

## Copendecy Workbook Free

*Detaching from unhealthy relationships was the start. Here's help for preventing coronavirus concerns from pulling you back into old patterns, and for living well—even in uncertain times. In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. You're learning to let go, to live your life free of the grip of someone else's problems. And yet you find you've just started on the long journey of recovery. Let Melody Beattie, author of the classic Codependent No More, help you along your way. A guided tour past the pitfalls of recovery, Beyond Codependency is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens next. In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. With real-life stories, hard-won insights, and activities, her book teaches the lessons of dealing with shame, growing in self-esteem, overcoming deprivation, and getting past fatal attractions long enough to find relationships that work.*

*In Codependent No More, Melody Beattie introduced the world to the term codependency. Now a modern classic, this book established Beattie as a pioneer in self-help literature and endeared her to millions of readers who longed for healthier relationships. Twenty-five years later concepts such as self-care and setting boundaries have become entrenched in mainstream culture. Now Beattie has written a follow-up volume, The New Codependency, which clears up misconceptions about codependency, identifies how codependent behavior has changed, and provides a new generation with a road map to wellness. The question remains: What is and what is not codependency? Beattie here reminds us that much of codependency is normal behavior. It's about crossing lines. There are times we do too much, care too much, feel too little, or overly engage. Feeling resentment after giving is not the same as heartfelt generosity. Narcissism and self-love, enabling and nurturing, and controlling and setting boundaries are not interchangeable terms. In The New Codependency, Beattie explores these differences, effectively invoking her own inspiring story and those of others, to empower us to step out of the victim role forever. Codependency, she shows, is not an illness but rather a series of behaviors that once broken down and analyzed can be successfully combated. Each section offers an overview of and a series of activities pertaining to a particular behavior -- caretaking, controlling, manipulation, denial, repression, etc. -- enabling us to personalize our own step-by-step guide to wellness. These sections, in conjunction with a series of tests allowing us to assess the level of our codependent behavior, demonstrate that while it may not seem possible now, we have the power to take care of ourselves, no matter what we are experiencing. Punctuated with Beattie's renowned candor and intuitive wisdom, The New Codependency is an owner's manual to learning to be who we are and gives us the tools necessary to reclaim our lives by renouncing unhealthy practices.*

*If you feel an intense pressure to be perfect, this evidence-based workbook offers real strategies based in cognitive-behavioral therapy (CBT) to help you develop a more balanced and healthy perspective. Do you hold yourself—and perhaps others—to extremely high standards? Do you procrastinate certain tasks because you're afraid you won't carry them out perfectly? If you've answered "yes" to one or both of these questions, chances are you're a perfectionist. And while there's nothing wrong with hard work and high standards, perfectionism can also take over your life if you let it. So, how can you find balance? With this workbook, you'll identify the causes of your perfectionism and the ways it is negatively impacting your life.*

*Rather than measuring your self-worth by productivity and accomplishments, you'll learn to exercise self-compassion, and extend that compassion to others. You'll also learn ways to prioritize the things that really matter to you, without focusing on attaining fixed goals. Life isn't perfect, and neither are we. If you're ready to break free from out-of-control perfectionism and start living a richer, fuller life, this workbook will help you get started.*

*A nationally recognized author and codependency expert examines the roots of shame and its connection with codependent relationships. Learn how to heal from their destructive hold by implementing eight steps that will empower the real you, and lead to healthier relationships. Shame: the torment you feel when you're exposed, humiliated, or rejected; the feeling of not being good enough. It's a deeply painful and universal emotion, yet is not frequently discussed. For some, shame lurks in the unconscious, undermining self-esteem, destroying confidence, and leading to codependency. These codependent relationships—where we overlook our own needs and desires as we try to care for, protect, or please another—often cover up abuse, addiction, or other harmful behaviors. Shame and codependency feed off one another, making us feel stuck, never able to let go, move on, and become the true self we were meant to be. In Conquering Shame and Codependency, Darlene Lancer sheds new light on shame: how codependents' feelings and beliefs about shame affect their identity, their behavior, and how shame can corrode relationships, destroying trust and love. She then provides eight steps to heal from shame, learn to love yourself, and develop healthy relationships.*

Presents a self-help guide for overcoming post-traumatic stress disorder and codependency, outlining a twelve-step program focused on promoting healing and the development of independence and self-reliance.

Free yourself from codependency with evidence-based tools and exercisesReclaim your sense of self and reclaim your life. From the author of The Codependency Recovery Plan, this workbook is a comprehensive resource filled with research-based strategies and activities for people seeking to break out of their codependent patterns and reestablish boundaries.Based in cognitive behavioral therapy (CBT), these practical exercises are designed to help you set goals, challenge and replace negative thoughts, identify your triggers, manage conflicts, and reduce stress. Moments of reflection at the end of each chapter provide helpful summaries as well as motivation to move forward in your recovery.The Codependency Workbook includes:in-depth explanations?Better understand what it means to be codependent, how it relates to addiction, and the ways that CBT can help you address

it.Modular approaches?Triage your biggest and most immediate concerns with help from exercises that you can complete in any order.Easy-to-use strategies?Make it simple to find the time and energy to heal using exercises that are both straightforward and don't take long to complete.Break free

from codependency and become independent with effective, evidence-based tools.

Plus, a body-focused approach to identifying codependent thinking, emotions and behaviour and provides an effective approach to recovery. Melody sets forth five primary adult symptoms of this crippling condition, then traces their origin to emotional, spiritual, intellectual, physical and sexual abuses that occur in childhood. Central to Melody's approach is the concept that the codependent adult's injured inner child needs healing. Recovery from codependence, therefore, involves clearing up the toxic emotions left over from these painful childhood experiences.

Conquering Shame and Codependency

Codependency Recovery Workbook

Detach--from codependency in 5 steps. You can say no. You can stop people pleasing and start setting boundaries. You can ask for what you need. You can love and be loved--without sacrifice--by breaking the codependency cycle. The Codependency Recovery Plan empowers you to have healthy, happy interdependent relationships. This actionable 5-step program is designed to help you get in touch with yourself, assert boundaries, and communicate confidently. You'll be free to nurture true intimacy. The 5-steps to break the codependency cycle include: Step 1. Get in Touch with Your "Self"--Learn how to stand on your own two feet. Step 2. Prioritize Self-Care--Show yourself respect by caring for your mind and body. Step 3. Build Boundaries--Take a stand for what feels good to you and love. Step 4. Communicate Confidently--Open up about what you think, feel, and need to share with others. Step 5: Get intimate--Experience healthy and joyful connections. You can't change your history with codependency--but you can take charge of your recovery. Starting now.

Discover How to Recognize Signs of Manipulation, Protect Your Mind Against the Toxic Effects of Gaslighting and Get Rid of Your Codependent Behavior for Good! Does it often feel like you're in a tiresome game of emotional chess with the people in your life, whether they're your parents, sibling, coworker or even spouses and lovers? Have you been second-guessing your memories and decisions a lot lately? Would you like to say goodbye to unhealthy emotional attachments and finally stop basing your happiness on someone else's behaviour? If yes, then this book is for you. In this 2-in-1 self-love bundle, you're going to discover how to stop seeking emotional validation from outside yourself and spot signs of emotional manipulation. You'll finally learn how to stop being so absorbed in other people's lives and break free from the gaslighting for good. The Self-Love Workbook 2-in-1 bundle contains everything you need to break out of the vicious cycle of emotional abuse and codependency. It has the following books: Gaslighting: How to Recover From Narcissistic Abuse and Toxic Relationships Codependent No More: Learn How to Love Yourself Again! In the pages of Gaslighting, you're going to learn. The 6 different types of gaslighting you probably had no idea was a manipulative strategy Fallsafe step-by-step instructions to help you cut-off toxic relationships with gaslighters, narcissists and other manipulative people The hormones that make it almost impossible to break free from abusive relationships and how to sever your biochemical connection with abusers Six psychologically proven ways to deal with PTSD from abusive relationships that work like magic How to break free from the vicious cycle of gaslighting and stop being an easy target for emotional abusers Nine red flags to look out for to find out if someone you know or work with is a narcissist or gaslighter ...and much more! Finally, here's what you're going to discover in Codependent No More: four different types of boundaries every individual possesses and how to protect these boundaries from invasion by manipulative people Surefire signs and symptoms that indicate that you or someone you know might have codependent tendencies The causes and triggers of codependency in marriage, or marital codependency Foolproof techniques and strategies to help you get rid of codependency forever and develop rock-solid self-esteem and confidence How to form proper and emotionally healthy connections in our relationships and prevent attachment-forming behaviours Step-by-step instructions to help you kickstart your journey to recovery from codependency ...and tons more! Deeply insightful and highly practical, The Self-Love Workbook is the only book you'll ever need to break free from the cycle of gaslighting and codependency as well as help you and chart form healthier relationships with the people in your life.

What is codependence, really? What creates addiction? Why am I attracted to the same codependent relationships over and over again? Why can't I stay sober? Why do I keep hurting or getting hurt by the people I love? How do my relationships affect my addiction? These questions and many more are answered in The Addict's Loop. The Addict's Loop uncovers and describes a new model for understanding codependent relationships and how they can create and fuel addiction. It is also a workbook with 9 steps toward recovery. There are examples, tools, writing exercises and solutions that heal codependent relationships and counter condition addiction patterns.

Discusses codependency and contains real-life examples, personal reflections, exercises, and self-tests designed to help people overcome their codependency.

Inspired Exercises to Heal Your Codependent Relationships

*Do you want to stop relying on relationships to meet all of your emotional needs? Then keep reading... Do you need to find love and validation outside of yourself to be able to function properly? Are your abandonment issues so severe that you feel as if one of your limbs is being amputated when someone leaves you? Like most psychiatric concepts, codependency causes, symptoms, and effects are complicated. In almost all cases, codependency disorder begins in childhood. Of course, all children are completely dependent on their caretakers in the first few years of their life, but as an adult, they shouldn't be dependent to the extent that it becomes harmful to both themselves and their family. When you have a codependent personality, you tend to have low self-esteem and turn to anything outside of yourself for comfort, such as alcohol, drugs, relationships, or compulsive behaviors. This can take a toll on your life and leave you in a state of constant fear of abandonment, a compelling need to please and control others, poor communication, lack of boundaries, and obsession with your partner. However, recovering from codependency and healing is possible! Anyone who struggles with codependent behaviors such as abandonment, trust, assertiveness, people pleasing, and dependency will greatly benefit from reading this book. Codependent Care: The No More Codependency Recovery Guide for Obtaining Detachment From Codependency will provide you with steps to identify codependent behaviors and strategies to get rid of them for good! In this book, you'll discover: The severity of codependency and its impact on individuals The real "culprit" who is to blame for your codependency Which dysfunctional character describes you Why codependents are dangerous to certain individuals The horrifying stages of codependency relationships/codependent marriage The telltale signs of a codependent relationship A simple technique for setting boundaries to open up the lines of communication When it's time pack and leave a toxic relationship How to make the road to recovery less humpy Proven techniques for maintaining your recovery And much much more! Many people struggle for years to let go of their codependency, but our codependency workbook provides proven techniques that makes facing codependence much simpler than other codependent books on the market. So if you're tired of looking for love and validation outside of yourself in order to function, then take control of your life. Order this book and begin your journey today!*

*Growth and Intimacy for Gay Men: A Workbook is an educational workbook for gay men that covers a variety of topics, including family of origin, addiction, self-image, dating and relationships, AIDS and multiple loss, and spirituality. Each chapter provides an overview of the mental health concerns of gay men, as well as exercises the reader can do to facilitate his personal understanding of the issues covered. While the book is written in nontechnical language, making it useful to the general public, its wide selection of workbook exercises makes it useful for psychotherapists and counselors working with gay men. Growth and Intimacy for Gay Men is written to the reader—with brief examples from the author's work as a clinical psychologist helping gay men. A central goal of the book is to normalize the feelings and experiences the reader has, as many gay men feel like they're the only ones with their feelings or experiences. The book's problem-solving approach addresses: family of origin—provides exercises to identify and examine gay men's role in the family, examine their childhood perceptions of being different, and help them map out family patterns and dynamics self-image—includes self-image assessment questionnaires and written exercises that challenge the reader to look at how they've affected by societal perceptions addiction—explores why gay men are vulnerable to addictive behavior and offers strategies for change and self-assessment exercises dating and relationships—covers the unique challenges faced by gay men, with exercises for single as well as coupled men AIDS and mental health—provides exercises to help the reader examine the impact of AIDS on his own life and to assess the impact of multiple loss and prolonged grief Readers can do the workbook exercises on their own, or therapists can assign chapters and exercises as homework, with clients bringing the completed assignment to therapy for more in-depth exploration and discussion. By providing informative chapters and useful exercises, Growth and Intimacy for Gay Men becomes an avenue through which gay men can understand their identity, experiences, and goals.*

*#2605 Buy the paperback version of this book and get the eBook FREE #2605 Do you want to have the courage to trust yourself, speak up for yourself, say "no," and enforce boundaries in your relationships? Do you find yourself always in the position of being caretaker, sacrificing your own needs in favor of someone else's, and taking on other people's responsibilities and consequences? Have you ever been a people-pleaser, trapped in your own commitments to come to the rescue of everyone else's happiness but your own? If you have said yes to any of these questions, you may be exhibiting signs of codependency. While the term codependency came about to describe alcoholic behavior, codependency is not just for those suffering from substance abuse. And codependency can be present in all types of relationships—romantic, platonic, or with friends and family. Codependency comes in many forms and vary degrees of severity, but we've all been there at some point. Always trying to "fix" someone. Finding ourselves constantly attracting the same types of low-functioning people who are always in some sort of "crisis" and we're always coming to their rescue. Having a hard time saying "no" when we know we should. Or maybe your relationship starts off great and you feel happy, but at some point you find yourself in a position where you get wrapped up in your partner's life, and push aside your own goals, dreams, and habits. What seemed like healthy attachment has now turned into you basing your happiness on someone else's and constantly seeking validation from outside yourself. Courage to Care Codependency will help you avoid codependency at all stages of a relationship. It will help you eliminate codependency in a current relationship, heal from the ending of a codependent relationship, and prevent getting into a codependent relationship in the future. Even though you may be exhibiting codependent behavior, it is not who you are, and your best self is underneath the parts of you that are holding you back. In this book, you will learn: How to practice saying no and enforcing boundaries How to reframe your thoughts to empower yourself and prevent future codependent behavior Seven steps to heal from a codependent relationship How to reclaim your self-esteem and self-confidence The key things you must do in order to avoid getting back into another codependent relationship How to free yourself from guilt of refusing to continue to be an enabling caretaker How to salvage a codependent relationship and turn it around How to identify which type of codependent you are Why your codependency isn't your fault The surprisingly innocent behavior you may have done as a child that is causing codependent behavior in adulthood Sneaky ways codependency shows up in relationships and the harmful codependent behaviors you may not realize you're exhibiting And much more... You deserve to have healthy relationships. It's never too late to make a change, even if you have "always been this way," and jumped from relationship to relationship, or held on to dysfunctional partners longer than you should have, repeating negative cycles and patterns for fear of being alone. You have the strength to free yourself from the burden of codependency, find your inner power, discover inner peace, and uncover the healthiest version of yourself. Your journey to healing starts right now. Scroll up and click "buy now" to get this book!*

Evidence-Based Skills to Help You Let Go of Self-Criticism, Build Self-Esteem, and Find Balance

*If your life has been affected by addiction (yours or someone else's), abuse, trauma or toxic shaming, you may also be struggling with another invisible problem - codependency. Without your even being aware of the connection to the above issues, it has created additional life-long challenges such as endless guilt, anxiety, perfectionism, need to control, depression, a history of dysfunctional relationships and much more. This easy to understand, interactive book will reveal how codependency has sabotaged you, the lies it created in your beliefs and the truths that expose them. Also included is a Guide to Recovery using simple acts of mindfulness to overcome harmful habits in your thinking, actions and choices that are keeping you from having peace. Once you understand you are not crazy, just coping with the deep-seated effects of codependency, you will be free to create the life you were always meant to have.*

*Written for those of us who struggle with codependency, these daily meditations offer growth and renewal, and remind us that the best thing we can do is take responsibility for our own self-care. Melody Beattie integrates her own life experiences and fundamental recovery reflections in this unique daily meditation book written especially for those of us who struggle with the issue of codependency.Problems are made to be solved, Melody reminds us, and the best thing we can do is take responsibility for our own pain and self-care. In this daily inspirational book, Melody provides us with a thought to guide us through the day and she encourages us to remember that each day is an opportunity for growth and renewal.*

*This second revised version offers a group leader's manual updated material. The Christian Codependence Recovery Workbook: From Surviving to Significance takes you through a truth-finding journey to reveal your system of love, life and relationships. It practically addresses the manifest behaviors, emotions and needs of the codependent, while simultaneously introducing the precious truths of God's love. This workbook doesn't just diagnose the problem, but offers the healing principles of the Lord Jesus Christ in a fresh and profound way. When applied, you will have the opportunity to live in freedom and grace, rather than bondage and control. Above all, this journey allows you to find freedom, purpose and identity in Christ. This book is written for anyone who wants to grow closer to the Lord, and to embrace healthy and whole relationships. Characterized by a person belonging to a dysfunctional, one-sided relationship where one person relies on the other for meeting nearly all of their emotional and self-esteem needs. Situated in Intellectual conduct treatment (CBT), these functional activities are intended to help you set objectives, challenge and supplant negative conceptions, distinguish your triggers, oversee clashes, and decrease pressure. The Workbook includes: In-depth explanations—Better understand what it means to be codependent, how it relates to addiction, and the ways that CBT can help you address it. Modular approaches—Triage your biggest and most immediate concerns with help from exercises that you can complete in any order. Easy-to-use strategies—Make it simple to find the time and energy to heal using exercises that are both straightforward and don't take long to complete. Break free from codependency and become independent with effective, evidence-based tools.*

Facing Codependence

How to Stop Controlling Others and Start Caring for Yourself

The Codependency Workbook: Free Yourself from Codependency with Evidence-Based Tools and Exercises

Is Codependency Different for Men?

As you discovered through reading Healing Your Lost Inner Child, until we do our work to examine, understand and heal our wounded inner child, this part will continue to show up in our lives. In Healing Your Lost Inner Child Companion Workbook, Psychotherapist and author Robert Jackman builds on the extensive material in the book with expanded exercises to help you better understand your inner child, yourself and your wisdom so that you feel authentic and complete. This workbook features additional stories, examples and new concepts. You can read the Companion Workbook independently, but you will receive a deeper level of healing if you complete the exercises in the workbook as you read the book. Part One includes all the exercises from the book. You may find that by doing the exercises a second time your inner child will reveal even more wisdom to you. Part Two contains all new material and expands on the HEAL process, helping you develop a deeper understanding of your relationships, codependency patterns and triggers and create a self-nurturing plan. You are giving yourself a great gift of healing and wholeness. Understand how, when and why your inner child shows up to protect you. Develop healthy boundary skills and learn more functional tools. Heal your negative self-talk and storytelling. Explore what you are avoiding or ignoring in your relationships. Understand your circles of connection, and how to speak your truth. Rejoin your authentic self and feel emotionally free and whole again.

Do you have trouble saying "no," or constantly sacrifice your own needs to please others? If so, this evidence-based workbook will help you set healthy boundaries in all aspects of your life—without feeling guilty or afraid. If you find yourself feeling responsible for others' happiness, worrying about letting people down, or struggling to speak up for yourself, you probably have difficulty setting healthy limits. Establishing clear personal boundaries is essential to creating and nurturing mutually respectful relationships based on equality. Setting limits can also protect you from getting involved in exploitative relationships, and help you avoid toxic personalities who don't have your best interests at heart. This evidence-based workbook will show you how to set healthy boundaries across all aspects of life—without sacrificing your kindness or compassion for others. You'll learn to define your boundaries and discover why they're so important for your emotional well-being. You'll also find a wealth of tips for maintaining boundaries in a "constantly-connected" world, strategies for what to do when people get upset or threatened by your assertiveness, and ways to make sure your needs are met. If you're tired of feeling guilty or afraid of putting your mental and physical health first, are ready to take back control of your life, and create healthy and balanced relationships, this book will show you how to step up and set limits, assert yourself confidently, and realize your full potential.

Free yourself from codependency with evidence-based tools and exercises Reclaim your sense of self-reclaim your life. From the same author as The Codependency Recovery Plan, The Codependency Workbook is a comprehensive resource filled with research-based strategies and activities for people seeking to break out of their codependent patterns. Learn how to address mood disorders, like depression and anxiety, that often appear within codependent relationships. With this workbook, the path to recovery is clear. Discover practical exercises based on Cognitive Behavioral Therapy (CBT) designed to help you set goals, challenge and replace negative thoughts, identify your triggers, manage conflicts and emotions, and reduce stress. Moments of reflection at the end of each chapter provide helpful summaries and motivation to move forward in your recovery. The Codependency Workbook includes: Codependency explained--You'll get a better understanding of this condition, including a broad look at addition and the benefits of using CBT to address these issues. Modular exercises--Triage the concerns you wish to prioritize first with exercises you can complete in any order. Inclusive approach--Secular, therapeutic activities include open discussions about all addictions (not just alcoholism). Break down the barriers to codependency recovery with realistic exercises and evidence-based tools so you can live authentically and independently. Your journey starts here.

A Soul Survival Kit

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In Boundary Boss, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say to manipulate, narcissists, and other toxic personalities who don't have your best interests at heart. This evidence-based workbook will show you how to set healthy boundaries across all aspects of life—without sacrificing your kindness or compassion for others. You'll learn to define your boundaries and discover why they're so important for your emotional well-being. You'll also find a wealth of tips for maintaining boundaries in a "constantly-connected" world, strategies for what to do when people get upset or threatened by your assertiveness, and ways to make sure your needs are met. If you're tired of feeling guilty or afraid of putting your mental and physical health first, are ready to take back control of your life, and create healthy and balanced relationships, this book will show you how to step up and set limits, assert yourself confidently, and realize your full potential.

What does it mean to feel at home, truly present with ourselves, comfortable with our choices, and alive to the possibilities of conscious change? How can we develop inner balance and connection, keeping our boundaries clear while opening our hearts to those we love? With practical wisdom and insight, Melody Beattie addresses these questions, encouraging us to reach a higher level of living and loving, and showing us how to be at home with ourselves wherever we are in the world, at whatever stage of life. Through true stories and take-action exercises, including journaling, visualizations, affirmations, meditations, and prayers, Beattie provides the essential tools to help us discover our own sense of home. Accessible and illuminating, Finding Your Way Home is a soul-searching look at how not to be victimized by ourselvesor other people. Beattie urges us to discover new levels of integrity, to break through barriers that have blocked us for too long. This is a powerful and challenging book about buying back our souls and learning to live a life guided by spirit.

Provides a detailed explanation of the Twelve-Step program designed by Alcoholics Anonymous, accompanied by advice on how to apply the program to codependent issues and cross-addiction

DIV The 40 Days to Starting Over: No More Sheets Challenge is an essential tool and companion piece to the ground-breaking and empowering book, No More Sheets. Many believers today are bound by the sheets of their pastdrug addiction, emotional bondage, sexual issues, abuse, and other life-shattering troubles. Dr. Juanita Bynum provides an easy-to-follow guide for believers struggling to live in God's perfect will. Through devotions, meditation, and journaling, you are led through a process to cast off the sheets that are entangling you and lead a fuller, more productive life serving the King of kings. This journal is a 40-day journey to find your identity. By the time you complete Day 40, you will have met the person you lost so long ago. You will have become reacquainted with who you really are, and you are going to like who you see! /div

How to Set Boundaries and Make Your Life Your Own

Breaking Free

A 5-Step Guide to Understand, Accept, and Break Free from the Codependent Cycle

Codependent No More WorkbookSimon and Schuster

In this seminal work, Codependent No More, the author breaks down, in a most lucid fashion, the cause and effect of being in a codependent relationship, and how to overcome it.

Large Print.

In her pioneering Facing Codependence, Pia Mellody traced the origins of codependence back to childhood and a wide range of emotional, spiritual, intellectual, physical, and sexual abuses. Now in this innovative new workbook, she presents a step-by-step journal-keeping method for moving toward recovery from codependence. Based on such concepts as the "precious child" and the five core symptoms of codependence, along with the Twelve-Step process of recovery used by Codependents Anonymous, Breaking Free provides strategies and insights for attacking the fundamental problem in codependence--the lack of dependence on self. In a three-part approach to recovery, Mellody first shows recovering codependents how to move beyond denial of their childhood history of abuse. She then offers techniques to identify concrete ways in which the symptoms of codependence operate in their lives. Finally, Mellody guides users through the process of identifying and recording specific instances of improvement in their lives as an aid to greater self-awareness and further recovery.

In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. You're learning to let go, to live your life free of the grip of someone else's problems. And yet you find you've just started on the long journey of recovery. Let Melody Beattie, author of the classic Codependent No More, help you along your way. A guided tour past the pitfalls of recovery, Beyond Codependency is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens next.In simple, straightforward terms, Beattie takes you into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. With personal stories, hard-won insights, and activities, her book teaches the lessons of dealing with shame, growing in self-esteem, overcoming deprivation, and getting past fatal attractions long enough to find relationships that work.

Are you a people pleaser? Do you have problems setting boundaries in relationships? This is the ONLY guide that will take you to a life without codependency. Start recovering today.

The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. Is someone else's problem your problem? If, like so many others, you've lost sight of your own life in the drama of tending to someone else's, you may be yourself in this book--Codependent No More!The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life.With instructive life stories, personal reflections, exercises, and self-tests, Codependent No More is a simple, the perplexing world of codependency--charting the path to freedom and a lifetime of healing, hope, and happiness.Melody Beattie is the author of Beyond Codependency, The Language of Letting Go, Stop Being Mean to Yourself, The Codependent No More Workbook and Playing It by Heart.

Do you want to get rid of your codependent traits? Have you ever been reprimanded for not having the courage to handle things on your own and beyond the tendency to depend too much on other people? If the answer to these two questions is YES, I think you are in the right place. Why do I say this? If you want to develop autonomy and self-esteem, to have your own life, it is fundamental to understand what the problems are and what can be done to overcome them. Usually, in codependent relationships, there are many negative emotions such as guilt, anger, depression, shame or inadequacy. All these intense emotions forbid true joy and satisfaction in the relationships we have with others. It is important to deal with this.

Understanding clear personal boundaries is essential to creating and nurturing mutually respectful relationships based on equality. Setting limits can also protect you from getting involved in exploitative relationships, and help you avoid toxic personalities who don't have your best interests at heart. This evidence-based workbook will show you how to set healthy boundaries across all aspects of life—without sacrificing your kindness or compassion for others. You'll learn to define your boundaries and discover why they're so important for your emotional well-being. You'll also find a wealth of tips for maintaining boundaries in a "constantly-connected" world, strategies for what to do when people get upset or threatened by your assertiveness, and ways to make sure your needs are met. If you're tired of feeling guilty or afraid of putting your mental and physical health first, are ready to take back control of your life, and create healthy and balanced relationships, this book will show you how to step up and set limits, assert yourself confidently, and realize your full potential.

Free yourself from codependency with evidence-based tools and exercises Reclaim your sense of self-reclaim your life. From the same author as The Codependency Recovery Plan, The Codependency Workbook is a comprehensive resource filled with research-based strategies and activities for people seeking to break out of their codependent patterns. Learn how to address mood disorders, like depression and anxiety, that often appear within codependent relationships. With this workbook, the path to recovery is clear. Discover practical exercises based on Cognitive Behavioral Therapy (CBT) designed to help you set goals, challenge and replace negative thoughts, identify your triggers, manage conflicts and emotions, and reduce stress. Moments of reflection at the end of each chapter provide helpful summaries and motivation to move forward in your recovery. The Codependency Workbook includes: Codependency explained--You'll get a better understanding of this condition, including a broad look at addition and the benefits of using CBT to address these issues. Modular exercises--Triage the concerns you wish to prioritize first with exercises you can complete in any order. Inclusive approach--Secular, therapeutic activities include open discussions about all addictions (not just alcoholism). Break down the barriers to codependency recovery with realistic exercises and evidence-based tools so you can live authentically and independently. Your journey starts here.
