Steve Martin has been an international star for over thirty years. Here, for the first time, he looks back to the beginning of his career and charmingly evokes the young man he once was. Born in Texas but raised in California, Steve was seduced early by the comedy shows that played on the radio when the family travelled back and forth to visit relatives. When Disneyland opened just a couple of miles away from home, an enchanted Steve was given his first chance to learn magic and entertain an audience. He describes how he noted the reaction to each joke in a ledger - 'big laugh' or 'quiet' - and assiduously studied the acts of colleagues, stealing jokes when needed. With superb detail, Steve recreates the world of small, dark clubs and the fear and exhilaration of standing in the spotlight. While a philosophy student at UCLA, he worked hard at local clubs honing his comedy and slowly attracting a following until he was picked up to write for TV. From here on, Steve Martin became an acclaimed comedian, packing out venues nationwide. One night, however, he noticed empty seats and realised he had 'reached the top of the rollercoaster'. BORN STANDING UP is a funny and riveting chronicle of how Steve Martin became the comedy genius we now know and is also a fascinating portrait of an era.

Bible Study Notes and Comments

A hilarious re-imagining of the heroes of the Old Testament for a modern world-and the neurotic, demanding reader. In the beginning...there was humor. Sure, it's the foundation for much of Western morality and the cornerstone of world literature. But let's face it: the Bible always needed punching up. Plus, it raised quite a few questions that a modern world refuses to ignore any longer: wouldn't it be boring to live inside a whale? How did Joseph explain Mary's pregnancy to the guys at work? Who exactly was the megalomaniacal foreman who oversaw the construction of the Tower of Babel? And honestly, what was Cain's problem? In Ladies and Gentlemen, the Bible!, Jonathan Goldstein re-imagines and recasts the greatest heroes of the Bible with depth, wit, and snappy dialogue. This is the Bible populated by angry loners, hypochondriacs, and reluctant prophets who fear for their sanity, for readers of Sarah Vowell and the books of David Sedaris. Basically, a Bible that readers can finally, genuinely relate to. Jonathan Goldstein's new book, I'll Seize the Day Tomorrow, will be available May 2013.

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE A.V. CLUB • Includes new interviews! From the writer and director of Knocked Up and the producer of Freaks and Geeks comes a collection of intimate, hilarious conversations with the biggest names in comedy from the past thirty years—including Mel Brooks, Jerry Seinfeld, Jon Stewart, Sarah Silverman, Harold Ramis, Seth Rogen, Chris Rock, and Lena Dunham. Before becoming one of the most successful filmmakers in Hollywood, Judd Apatow was the original comedy nerd. At fifteen, he took a job washing dishes in a local comedy club—just so he could watch endless stand-up for free. At sixteen, he was hosting a show for his local high school radio station in Syosset, Long Island—a show that consisted of Q&As with his comedy heroes, from Garry Shandling to Jerry Seinfeld. They talked about their careers, the science of a good joke, and their dreams of future glory (turns out, Shandling was interested in having his own TV show one day and Steve Allen had already invented everything). Thirty years later, Apatow is still that same comedy nerd—and he ’s still interviewing funny people about why they do what they do. Sick in the Head gathers Apatow ’s most memorable and revealing conversations into one hilarious, wide-ranging, and incredibly candid collection that spans not only his career but his entire adult life. Here are the comedy legends who inspired and shaped him, from Mel Brooks to Steve Martin. Here are the contemporaries he grew up with in Hollywood, from Spike Jonze to Sarah Silverman. And here, finally, are the brightest stars in comedy today, many of whom Apatow has been fortunate to work with, from Seth Rogen to Amy Schumer. And along the way, something kind of magical happens: What started as a lifetime ’s worth of conversations about comedy becomes something else entirely. It becomes an exploration of creativity, ambition, neediness, generosity, spirituality, and the joy that comes from making people laugh. Loaded with the kind of back-of-the-club stories that comics tell one another when no one else is watching, this fascinating, personal (and borderline-obsessive) book is Judd Apatow ’s gift to comedy nerds everywhere. Praise for Sick in the Head “ I can ’ t stop reading it. . . . I don ’ t want this book to end. ”—Jimmy Fallon “ An essential for any comedy geek. ”—Entertainment Weekly “ Fascinating . . . a collection of interviews with many of the great figures of comedy in the latter half of the twentieth century. ”—The Washington Post “ Open this book anywhere, and you ’ re bound to find some interesting nugget from someone who has you in stitches many, many times. ”—Janet Maslin, The New York Times “ An amazing read, full of insights and connections both creative and interpersonal. ”—The New Yorker “ Fascinating and revelatory. ”—Chicago Tribune “ Anyone even remotely interested in comedy or humanity should own this book. ”—Will Ferrell

Bible study notes and commentary on the Old Testament book of Judges, with explanation and practical applications. Designed for diligent Bible students, including teachers and preachers. Written from the conservative viewpoint of faith in the Bible as the absolute, inerrant, verbally inspired word of God. Topics discussed include: * Sin and punishment of the nation of Israel * God's mercy on those who repent * Lives of Gideon, Jephthah, Deborah, Barak, Samson, and other judges * Danger of idolatry and immorality

Recognizing "a playful spirit!" as part of our human makeup, Conrad Hyers shows how laughter and humor are integral to our serious study of the Bible. He opens the joy of understanding the Bible in its fullness. With the darker realities of the Bible -- sin, suffering, and death -- there coexists a lighter side -- laughter, humor, and playfulness. Competent biblical study requires both perspectives. This highly readable, preachable, and teachable work gives ministers, students, lay readers a valuable tool for recovering the spirit and offers a chance to share in the celebration of life and the divine comedy of faith, hope, and love.

Based on the hit movie, Chonda and co-writer Dale McCleskey (Beth Moore, Priscilla Shirer) dig into one of the Bible's most difficult books. Chonda parallels her life and many woman's experiences to Job's struggles and enduring faith. Chonda's take on pain, loss, friends, relatives and the nature of God are filled with the truth and humor that Conda's legions of fans have come to expect from one of the most influential Christian women in our era. From the introduction. . .Whether you're new to Bible study or you like to read the original Hebrew text for relaxation, I hope you will come to value Job like a dear friend. Though we cannot answer all the questions Job's story raises, I think we can learn a great deal from his experience. his story touches all of us, because all people suffer in ways we cannot explain. On Job's parentingThe book told how he sacrificed for his children. His children would have parties and just live life. Meanwhile daddy Job would go make a sacrifice and repent for them. he even offered sacrifices for sins they might have committed. Suddenly I realized Job was among the worst parents on the planet! He never let his kids suffer their own consequences. And that's when it hit me: Now Job, that's where I'm exactly like you. You are a brother from another mother!

Stephen Rosenfield, founder and director of the American Comedy Institute, the premier comedy school in the United States, has taught literally dozens of major standup comics in North America, and has also pioneered comedy as an academic discipline in many universities, a trend that is rapidly spreading. Mastering Stand-Up draws on Rosenfield's own extensive experience (and those of countless stars like Lenny Bruce, Richard Pryor, Chris Rock, Rodney Dangerfield, Louis C.K., Steve Martin, Roseanne, and Johnny Carson) to show the reader—and would-be comic—what works, what doesn't, and why. Forty sharply written chapters cover every conceivable angle of the joke and how to tell it. There are a number of books on comedy and how to do it, but none has the breadth and authority Rosenfield brings to his theme. It's not for nothing that the New York Times has described him as "probably the best-known comedy teacher in the country." Rosenfield's book is sure to become the classic text on its subject. And it should help thousands who long to make others laugh to realize their fondest hopes.

"Part Kurt Vonnegut, part Douglas Adams, but let's be honest, Matheson had me at ‘Based on the Bible.’" —Dana Gould, comedian and writer
The Bible offers some clues to God's personality—he's alternately been called vindictive and just, bloodthirsty and caring, all-powerful and impotent,

capricious and foresighted, and loving and hateful. But no one has ever fully explored why God might be such a figure of contrasts. Nor has anyone ever satisfactorily explained what guides his relationship not just with angels, the devil, and his son, but also with all of creation. Might he be completely misunderstood, a mystery even to himself? Might his behavior and actions toward humankind tell us much more about him than it does about us? Enter the mind of the creator of the universe, travel with him through the heavenly highs and hellish lows of his story, from Genesis to Revelation, to better understand his burdensome journey: being God isn't easy. After hearing his story—at times troubling and tragic but always hilarious in its absurdity and divine in its comedy—you'll never look at a miracle or catastrophe—or at our place in the universe, or God's—the same way again.

Divine Film Comedies creates a meaningful dialogue between stories in the Hebrew Bible and New Testament and comedies spanning the history of film. The text lies at the intersection of three disciplines: humor/comedy studies, film studies, and theology. Drawing on films from the silent era to the 21st century, the book highlights parallels between comedic sub-genres and sacred narratives, parables, and proverbs, illuminating a path to seeing and understanding both Scripture and film through a comic lens. The book will be of interest to students and scholars of theology and film, media, and communications.

Scrolls of Love is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others traditions.

It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.

How many straight guys can U put on a stool How many legs does the stool have and how many stools do you have I went for a whale watch the last nite: All I had to do was walk down the street and watch the whales swimming down the street. A person asked me for spare change while I was walking down Congress Street the other night: I reached into my deep pockets pulled out my spare change and threw it all over the ground: the person got all mad at me and so I said, "You said you needed a job didn't you Then I just walked away. I know, I know, I sound so cruel but eye'm not...go now: read one paragraph of this book then buy it & put it on your coffee table or buy it to read as a Kindle Edition. I love what I do even it it's inappropriate. That's my life.

This is a religious and non-denominational book. Bible answers are messages that God send to the whole world, inspired from the Holy Spirit about prophecies for the end of times that God has asked Daniel to keep sealed and secret Da.12:4,9,10. In Matthew13:14-15 Jesus quoted what the prophet Isaiah said in Is.29:9-14. The book answers questions solely on God's written words by His Supreme Authority held in the Bible. People of all creeds in search of answers will benefits from it cause these are questions that all of us face, and they will be revealed by casting aside superficial beliefs. Combines through research and analysis of biblical verses to paramount questions that everyone must ask. like 1. concerning the rapture, people give their own opinion about it, which God forbids Jer.23:28-31; Is.55:8,9: for God's way isnot our way, His thought is not our thought. and Jesus Rev.22:18,19, by sayingthat they will go to heaven which is not in the Bible. 2. Did God promise to His people to send them to heaven? 3. Who is the Bride of the lamb? 4. Where will be the place that Jesus promises? 5. Where was Satan before his fall? 6. Are there any differences between Satan's plan Is.14:13,14 and those' who expect to go to heaven? 7. The reign of Christ on earth. Because God forbids people to use their own speech and say God says, is the reason why, I do not give my own opinion in this book. I am not a writer, I just deliver the message that God inspired me through the Holy Spirit, which is good news that will give peace of mind and insurance of everlasting life to everyone, no mater your religion, for we're all expected to die and face Jesus in the judgment day.

Comedy is both relative, linked to a time and culture, and universal, found pervasively across time and culture. The Hebrew Bible contains comedy of this relative, yet universal nature. Melissa A. Jackson engages the Hebrew Bible via a comic reading and brings that reading into conversation with feminist-critical interpretation, in resistance to any lingering stereotype that comedy is fundamentally non-serious or that feminist critique is fundamentally unsmiling. Dividing comic elements into categories of literary devices, psychological/social features, and psychological/social function, Jackson examines the narratives of a number of biblical characters for evidence of these comic elements. The characters include the trickster matriarchs, the women involved in the infancy of Moses, Rahab, Deborah and Jael, Delilah, three of David's wives (Michal, Abigail, Bathsheba), Jezebel, Ruth, and Esther. Nine particularly instructive points of contact between comedy and feminist interpretation emerge: both (1) resist definition, (2) exist amidst a self/other, subject/object dichotomy, (3) emphasise and utilise context, (4) promote creativity, (5) acknowledge the concept of distancing, (6) work towards revelation, (7) are subversive, (8) are concerned with containment and control, and (9) enable survival. The use of comedy as an interpretive lens for the Hebrew Bible is not without difficulties for feminist interpretation. While maintaining an uncomfortable, even painful, awareness of the hold patriarchy retains on the Hebrew Bible, feminist critics can still choose to allow comedy's revelatory, subversive, survivalist nature to do its work revealing, subverting, and surviving. This comprehensive joke writing masterclass has been devised for beginners and experienced joke writers alike. The techniques you will learn can be used again and again to write funny and original material. You hold in your hands the key to unlocking your inner comedy genius.
