In ELSEWHERE, master storyteller Dean Koontz, has created a brilliant and terrifying speculative thriller with hat-tips to George Orwell, Ray Bradbury and HG Wells.

Police Detective Harry Lyon is caught in a whirlwind of terror that threatens to sweep away not only him but his partner and everyone he loves.

**#1 New York Times bestselling author Dean Koontz gives a new meaning to “blood brothers” in this chilling novel of friendship gone awry... No one could understand why Colin and Roy were best friends. Colin was so shy; Roy was so popular. Colin was nervous around girls; Roy was a ladies' man. Colin was fascinated by Roy—and Roy was fascinated by death.**

**Then one day Roy asked his timid friend: “You ever killed anything?” And from that moment on, the two were bound together in a game too terrifying to imagine...and too irresistible to stop.**

A brilliantly layered novel of crime, character, and place from the two-time Edgar Award winner, Gold Dagger Award winner, and New York Times bestselling author of Sunset Limited. Few writers in America today combine James Lee Burke’s lush prose, crackling story lines, and tremendous sense of history and landscape. In Cimmaron Rose, longtime fans of the Dave Robicheaux series found that the struggles of Texas defense attorney Billy Bob Holland show Burke at his best in exploring classic American themes—the sometimes subtle, often violent strains between the haves and the have-nots; the collision of past and present; the inequities in the criminal justice system. Heartwood is a kind of tree that grows in layers. And as Billy Bob’s grandfather once told him, you do well in life by keeping the roots in a clear stream and not letting anyone taint the water for you. But in Holland’s dusty little hometown of Deaf Smith, in the hill country north of Austin, local kingpin Earl Deitrich has made a fortune running roughshod and tainting anyone who stands in his way. Billy Bob has problems with Deitrich and his shamelessly callous demeanor, but can’t shake the legacy of his passion for Deitrich’s “heartbreak-beautiful” wife, Peggy Jean. When Holland takes on the defense of Wilbur Pickett—a man accused of stealing an heirloom and three hundred thousand dollars in bonds from Deitrich’s office—he finds himself up against not only Earl’s power and influence, but also a past Billy Bob can’t will away. A wonderfully realized novel, rich in Texas atmosphere and lore, and a dazzling portrait of the deadly consequences of self-delusion, Heartwood could only have been written by James Lee Burke, a writer in expert command of his craft.

**The #1 New York Times bestselling author’s visually stunning story about a magical band of living toys who learn to overcome their fears. Toymaker Isaac Bodkins created the Oddkins, a group of living toys, for very special children who face difficulties in life and need true friends. There’s Amos, the brave stuffed bear; Skippy, the rabbit who dreams of being a superstar; Butterscotch, the gentle, floppy-eared pup; Burl the elephant; the wise and scholarly Gibbons; and Patch the cat. The Oddkins are given to children to inspire, support, and love them, especially during times of adversity. Only now, the toys themselves are the ones who need help. Before he dies, Mr. Bodkins delivers a dire warning to Amos the bear: Watch out for an evil toymaker and his dangerous creations! Locked up in the dark sub-basement, another group of toys is climbing out of boxes and crates and coming to life as well. These bad toys—like Rex and Lizzie, the puppets with no strings; Gear, the vicious robot; and Stinger, the horrid buzzing bumblebee with his knife-sharp stinger—were made to hurt children, not help them. Leering, laughing, and deadly, they are let loose into the world by a terrifying force. Frightening as it may be, the Oddkins must go on a journey to find Colleen Shannon, Mr. Bodkins’s chosen successor as a life-giving toymaker and the only person who can save them. The stormy night is perilous and the Oddkins face a danger that threatens not only their magic . . . but the magic in us all.**
