A haunting and psychologically driven collection from Shirley Jackson that includes her best-known story "The Lottery" At last, Shirley Jackson's "The Lottery" enters Penguin Classics, sixty-five years after it shocked America audiences and elicited the most responses of any piece in New Yorker history. In her gothic visions of small-town America, Jackson, the author of such masterworks as The Haunting of Hill House and We Have Always Lived in the Castle, turns an ordinary world into a supernatural nightmare. This eclectic collection goes beyond her horror writing, revealing the full spectrum of her literary genius. In addition to Come Along with Me, Jackson's unfinished novel about the quirky inner life of a lonely widow, it features sixteen short stories and three lectures she delivered during her last years. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. The love story of Wynn Cary and Doey Brooks, based on a true story, is as compelling today as it was when it began. Set against the violent backdrop of World War II, Wynn and Doey's journey explores the hopes, fears,

passion and call to duty that have altered the lives of young lovers since the beginning of time. Yet theirs is a uniquely American story. Wynn Cary has dreamed of becoming a pilot since his youth. At the University of North Carolina at Chapel Hill, he falls in love with Doey, a beautiful young Duke University law student who shares his passion for flying. As their relationship grows, the war stalls their plans to marry. But their poignant story is living proof that love never dies.

Two friends fall into a passionate romance, but first they must confront a painful past, or else lose out on the one thing they've been searching for in this heartrending novel from the author of *Come Back to Me* and *Stay with Me*. Emerson Lowe and popular ice-hockey player Jake McCallister have been best friends since third grade but as their friendship starts to morph into something more, a terrible event occurs that heralds the end of innocence for both of them. Within a week, Jake's living on the other side of the country and Emerson is left alone to pick up the pieces of her life in a small town determined to paint her as a liar. Seven years later, Emerson is still living on the beautiful Pacific West island of Bainbridge, helping run her family's business. The last thing she needs is Jake turning up, bringing with him old memories and opening up old wounds. But Jake—even better looking than Emerson remembers—seems determined to revive their friendship no matter how much Emerson

tries to push him away. Forced to work alongside him for the summer Emerson can't help but fall for Jake, and soon they're in the midst of a passionate romance that neither of them wants to end. But both Emerson and Jake know that if they're to have any kind of future they must first confront the past—a past that most people want to stay buried.

From the bestselling author of Tides of Honour and Promises to Keep comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and

thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. Come from Away is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home

makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I’m Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I’m Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.
