Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking a clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

Welcome to the magical world of Alebrijes. Alebrijes are legendary, brightly coloured, imaginary creatures which take elements from many different animals, such as cats, fish, dragons, and dogs with bird's feet and bat's wings. Alebrijes were first created by Pedro Linares López, an artist from Mexico. The story begins as far back as 1936 when Linares fell terribly ill and while falling in and out of consciousness he dreamed many incredible, amazing dreams. In these dreams, he found himself walking in a forest, and came across some strange, fantastic creatures that kept chanting, "alebrije, alebrije, alebrije". In Spanish, "alebrijes" is pronounced "al - ay - bree - hez". Pedro was very lucky and made a miraculous recovery. When he became strong and healthy again, he decided to bring the creatures he met in his dream to life in paintings and sculptures. The original sculptures of alebrijes were made of paper mache, clay and carved wood, brightly painted by hand in all shapes and sizes. Alebrijes are fun, and in this Alebrijes colouring book 4 of the series, there are 40 new exciting original alebrijes designs and texture backgrounds for you to colour at your leisure. Once you've coloured all of the alebrijes in this book, you could even try to dream new ones, and make imaginary alebrijes of your own! The illustrations on this book are inspired by original Mexican alebrijes shapes, patterns and textures in order to keep them true to the original alebrijes style. Levels of difficulty

may vary on each design.

Designed for independent learning, this book teaches the key concepts of physiology in an easy-to-understand way by inviting readers to colour in more than 150 pages of outline drawings.

I don't know where my hat is I can't find my lucky shoes I lost my favorite pair of socks and my backpack's missing too Last week I lost my glasses They're nowhere to be found I've looked around all over Turned my room upside down Maybe they just disappeared I've searched for long enough Maybe it's time to face the facts: I'm no good at finding stuff Wait what's this on the shelf? This looks kind of special A book of poems for coloring, hmm Where are my colored pencils? A wise person once said, "The world would be a better place if we all just took some time to color weird pictures or enjoy a poem or two." With The Schmillustrator's Coloring Book, you can do both - at the same time! Take in the joys of short poems about aliens, monsters, monkeys, old guys, a wizard, a turtle, an aspiring president, a bizarre character named Crackersauce, and many others while you bring the drawings to life with splashes of color. The Schmillustrator's Coloring Book is a collection of more than thirty goofy poems in the spirit of Shel Silverstein, accompanied by equally goofy and detailed illustrations to color. Perfect for kids and adults, boys and girls, dogs and cats, heroes and villains, and everyone in between.

33 completely unique dinosaur coloring pages for kids ages 4-8! For the dinosaur-loving child, what could be more fun than being able to color all of his or her favorite types? Powerful meat-eaters and peaceful herbivores roam through this coloring book, enjoying their prehistoric habitats with trees, mountains, volcanoes and comets whizzing across the sky in the background. You will find all the most popular dinosaur types here--sometimes alone, sometimes interacting with one another! Buy this coloring book today and share the fun and excitement of dinosaurs with a special child! This coloring book is a great non-screen activity to stimulate a child's creativity and imagination. It makes a perfect gift! About this dinosaur coloring book: * Contains 33 completely unique coloring pages. There are NO duplicate images in this book. * The pages are single-sided to prevent bleed-through, and so that pages can be removed and displayed without losing an image on the back. * We have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year-old age range. We have avoided overly-intricate designs as well as overly-simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. * The pages are a nice, large 8.5x11 size.
