems are therefore a reflection on this omnipresent, magnificent glory. I have enjoyed writing them. I hope they bless you as you read and even take time to reflect.

The World's Sixteen Crucified Saviors has been out of print but sought after for many years. A small part of it was reprinted in The Book Your Church Doesn't Want You to Read in 1994. Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins, then arose from the dead.

The Emergency Council for Crime Control enlisted Major John Tattersall Lacy to rid their city of crime. Lacy organized the crime fighting group, Amusement Inc. *Legend has it there's a treasure in the Islands. Everyone's after it, including Jem Fitzgerald and his explorer uncle, Finn, the Islanders, and pirates. Even the infamous crew known as the Lost Souls—rumoured to be ghosts—has set their spyglasses on it. Why has the twenty-eight year old graphic artist Scarlett Reid been sent an anonymous email with one line written in the subject line: "I need your help" and attached, a story written by an eighteen year old named Kendra? The story that Kendra tells, is about her travels to see several *Grateful Dead* concerts in Colorado in the summer of 1987. Kendra's story, Scarlett soon reads, takes her from *Red Rocks Ampetheatre* to a campground just west of Boulder in which she comes across a body of a woman in the woods. At first, Scarlett believes this seemingly random story is meant for someone else, but she soon finds out that the story is indeed meant for her to read. She has no idea who sent the story to her, nor does she know why. But, after reading an article about the remains of a body discovered in the mountains just outside of *Telluride*, Scarlett realizes that not only is Kendra's story true, but the remains and Kendra's story must somehow be connected. Suddenly, Scarlett finds herself at the helm of a 30 year old mystery that only she is meant to unravel. What follows is a wild journey that sends Scarlett and her cubicle neighbor and new-found cohort *Sophie Campbell* on the track of a killer. The two set out to discover who was responsible for the murder and as the suspect list and the body count grows, so does the possibility that they might be in great danger from someone who does not want the truth to come to light. As Scarlett Reid peels away the layers of the story and learns more about its characters, she soon discovers that the story is a link to a past she never knew. A 30 year-old mystery buried deep in the Colorado mountains. Little does 28 year-old Scarlett Reid know how connected to the mystery she really is.
