their very long European Grand Tour where the two young Mozart children were to become known as child prodigies, journeying through the principle courts of Germany, the Netherlands, France and England. 5,200 kilometers covered and 80 cities, visited in 1,269 days. No rock or pop star has ever accomplished such a tour! In Volume I, we will follow Mozart to Munich, then on to Vienna, and finally Paris. Volume II will see his return to Salzburg from London, traveling through France and Switzerland. This is the moment when Leopold Mozart's ambitions become more audacious. It was time for Wolfgang Amadeus to begin his formation in becoming a composer, and there was only

one place to do this: Italy. And this is how father and son, alone, without the women of the family, confronted their three journeys to Dante's Bel Paese, where they made friends and found recognition, as well as some less complimentary opinions. We will continue to accompany the Mozart family along the various visits on their tour of Italy where they visited many important cities: Verona, Mantua, Milan, Bologna, Florence, Rome, Naples, Turin, Venice. We will discover through their travels the many interesting facts about how life was lived in the country of Bel Canto – beautiful singing. In the meantime, Amadeus the child, was growing into a mature musician,

brought up to perfect his craft, having already composed his first operas, as well as being able to navigate his way through the creation of the sacred and profane vocal and instrumental music. The elderly prince-bishop who had supported the Mozart family passed away and was substituted by Hieronymus Colloredo, whose relationship with the family grew constrained over time. The small and provincial Salzburg did not allow the young Wolfgang to express his full potential, who dreamed of the capital and a prestigious post at the Imperial Court.
