How does good writing stand out? If its purpose is to convey facts, findings, or instructions, it need be read only once for its content to be clear. If its purpose is to entertain or to provoke thought, it makes readers want to come back for more. Revised and updated, this guide covers four essential aspects of good writing: • Individual words - spelling variations, hyphenation, frequently confused homonyms, frequently misused words and phrases, irregular plurals and

negatives, and uses of capitalization and type style to add special meanings • Punctuation - the role of each mark in achieving clarity and affecting tone, and demonstration of how misuses can lead to ambiguity • Syntax and structure - agreement of subject and verb, parallel construction, modifiers, tenses, pronouns, active versus passive voice, and more • Style - advice on the less hard-and-fast areas of clarity and tone, including sentence length and order, conciseness, simplification, reading level, jargon and clichés, and subtlety Filled with self-test exercises and whimsical literary quotations, *Grammatically Correct* steers clear of academic stuffiness, focusing instead on practical strategies and intuitive explanations. Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it, along with examples that show what ambiguities or misinterpretations might result if the rules are not followed. In cases where there is more than one acceptable way to do something, the approach is not to prescribe one over another but simply to describe the options. Readers of this book will never break the rules of language again - unintentionally.

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, *The Blue Book of Grammar and Punctuation* includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect

the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar  
Ideal for students from seventh grade through adulthood in the US and abroad For anyone  
who wants to understand the major rules and subtle guidelines of English grammar and usage,  
The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

***Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write***

***papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.***

## **Free Thoughts on Quacks and Their Medicines**

*Grace is supposed to be amazing, but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ. The tendency to add works to salvation has been a thorny problem since the gospel was first preached. Legalism--the doctrine of salvation by works--robs the Christian of the grace-filled life. The book of Galatians is like an emancipation proclamation that says, "If the Son has set you free, then you are free at last!" The liberating message of Galatians says believers are free from sin, regulations, and guilt. Free from the need to measure up. Free to be loved by Christ and changed by his grace. Galatians is a guide for recovering Pharisees, and in Free at Last , Derrick McCarson takes us on a verse-by-verse journey through Paul's bondage-busting manifesto. You may be surprised to learn that Paul's message of grace is still as relevant today as it was centuries ago. While the culture has changed much in those intervening years, mankind's inherent*

*desire for performance-based religion has not. This book is a timely reminder to Christians everywhere that if we aren't living by grace, then we have succumbed to spiritual slavery.*

`A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of Writing Your Dissertation in Fifteen Minutes a Day `Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.' - Kathleen McHugh, professor and director of the UCLA Center for the Study of Women Wendy Laura

Belcher's Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.
