The definitive history of the Cold War
and its impact around the world We tend
to think of the Cold War as a bounded
conflict: a clash of two superpowers,
the United States and the Soviet Union,
born out of the ashes of World War II
and coming to a dramatic end with the*

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

collapse of the Soviet Union. But in this major new work, Bancroft Prize-winning scholar Odd Arne Westad argues that the Cold War must be understood as a global ideological confrontation, with early roots in the Industrial Revolution and ongoing repercussions around the world. In The Cold War, Westad offers a new perspective on a century when great power rivalry and ideological battle transformed every corner of our globe. From Soweto to

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

Hollywood, Hanoi, and Hamburg, young men and women felt they were fighting for the future of the world. The Cold War may have begun on the perimeters of Europe, but it had its deepest reverberations in Asia, Africa, and the Middle East, where nearly every community had to choose sides. And these choices continue to define economies and regimes across the world. Today, many regions are plagued with environmental threats, social divides,

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

and ethnic conflicts that stem from this era. Its ideologies influence China, Russia, and the United States; Iraq and Afghanistan have been destroyed by the faith in purely military solutions that emerged from the Cold War. Stunning in its breadth and revelatory in its perspective, this book expands our understanding of the Cold War both geographically and chronologically, and offers an engaging new history of how today's world was

Online Library Cold War Conflicts Chapter 26

created.

This book, first published in 1993, is an analytical review that discusses the changes in the international security policies of the USA and USSR at the end of the Cold War, as well as the main events that occurred in the area of arms control. A distinctive feature of this work is the detailed analysis of competing Russian views concerning arms control agreements and Russian military reforms.

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

Since the end of the Cold War there have been many competing ideas about how to explain contemporary conflicts, and about how the West should respond to them. This study examines how the media interpret conflicts and international interventions, testing the sometimes contradictory claims that have been made about recent coverage of war. Framing post-Cold War conflicts takes a comparative approach, examining UK press coverage across six different

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

crises. Through detailed analysis of news content, it seeks to identify the dominant themes in explaining the post-Cold War international order, and to discover how far the patterns established prior to 11 September 2001 have subsequently changed. Based on extensive original research, the book includes case studies of two 'humanitarian military interventions' (in Somalia and Kosovo), two instances where Western governments were

pervasive due to access to ever-complex and versatile media. Written in an accessible style and format, this book has proven its appeal to the general reader as the public becomes more and more cynical of the manipulations of the political sphere.

For more than a century, no US adversary or coalition of adversaries - not Nazi Germany, Imperial Japan, or the Soviet Union - has ever reached sixty percent of US GDP. China is the sole exception, and it is fast emerging into a global superpower that could rival, if not eclipse, the United States. What does China want, does it have a grand strategy to achieve it, and what should the United States do about it? In *The Long Game*, Rush Doshi

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

draws from a rich base of Chinese primary sources, including decades worth of party documents, leaked materials, memoirs by party leaders, and a careful analysis of China's conduct to provide a history of China's grand strategy since the end of the Cold War. Taking readers behind the Party's closed doors, he uncovers Beijing's long, methodical game to displace America from its hegemonic position in both the East Asia regional and global orders through three sequential "strategies of displacement." Beginning in the 1980s, China focused for two decades on "hiding capabilities and biding time." After the 2008 Global Financial Crisis, it became more assertive regionally, following a policy of

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

"actively accomplishing something." Finally, in the aftermath populist elections of 2016, China shifted to an even more aggressive strategy for undermining US hegemony, adopting the phrase "great changes unseen in century." After charting how China's long game has evolved, Doshi offers a comprehensive yet asymmetric plan for an effective US response. Ironically, his proposed approach takes a page from Beijing's own strategic playbook to undermine China's ambitions and strengthen American order without competing dollar-for-dollar, ship-for-ship, or loan-for-loan.

A startling exposé of the CIA's development and spread of psychological torture, from the Cold War to Abu Ghraib and beyond In this revelatory account of the CIA's secret, fifty-year effort to develop new forms of torture, historian Alfred W. McCoy uncovers the deep, disturbing roots of recent scandals at Abu

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

Ghraib and Guantánamo. Far from aberrations, as the White House has claimed, A Question of Torture shows that these abuses are the product of a long-standing covert program of interrogation. Developed at the cost of billions of dollars, the CIA's method combined "sensory deprivation" and "self-inflicted pain" to create a revolutionary psychological approach—the first innovation in torture in centuries. The simple techniques—involving isolation, hooding, hours of standing, extremes of hot and cold,

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

and manipulation of time—constitute an all-out assault on the victim's senses, destroying the basis of personal identity. McCoy follows the years of research—which, he reveals, compromised universities and the U.S. Army—and the method's dissemination, from Vietnam through Iran to Central America. He traces how after 9/11 torture became Washington's weapon of choice in both the CIA's global prisons and in "torture-friendly" countries to which detainees are dispatched. Finally McCoy argues that information

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

extracted by coercion is worthless, making a case for the legal approach favored by the FBI. Scrupulously documented and grippingly told, A Question of Torture is a devastating indictment of inhumane practices that have spread throughout the intelligence system, damaging American's laws, military, and international standing.

Latin America and the Global Cold War analyzes more than a dozen of Latin America's forgotten encounters with Africa, Asia, and the Communist world, and by placing the

Online Library Cold War Conflicts Chapter 26

Bruce Riedel provides new perspective and insights into Kennedy's forgotten crisis in the most dangerous days of the cold war. The Cuban Missile Crisis defined the presidency of John F. Kennedy. But during the same week that the world stood transfixed by the

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

possibility of nuclear war between the United States and the Soviet Union, Kennedy was also consumed by a war that has escaped history's attention, yet still significantly reverberates today: the Sino-Indian conflict. As well-armed troops from the People's Republic of China surged into Indian-held territory in October 1962, Kennedy ordered an emergency airlift of supplies to the Indian army. He engaged in diplomatic talks that kept the neighboring Pakistanis out of the fighting. The conflict came to an end with a

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

unilateral Chinese cease-fire, relieving Kennedy of a decision to intervene militarily in support of India. Bruce Riedel, a CIA and National Security Council veteran, provides the first full narrative of this crisis, which played out during the tense negotiations with Moscow over Cuba. He also describes another, nearly forgotten episode of U.S. espionage during the war between India and China: secret U.S. support of Tibetan opposition to Chinese occupation of Tibet. He details how the United States, beginning in 1957, trained

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

and parachuted Tibetan guerrillas into Tibet to fight Chinese military forces. The United States did not abandon this covert support until relations were normalized with China in the 1970s. Riedel tells this story of war, diplomacy, and covert action with authority and perspective. He draws on newly declassified letters between Kennedy and Indian leader Jawaharlal Nehru, along with the diaries and memoirs of key players and other sources, to make this the definitive account of JFK's forgotten crisis. This is,

Deterrence as a strategic concept evolved during the Cold War. During that period, deterrence strategy was aimed mainly at preventing aggression against the United States and its close allies by the hostile Communist power centers--the Union of Soviet Socialist Republics (USSR) and its allies, Communist China and North Korea. In particular, the strategy was devised to

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

prevent aggression involving nuclear attack by the USSR or China. Since the end of the Cold War, the risk of war among the major powers has subsided to the lowest point in modern history. Still, the changing nature of the threats to American and allied security interests has stimulated a considerable broadening of the deterrence concept. Post-Cold War Conflict Deterrence examines the meaning of deterrence in this new environment and identifies key elements of a post-Cold War deterrence strategy and the critical issues in devising such a strategy. It further examines the significance of these findings for the U.S. Navy and Marine Corps. Quantitative and qualitative measures to support

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

judgments about the potential success or failure of deterrence are identified. Such measures will bear on the suitability of the naval forces to meet the deterrence objectives. The capabilities of U.S. naval forces that especially bear on the deterrence objectives also are examined. Finally, the book examines the utility of models, games, and simulations as decision aids in improving the naval forces' understanding of situations in which deterrence must be used and in improving the potential success of deterrence actions.

With a new preface by the author Controversial in nature, this book demonstrates that the United States did not need to use the atomic bomb against Japan.

In Reagan and Gorbachev, Jack F. Matlock, Jr., gives an eyewitness account of how the Cold War ended, with humankind declared the winner. As Reagan's principal adviser on Soviet and

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

European affairs, and later as the U.S. ambassador to the U.S.S.R., Matlock lived history: He was the point person for Reagan's evolving policy of conciliation toward the Soviet Union. Working from his own papers, recent interviews with major figures, and archival sources both here and abroad, Matlock offers an insider's perspective on a diplomatic campaign far more sophisticated than previously thought, led by two men of surpassing vision. Matlock details how, from the start of his term, Reagan privately pursued improved U.S.—U.S.S.R. relations, while rebuilding America's military and

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

fighting will in order to confront the Soviet Union while providing bargaining chips. When Gorbachev assumed leadership, however, Reagan and his advisers found a potential partner in the enterprise of peace. At first the two leaders sparred, agreeing on little. Gradually a form of trust emerged, with Gorbachev taking politically risky steps that bore long-term benefits, like the agreement to abolish intermediate-range nuclear missiles and the agreement to abolish intermediate-range nuclear missiles and the U.S.S.R.'s significant unilateral troop reductions in 1988. Through his recollections and

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

unparalleled access to the best and latest sources, Matlock describes Reagan's and Gorbachev's initial views of each other. We learn how the two prepared for their meetings; we discover that Reagan occasionally wrote to Gorbachev in his own hand, both to personalize the correspondence and to prevent nit-picking by hard-liners in his administration. We also see how the two men were pushed closer together by the unlikeliest characters (Senator Ted Kennedy and François Mitterrand among them) and by the two leaders' remarkable foreign ministers, George Shultz and Eduard Shevardnadze. The

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

end of the Cold War is a key event in modern history, one that demanded bold individuals and decisive action. Both epic and intimate, Reagan and Gorbachev will be the standard reference, a work that is critical to our understanding of the present and the past.

A classic work, Munitions of the mind traces how propaganda has formed part of the fabric of conflict since the dawn of warfare, and how in its broadest definition it has also been part of a process of persuasion at the heart of human communication. Stone monuments, coins, broadsheets, paintings and pamphlets, posters,

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

radio, film, television, computers and satellite communications - throughout history, propaganda has had access to ever more complex and versatile media. This third edition has been revised and expanded to include a new preface, new chapters on the 1991 Gulf War, information age conflict in the post-Cold War era, and the world after the terrorist attacks of September 11. It also offers a new epilogue and a comprehensive bibliographical essay. The extraordinary range of this book, as well as the original and cohesive analysis it offers, make it an ideal text for all international courses covering media and

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

communications studies, cultural history, military history and politics. It will also prove fascinating and accessible to the general reader. A comprehensive look at the hundred-year history of the Cold War, from the rise of Lenin and communism to the foreign policy of George W. Bush. -- CNN's 24-part series, telecast in late 1998, is still alive and well on CNN Interactive. -- Who says the Cold War is over? Heard about the collision between the Chinese freighter and the U.S. Navy spy plane? New York Times political columnist Maureen Dowd said in April, "One veteran cold warrior who served under several

Cuban Missile Crisis and death in Vietnam; the turbulent Sixties; Nixon visits China; Cold War America in the Seventies and Eighties -- the "Evil Empire, " Grenada, Nicaragua, and KAL Flight 007, and Post-Cold War policy, the Cold War legacy.

The Cold War shaped the world we live in today - its politics, economics, and military affairs. This book shows how the globalization of the Cold War during the last century created the foundations for most of the key conflicts we see today, including the War on Terror. It focuses on how the Third World policies of the two twentieth-

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

century superpowers - the United States and the Soviet Union - gave rise to resentments and resistance that in the end helped topple one superpower and still seriously challenge the other. Ranging from China to Indonesia, Iran, Ethiopia, Angola, Cuba, and Nicaragua, it provides a truly global perspective on the Cold War. And by exploring both the development of interventionist ideologies and the revolutionary movements that confronted interventions, the book links the past with the present in ways that no other major work on the Cold War era has succeeded in doing.

“lean on the Soviets until they go broke”—all the pivotal events of the period are portrayed in new and stunning detail with information only someone on the front lines and in backrooms could know. Yet At the Abyss is more than a riveting and comprehensive recounting. It is a cautionary tale for our time, a revelation of how, “those years . . . came to be known as the Cold War, not World War III.”

This open access volume surveys the state of the field to examine whether a fifth wave of deterrence theory is emerging. Bringing together insights from world-leading experts from three continents, the volume identifies the

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

most pressing strategic challenges, frames theoretical concepts, and describes new strategies. The use and utility of deterrence in today's strategic environment is a topic of paramount concern to scholars, strategists and policymakers. Ours is a period of considerable strategic turbulence, which in recent years has featured a renewed emphasis on nuclear weapons used in defence postures across different theatres; a dramatic growth in the scale of military cyber capabilities and the frequency with which these are used; and rapid technological progress including the proliferation of long-range strike and unmanned

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

systems. These military-strategic developments occur in a polarized international system, where cooperation between leading powers on arms control regimes is breaking down, states widely make use of hybrid conflict strategies, and the number of internationalized intrastate proxy conflicts has quintupled over the past two decades. Contemporary conflict actors exploit a wider gamut of coercive instruments, which they apply across a wider range of domains. The prevalence of multi-domain coercion across but also beyond traditional dimensions of armed conflict raises an important question: what does effective deterrence look like in the 21st

Online Library Cold War Conflicts Chapter 26
Section 3 Guided Reading The At Home

century? Answering that question requires a re-appraisal of key theoretical concepts and dominant strategies of Western and non-Western actors in order to assess how they hold up in today's world. Air Commodore Professor Dr. Frans Osinga is the Chair of the War Studies Department of the Netherlands Defence Academy and the Special Chair in War Studies at the University Leiden. Dr. Tim Sweijis is the Director of Research at The Hague Centre for Strategic Studies and a Research Fellow at the Faculty of Military Sciences of the Netherlands Defence Academy in Breda. Collects and analyzes seventy years of

In this new edition of his classic 1970 memoir about the notorious U-2 incident, pilot Francis Gary Powers reveals the full story of what actually happened in the most sensational espionage case in Cold War history. After surviving the shoot-down of his reconnaissance plane and his capture on May 1, 1960, Powers endured sixty-one days of rigorous interrogation by the KGB, a public trial, a conviction for espionage, and the start of a ten-year sentence. After nearly two years, the U.S. government obtained his release from prison in a dramatic exchange

for convicted Soviet spy Rudolph Abel. The narrative is a tremendously exciting suspense story about a man who was labeled a traitor by many of his countrymen but who emerged a Cold War hero.

Very Short Introductions: Brilliant, Sharp, Inspiring The Cold War dominated international life from the end of World War II to the fall of the Berlin Wall in 1989. But how did the conflict begin? Why did it move from its initial origins in Postwar Europe to encompass virtually every corner of the globe? And why, after lasting so long, did the war end so suddenly and unexpectedly? Robert McMahon considers these questions and more, as well as looking at the legacy of the Cold War and its impact on

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

international relations today. The Cold War: A Very Short Introduction is a truly international history, not just of the Soviet-American struggle at its heart, but also of the waves of decolonization, revolutionary nationalism, and state formation that swept the non-Western world in the wake of World War II. McMahon places the 'Hot Wars' that cost millions of lives in Korea, Vietnam, and elsewhere within the larger framework of global superpower competition. He shows how the United States and the Soviet Union both became empires over the course of the Cold War, and argues that perceived security needs and fears shaped U.S. and Soviet decisions from the beginning—far more, in fact, than did their economic and

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

territorial ambitions. He unpacks how these needs and fears were conditioned by the divergent cultures, ideologies, and historical experiences of the two principal contestants and their allies. Covering the years 1945-1990, this second edition uses recent scholarship and newly available documents to offer a fuller analysis of the Vietnam War, the changing global politics of the 1970s, and the end of the Cold War. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

enthusiasm to make interesting and challenging topics highly readable.

This new Handbook examines the issues, challenges, and debates surrounding the problem of security in Africa. Africa is home to most of the world's current conflicts, and security is a key issue. However, African security can only be understood by employing different levels of analysis: the individual (human security), the state (national/state security), and the region (regional/international security). Each of these levels provides analytical tools for understanding what could be called the "African security predicament" and these debates are animated by the "new security" issues: immigration, small arms transfers, gangs

Online Library Cold War Conflicts Chapter 26

Section 3 Guided Reading The At Home

and domestic crime, HIV/AIDS, transnational crime, poverty, and environmental degradation. African security therefore not only presents concrete challenges for international security but provides a real-world context for challenging conventional conceptions of security. Drawing together contributions from a wide range of key thinkers in the field, the Routledge Handbook of African Security engages with these debates, and is organized into four parts: Part I: The African security predicament in the twenty-first century; Part II: Understanding conflict in Africa; Part III: Regionalism and Africa; Part IV: External influences. This Handbook will be of great interest to students of African politics, human security,

Online Library Cold War Conflicts Chapter 26

global security, war and conflict studies, peacebuilding, and IR in general.

To date, the history of military and war has focused predominantly on men as historical agents, disregarding gender and its complex interrelationships with war and the military. The Oxford Handbook of Gender, War, and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of war and the military and were transformed by them. Covering the major periods in warfare since the seventeenth century, the Handbook focuses on Europe and the long-term processes of colonization and empire-building in the Americas, Asia, Africa and Australia. Thirty-two essays

written by leading international scholars explore the cultural representations of war and the military, war mobilization, and war experiences at home and on the battle front. Essays address the gendered aftermath and memories of war, as well as gendered war violence. Essays also examine movements to regulate and prevent warfare, the consequences of participation in the military for citizenship, and challenges to ideals of Western military masculinity posed by female, gay, and lesbian soldiers and colonial soldiers of color. The Oxford Handbook of Gender, War, and the Western World since 1600 offers an authoritative account of the intricate relationships between gender, warfare, and military culture across time and

borders that may affect international peace and security. What is not yet clear is whether or how these changes alter the way actors on the world scene should deal with conflict: Do the old methods still work? Are there new tools that could work better? How do old and new methods relate to each other? International Conflict Resolution After the Cold War critically examines evidence on the effectiveness of a dozen approaches to managing or resolving conflict in the world to develop insights for conflict resolution practitioners. It considers recent applications of familiar conflict management strategies, such as the use of threats of force, economic sanctions, and negotiation. It presents the first systematic assessments of the usefulness of some less familiar approaches to conflict resolution, including

truth commissions, "engineered" electoral systems, autonomy arrangements, and regional organizations. It also opens up analysis of emerging issues, such as the dilemmas facing humanitarian organizations in complex emergencies. This book offers numerous practical insights and raises key questions for research on conflict resolution in a transforming world system.

The Decision to Use the Atomic Bomb
Vintage
Offers information on the Korean War Veterans Memorial in Washington, D.C., presented by the National Park Service. Discusses the history of the memorial and provides access to images.

This new Handbook offers a wide-ranging overview of current scholarship on the Cold War, with essays from many

leading scholars. The field of Cold War history has consistently been one of the most vibrant in the field of international studies. Recent scholarship has added to our understanding of familiar Cold War events, such as the Korean War, the Cuban Missile Crisis and superpower détente, and shed new light on the importance of ideology, race, modernization, and transnational movements. The Routledge Handbook of the Cold War draws on the wealth of new Cold War scholarship, bringing together essays on a diverse range of topics such as geopolitics, military power and technology and strategy. The chapters also address the importance of non-state actors, such as scientists, human rights activists and the Catholic Church, and examine the importance of development, foreign aid and overseas

organizations and contemporary issues that continue to influence the shaping of the new international order. A comprehensive survey of diplomacy across the world, this work will be essential reading for scholars and professionals alike.

Published to coincide with the twentieth anniversary of the fall of the Berlin Wall — a definitive and groundbreaking account of the revolutionary ideology that changed the modern world. The inexorable rise of Communism was the most momentous political phenomenon of the first half of the twentieth century. Its demise in Europe and its decline elsewhere have produced the most profound political changes of the last few decades. In this illuminating book, based on

revolution in 1949 set the stage, Chen says. The Korean War, the Taiwan Strait crises, and the Vietnam War--all of which involved China as a central actor--represented the only major "hot" conflicts during the Cold War period, making East Asia the main battlefield of the Cold War, while creating conditions to prevent the two superpowers from engaging in a direct military showdown. Beijing's split with Moscow and rapprochement with Washington fundamentally transformed the international balance of power, argues Chen, eventually leading to the end of the Cold War with the collapse of the Soviet Empire and the decline of international communism. Based on sources that include recently declassified Chinese

overview of the changes brought about in Third World countries since the end of the cold war. The book does so in two ways: by highlighting major areas of change in the Third World, and using regional case-studies as a means of isolating changes specific to certain regions. The themes chosen by the editors—economics, politics, security—are not, of course, exhaustive, but are broadly interpreted so as to encompass the major areas of change among Third World countries. The regional case-studies—Asia-Pacific, Latin America, South Asia, Africa, the Middle East—were selected to bring out
