After all, books are the cheapest form of entertainment. *** Elizabeth Gregory's world fell apart one Christmas, and she never wants to see the man who caused it–her ex-fiance, James Hill. He might be boy-wonder to the investment world, but to her he's the man involved in her sister's death. Yet as the holiday season happily paints the streets in the nation's Capitol red and green, Elizabeth is standing on his doorstep. For her it's the worse time of the year. But James makes her a wager – one in which refusal is not an option.James found and lost of the love of his life, but providence brings her back to him during the holiday season. This time he'll never let her go–even if he has to convince her he's what she wants. Can they find magic on this one Christmas night? Come join a meeting of the First Love Cookie Club! “On Christmas Eve, if you sleep with kismet cookies under your pillow and dream of your own true love, he will be your destiny.” Everyone in Twilight, TX knows that Christine Noble can mix up the most delectable concoctions and turn them into amazing Christmas cookies. And the whole town also knows she can’t seem to find the ingredients for finding true love. Then through the doors of her shops strides Eli Borden–the man she still thinks of as “the best kisser ever.” To her surprise, Eli asks her on a date—and to her greater surprise she accepts. Maybe it’s the mistletoe, or the season, or even the cookies…but suddenly something magical happens. But the dreams that Christine thought she’d given up on are suddenly coming true—and it all begins with another kiss Eli.*

After all, books are the cheapest form of entertainment. *** Aurora Alexander found her doppelganger in the form of talk show hostess Marsha Chambers. Yet the two of them couldn't be further apart in personality. Aurora, a trained psychologist, supports her mother's nursing home expenses through celebrity impersonation. Following a less than stellar interview with Marsha Chambers, Aurora is mistaken for Marsha by a kidnapper who attempts to abduct her. She is plunged into danger for the famous face she wears. Duncan West would like nothing better than to have his connections to the East Coast severed. He wants to be in Hollywood making feature films, not adhering to the whims of a diva. But when her look-alike appears and he convinces her to stand in for the absent hostess, her life is put in danger and all Duncan instincts to stay away from her are put to the test. Aurora is tied to the East by a suffering parent. And Duncan wants to seek his fortune in the West. Can East and West meet? History, Literature and Theology in the Book of Chronicles presents a new way of approaching this key biblical text, arguing that the Book employs both multiple viewpoints and the knowledge of the past held by its intended readership to reshape social memory and reinforce the authority of God. The Book of Chronicles communicates to its intended readership a theological worldview built around multiple, partial perspectives which inform and balance each other. This is a worldview which emphasizes the limitations of all human knowledge, even of theological knowledge, and that those who inhabited it could not predict the future. And, despite expanding an "explainable" past, the Book deliberately frames some of YHWH's actions - crucial events in Israel's social memory - as unexplainable in human terms. The Book serves to rationalise divinely ordained, prescriptive behaviour through its emphasis on the impossibility of adequate human understanding of a past, present and future governed by YHWH.

The Relentless Pursuit of Tone

This successful book continues to provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively. The sixth edition offers new discussions on IFRS, including new codification numbers, examples of IFRS financial statements, and additional exercises. A look at more recent frauds such as the Bernie Madoff scandal have been added. Enhanced discussions of ethics and international accounting are presented. The coverage of non-cash items and their impact on decision making has been expanded. In addition, comprehensive case studies and problems help accountants tie the material together.

Weygant's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives.

The Relentless Pursuit of Tone: Timbre in Popular Music assembles a broad spectrum of contemporary perspectives on how "sound" functions in an equally wide array of popular music. Ranging from the twang of country banjos and the sheen of hip-hop strings to the crunch of amplified guitars and the thump of subwoofers on the dance floor, this volume bridges the gap between timbre, our name for the purely acoustic characteristics of sound waves, and tone, an emergent musical construct that straddles the borderline between the perceptual and the political. Essays engage with the entire history of popular music as recorded sound, from the 1930s to the present day, under four large categories. "Genre" asks how sonic signatures define musical identities and publics; "Voice" considers the most naturalized musical instrument, the human voice, as racial and gendered signifier, as property or likeness, and as raw material for algorithmic perfection through software; "Instrument" tells stories of the way some iconic pop music machines-guitars, strings, synthesizers-got (or lost) their distinctive sounds; "Production" then puts it all together, asking structural questions about what happens in a recording studio, what is produced (sonic cartoons? rockist authenticity? empty space?) and what it all might mean.

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Come join a meeting of the First Love Cookie Club! "On Christmas Eve, if you sleep with kismet cookies under your pillow and dream of your own true love, he will be your destiny." It's Christmas time at the Horny Toad Tavern, located in the heart of Twilight, TX. Elvis is on the jukebox, the lights twinkle outside...and inside, Raylene Pringle is wondering if it's going to be another "Blue Christmas" without her true love, Earl. But things are about to change—because ‘tis the season for unexpected romance and a surprise mother/daughter reunion...reminding Raylene that you should never disbelieve the legend of the kismet cookies! And don't miss The Christmas Cookie Chronicles: Christine available December 13th, from Avon Impulse and The Christmas Cookie Chronicles: Carrie on sale now.

Practice makes perfect, and Ben Yokoyama will settle for nothing less than perfection! A hilarious new Cookie Chronicles adventure that fans of Wimpky Kid or Dog Man will gobble up with gusto. When Ben's fortune cookie tells him that practice makes perfect, he refuses to settle for anything less. He demands better parents, superior hobbies, and a brand-new best friend, who might technically be a superhero. The pursuit of perfection is thrilling until Ben is forced to give up the things he loves most—including baseball, personal integrity, and his dog's enthusiastic kisses. Life lessons from a golfdish and a spine-tingling near-death experience help Ben realize that his flaws are also the keys to his greatest strengths—and that the people and things that make him happiest will always be perfectly imperfect.

AVAILABLE FOR THE FIRST TIME IN eBook! A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society—not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including One Hundred Years of Solitude, Love In The Time Cholera, The Autumn Of The Patriarch, The General In His Labyrinth, and News Of A Kidnapping. He died in 2014.

In this innovative approach to the Intro Psychology course, authors John Cacioppo and Laura Freberg present psychology as an integrative science that is highly relevant for students of all majors. The authors have kept a familiar chapter structure, providing an easy roadmap for the introductory psychology course, but the similarities with other approaches to introductory psychology end there. Integration extends in two directions, highlighting connections within psychology as well as between psychology and other disciplines. The writing and features are smart and engaging, and consistently illustrate the benefits of using multiple perspectives within psychology. Cacioppo and Freberg offer the best science possible, including exciting new research findings likely to expand students' understanding of psychology as a scientific field of study. Features and images coordinate with and enhance the text, providing many additional opportunities for critical thinking and connecting ideas. Psychology is evolving into an integrative, multidisciplinary field, and this text offers an opportunity to teach all of psychology in one place and at one time. The author of the classic New York Times bestseller Passages returns with her inspiring memoir—a chronicle of her trials and triumphs as a groundbreaking “girl” journalist in the 1960s, to iconic glory for women and men seeking to have it all, to one of the premier political profilers of modern times. Candid, insightful, and powerful, Daring: My Passages is the story of the unconventional life of a writer who dared . . . to walk New York City streets with hookers and pimps to expose violent prostitution; to march with civil rights protesters in Northern Ireland as British paratroopers opened fire; to seek out Egypt’s president Anwar Sadat when he was targeted for death after making peace with Israel. Always on the cutting edge of social issues, Gail Sheehy reveals the obstacles and opportunities encountered when she dared to blaze a trail in a “man’s world.” Daring is also a beguiling love story of Sheehy’s tempestuous romance with and eventual happy marriage to Clay Felker, the charismatic creator of New York magazine. As well, Sheehy recounts her audacious pursuit and intimate portraits of many twentieth-century leaders, including Hillary Clinton, Presidents George H. W. and George W. Bush, and the world-altering attraction between Margaret Thatcher and Mikhail Gorbachev. Sheehy reflects on desire, ambition, and wanting it all—career, love, children, friends, social significance—and lays bare her major life passages: false starts and surprise successes, the shock of failures and inner crises; betrayal in a first marriage; life as a single mother; flings of an ardent, liberated young woman; her adoption of a second daughter from a refugee camp; marriage to the love of her life and their ensuing years of happiness, even in the shadow of illness. Now stronger than ever, Sheehy speaks from hard-won experience to today’s young women. Her fascinating, no-holds-barred story is a testament to guts, resilience, and daring, and offers a bold perspective on all of life’s passages.

Pow! Radical new methods for reaching jaded, cynical consumers Put simply, when it comes to your business, your new idea, even yourself, this book can be the difference between a "Who cares?" and a "Holy cow!" Business, both big and small, is in desperate need of new ways to inspire bored and cynical consumers who have grown weary of the same old song and dance. In today's information economy, it doesn't matter how many people you reach, but how much attention they pay, and the best way to get attention is with the powerful, but largely misunderstood, element of surprise. Pow! Enter Andy Nulman with the art of surprise marketing. An explosive new outlook, surprise marketing solidifies the bond between you and your customers like nothing else, and keeps them coming back for more by providing a continuous flow of what they never expected. Pow! Right Between the Eyes reveals the secrets, theories, and tactics of surprise marketing, and wields outrageous real-world examples (and even more outrageous tools like "The Lubricant to Yes" and "Euphoric Shock") to help expand the boundaries of the extreme and create a bigger bang for bigger profits. On his quest to unlock the secret of why some things knock your socks off and others put you to sleep, Nulman shares insights from director Alfred Hitchcock, designer Philippe Starck, playwright David Mamet, Family Guy creator Seth McFarlane, Harvard psychologists, songwriters, bloggers, and even the inventor of Pirate Booty snack chips. And he shows how today's smartest companies are winning big with surprises stories like: • How Oprah's shocking announcement that "Everybody gets a car!" sent her Web site traffic up 800% and helped the Pontiac G6 outsell its competitors by 20% • How Target earns \$7 billion a year in free publicity with stunts like a floating temporary store in New York's Hudson River or putting on a vertical fashion show where acrobat models walked down the side of Rockefeller Center • How Bear Naked Granola reversed the trick-or-treat tradition by sending costumed street teams door-to-door to give away granola samples on Halloween Andy Nulman is a wildly-successful businessman and even wilder public speaker who first learned the power of surprise working with Jay Leno, Jerry Seinfeld, Jim Carrey, and many other comedians as the cofounder and CEO of the Just For Laughs Festival, the world's largest comedy event. His book shares hilarious and effective surprise promotions that he himself dreamed up for the event and in his current position as cofounder, President, and CMO of Airborne Mobile, which brings brands like Maxim, Family Guy, and the NFL to the mobile media world. Don't forget to read the book's two forewords by the legendary John Cleese and CBS Late Late Show host Craig Ferguson. Surprising choices for a business book? Well...what did you expect?

Weygant helps corporate managers see the relevance of accounting in their everyday lives. Challenging accounting concepts are introduced with examples that are familiar to them, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.

From the construction of the bird nearly ten thousand years ago to its current status as our go-to meat, the history of this seemingly commonplace bird is anything but ordinary. How did chicken achieve the culinary ubiquity it enjoys today? It 's hard to imagine, but there was a point in history, not terribly long ago, that individual people each consumed less than ten pounds of chicken per year. Today, those numbers are strikingly different: we consumer nearly twenty-five times as much chicken as our great-grandparents did. Collectively, Americans devour 73.1 million pounds of chicken in a day, close to 8.6 billion birds per year. How did chicken rise from near-invisibility to being in seemingly “every pot,” as per Herbert Hoover’s famous promise? Emelyn Rude explores this fascinating phenomenon in Tastes Like Chicken. With meticulous research, Rude details the ascendancy of chicken from its humble origins to its centrality on grocery store shelves and in restaurants and kitchens. Along the way, she reveals startling key points in its history, such as the moment it was first stuffed and roasted by the Romans, how the ancients’ obsession with cockfighting helped the animal reach Western Europe, and how slavery contributed to the ubiquity of fried chicken today. In the spirit of Mark Kurlansky’ s Cod and Bee Wilson’s Consider the Fork, Tastes Like Chicken is a fascinating, clever, and surprising discourse on one of America’ s favorite foods.
