

## Coloured Glasses

A whirlwind romance changes a young woman's life forever... Anne Baker writes a spellbinding saga in *Through Rose-Coloured Glasses*, in which a young woman's rash decision leads her into new dangers. Perfect for fans of Lyn Andrews and Nadine Dorries. Dinah Radcliffe doesn't have much money to spend on the finer things in life, but she shares a contented existence with her mother, Sarah. They have seen their share of troubles since Dinah's father was killed in the Great War, but the Radcliffes have always made the best of things. When Dinah meets widowed businessman Richard Haldane at the races, her life changes beyond recognition. Richard sweeps Dinah off her feet, dazzling her with a glimpse of wealth and privilege beyond her wildest dreams, and they are married in a matter of weeks. But Richard is not the man Dinah thought he was. Soon, she's learning that money can't buy you happiness. And that she's married to a man who takes far more dangerous risks than just betting on his horses... What Amazon readers are saying about *Through Rose-Coloured Glasses*: 'Now this book I really could not put down. It had everything that makes a good book. As well as a really good story there was mystery and twists and turns throughout. I empathised with the main character almost immediately but there were so many times when I wondered if my sympathies were with the right person. A really intriguing story from a first-rate author' 'I found this book absolutely brilliant and hard to put down! The plot was very well written and flowed well from the beginning, and I can honestly say there wasn't a part that I disliked ...I would recommend this book to all my friends!'

Imagine Seeing Yourself the Way God Sees You ...

**"What a wonderful, emotional ride! It's like the Ordinary People of the 21st century...such an achievement!" —Robyn Carr, #1 New York Times bestselling author of *The Summer That Made Us* **SEEING THE WORLD THROUGH ROSIE COLORED GLASSES** Just as opposites attract, they can also cause friction, and no one feels that friction more than Rex and Rosie's daughter, Willow. Rex is serious and unsentimental and tapes checklists of chores on Willow's bedroom door. Rosie is sparkling and enchanting and meets Willow in their treehouse in the middle of the night to feast on candy. After Rex and Rosie's divorce, Willow finds herself navigating their two different worlds. She is clearly under the spell of her exciting, fun-loving mother. But as Rosie's behavior becomes more turbulent, the darker underpinnings of her manic love are revealed. Rex had removed his Rosie colored glasses long ago, but will Willow do the same? Whimsical, heartbreaking and uplifting, this is a novel about the many ways love can find you. *Rosie Colored Glasses* triumphs with the most endearing examples of how mothers and fathers and sons and daughters bend for one another.**

A Novel

Sky Coloured Glasses

**Told with the emotional impact of Jonathan Safran Foer's Extremely Loud and Incredibly Close, this powerful debut is at once beguiling and heartbreaking. Rosie Coloured Glasses is a novel about the important things in life, about a young person's struggle to make sense of a world of extremes — extreme loneliness and extreme love — and about how the human heart may break, yet still have the capacity to heal and the resiliency to love again. Seeing the world through Rosie Coloured Glasses Just as opposites attract, they can also cause friction, and no one feels that friction more than Rex and Rosie's daughter, Willow. Rex is serious and unsentimental and tapes checklists of chores on Willow's bedroom door. **Do you see life as it is or as you wish it to be? Do you wear rose coloured glasses in your relationships? I did. In this book, I share what I have learned from the relationships that have impacted me the most. I share my thoughts and feelings that I have had through wearing my rose coloured glasses, and my realisation of the truth, which has taken me on a self-discovery journey. Learning to love me has been, and still is the most challenging, yet rewarding gift I have given myself. This journey continues, and for me, this will be life long. For ultimately, this book is a focus on love. I hope you will join me in my journey and come to the same realisation that you are awesome, you matter and that you will choose to Focus on Love for the most important person in your life - you.**

**A Dome of Many-Coloured Glass (1912) is a poetry collection by Amy Lowell. Published at the beginning of her career as an influential imagist devoted to classical poetic themes and forms, A Dome of Many-Coloured Glass is an agile and promising work from a pioneering poet of the early twentieth century. Containing lyric poems, sonnets, verses for children, and a masterful long poem, A Dome of Many-Coloured Glass is a vibrant collection from an emerging poet who would come to define the imagist movement throughout her storied career. In poems like "Azure and Gold," Lowell displays natural imagery intertwined with the play of words, producing such stanzas as "April had covered the hills / With flickering yellows and**

**reds, / The sparkle and coolness of snow / Was blown from the mountain beds.” From the drama inherent to seasonal change, she extracts a revelation from “the song of birds, / Who, swinging unseen under leaves, / Made music more eager than words.” In “The Boston Athenaeum,” a masterful long poem on one of the oldest libraries in the United States, she recalls “Long, peaceful hours seated on the floor / Of some retired nook, all lined with books, / Where reverie and quiet reign supreme!” Personal and public, keenly engaged with tradition while maintaining her own private voice, Lowell’s poems are an essential contribution to one of humanity’s oldest art forms. With a beautifully designed cover and professionally typeset manuscript, this edition Amy Lowell’s *A Dome of Many-Coloured Glass* is a classic work of American poetry reimagined for modern readers.**
