

Cowboy Small Mr Small Books

Cowboy SmallRandom House Books for Young Readers

Lois Lenski resoundingly answers the question of many fans-Does Mr. Small have a family? Meet Mama Small and the small Smalls and see how they work and play as family. Over fifty years later, the day-to-day activities of the smalls are sure to strike a chord with children.

Esref, my best friend and hero, was ordered by a magistrate to live in an Istanbul children's home. His angry mother and deviant step-father are trying to stop him from changing the world. Will he remain a lonely and troubled little boy? Will Istanbul devour him or nurture him? Another small question that's been nagging me for the past fifty or so years... was my best friend a serial murderer? Come with me on a magical flying carpet ride over, in and under Istanbul as I try to discover Esref's fate. You believe in fate, don't you? Come with me and explore your deeper and darker self. Can you taste the vanilla in the air? Can you feel cinnamon? Esref, Tarsin and I promise you a magical adventure for the good of the rest of your life. You do believe in magic, don't you? And serial murder?

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

The Life of Sarah Bernhardt

A Big Day Out

Antitrust Exemptions for Agreements Relating to Balance of Payments

The Daily Show (The Book)

Hearings Before the Subcommittee on Antitrust and Monopoly of the Committee on the Judiciary, United States Senate, Eighty-Ninth Congress, First Session, Pursuant to S. Res. 40 on H.R. 5280, an Act to Provide for Exemptions from the Antitrust Laws to Assist in Safeguarding the Balance-of-payments Position of the United States, July 15 and 16, 1965

The Enforcement of Morals

Twenty-one songs about the well-loved Mr. Small who is known as Farmer Small, Fireman Small, Cowboy Small, Papa Small, Captain Small, and Pilot Small.

Considers H.R. 5280, to exempt banks and other financial interests from antitrust laws with respect to agreements and programs related to balance of payments.

Good Night Cowboys explores riding horses, roping steer, working on the ranch, rodeos, lassos, cowboy chow, ghost towns, driving cattle, cowboy clothing, square dancing, cowboy songs, and panning for gold. Well, howdy little buckaroos. It's time saddle up and hit the dusty trail with some of the friendliest cowboys in all of the Wild West. Yeehaw! This book is part of the bestselling Good Night Our World series, which includes hundreds of titles exploring iconic locations and exciting themes.

When Mr. Busy whips up a picnic for Mr. Slow and himself, it's a recipe for disaster!

The Amazing Book of No

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

The Little Sailboat

Mr. and Mrs. Noah

Cowboy Small takes good care of his horse, Cactus. In return, Cactus helps Cowboy Small get work done on the range. Together they round up cattle for branding and live the good life. At night, Cowboy Small eats at the chuck wagon, sings with his friends, and sleeps under the stars.

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a “divorce daydreamer” to renewing her wedding vows--and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a “10-Step Marital Improvement Guide.” Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

When the cowboy meets the guy from the city, he knows everything will have to change. On the spur of the moment, with his life collapsing around him, Jay Sullivan answers an ad for a business manager with expertise in marketing, on a dude ranch in Montana. With his sister, Ashley, niece, Kirsten, and nephew, Josh, in tow, he moves lock stock and barrels from New York to Montana to start a new life on Crooked Tree Ranch. Foreman and part-owner of the ranch, former-rodeo star Nathaniel 'Nate' Todd has been running the dude ranch, for five years ever since his mentor Marcus Allen became ill. His brothers convince him that he needs to get an expert in to help the business grow. He knows things have to change, but when the new guy turns up, with a troubled family in tow - he just isn't prepared for how much.

Fireman Small and his little fire engine answer a call, rescue a little girl, and save a house from burning down.

An Illustrated History of the Best Little Semipro Baseball Team in Texas

The Amazing Tale of Mr. Herbert and His Fabulous Alpine Cowboys Baseball Club

Back in the 1940s and 1950s, almost every small town in America had a baseball team. Most players were simply local heroes with a local following, but a few teams achieved fame far beyond their region. The Alpine Cowboys—despite being based in Texas’s remote, sparsely populated Big Bend country—became a star in the firmament of semi-pro baseball. Lavishly underwritten by a wealthy rancher with a passion not only for baseball but even more for helping young men get a good start in life, the Cowboys played on a “field of dreams” whose facilities rivaled those of professional ballparks. Many Cowboys went on to play in the big leagues, and several pro teams, including the Pittsburgh Pirates, Chicago White Sox, and St. Louis Browns, came to play exhibition games at Kokeran Field. The story of Herbert Kokeran Jr. and his Alpine Cowboys is a legend among baseball aficionados, but until now it has never been the subject of a book. DJ Stout, son of former Cowboys player Doyle Stout, presents a hall-of-fame-worthy collection of photographs, memorabilia, and reminiscences from Alpine Cowboys players, family members, and fans to capture fifteen years (1946–1961) of baseball at its finest. Nicholas Davidoff’s introduction, originally published in Sports Illustrated, tells the fascinating tale of “Mr. Herbert” and his determination to build a baseball team and ballpark that deserved to carry his ranch’s 06 brand. One of the most heartwarming episodes in the annals of the game, The Amazing Tale of Mr. Herbert and His Fabulous Alpine Cowboys is a fitting tribute to a man, a team, and a ballpark.

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O’Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge “Pappy” Hadden, and Cap’n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real. Describes the many daily duties of a corner traffic cop.

Summer means the outdoors to kids everywhere. The days are long and full of summertime fun such as swimming and afternoon picnics. This classic 1953 picture book is back with bright colors after being out of print for decades.

Join the endearing Mr Small on his big day out. Collect all 12 Mr. Men New Library titles to create a wonderful set art mural.

In 1848, while on a wagon train headed for Oregon, fourteen-year-old Francis Tucket is kidnapped by Pawnee Indians and then falls in with a one-armed trapper who teaches him how to live in the wild.

Welcome to a West like you've never seen before, where electric lights shine down on the streets of Tombstone, while horseless stagecoaches carry passengers to and fro, and where death is no obstacle to The Thing That Was Once Johnny Ringo. Think you know the story of the O.K. Corral? Think again, as five-time Hugo winner Mike Resnick takes on his first steampunk western tale, and the West will never be the same.

Pilot Small flies his airplane over the countryside, does a loopy-loop, makes an emergency landing, and finally returns safely to the hangar.

Mr. Small is a sailor in this maritime adventure! Captain Small and his dog Tinker sail and fish together. When a storm comes, Captain Small heads for the safety of the shore. A comforting, nostalgic story full of information about sailing.

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Rita, Dan, Max and Ted are on the move in Trucktown! Kids will have hands-on fun with a movable part on each spread! Swing Wrecker Rosie's wrecking ball, spin Monster Truck Max's wheel, dump gravel from Dump Truck Dan's bed, and move Tow Truck Ted's hook up and down as he saves a good friend!

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Alleged Price Fixing of Library Books

In just seventy-five brief pages, Good Men Project Senior Editor Mark Greene exposes the brutal price that man box culture extracts from men and women world wide. The Little #MeToo Book for Men is a concise, no holds barred call to action, inviting men to step out of silence and isolation and into the battle for a better future.From the introduction:For millions of men, manhood can seem like a foregone conclusion, mapped out for us by universally understood rules for being a 'real man.' These rules determine how we walk, how we talk, what we think and do, what we view as our responsibilities and most importantly, how we pursue or fail to pursue our deepest needs, wants and desires.These rules of manhood become so central to what we believe as to render the distinction between ourselves and our culture of manhood invisible to us.When millions of men live our lives subject to the rules of a culture we are not fully conscious of, it can be damaging for our families, our communities, our collective quality of life, and even our longevity. The Little #MeToo Book for Men seeks to encourage a conversation about how boys and men arrive at what we believe."If this conversation can reveal even the slightest glimmer of daylight between our dominant culture of masculinity and our own daily choices as men, my hope is we will find, in that space, a more vibrant and authentic connection to our agency, our power and our humanity.Mark Greene's articles on fatherhood, men and emotional expression have received over half a million social media shares and twenty million page views. Greene writes and speaks on men's issues for the Good Men Project, the Shriver Report, the New York Times, Salon, the BBC and the Huffington Post. Follow him on Twitter @RemakingManhood

More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, Orientalism remains one of the most important books written about our divided world.

The Killed Cowboy is a romantic drama with bite, set in the modern era. When a rich Texan Rancher Daniel Delaque, comes to Scotland on a roots holiday he once promised his late wife, he meets and falls in love with a beautiful Scots widow Jean McGregor. Romance blossoms and she elopes with him back to the USA. After a whirlwind romance they get married in Las Vegas in the Elvis chapel. There is only one fly in this particular ointment. Mike McGregor joined the British Army when he was 16 following in his father's footsteps. At the age of 20, a few weeks from returning from his second tour in Afghanistan Mike is wounded in a road side ambush. He returns home to Scotland to discover the secret his family have been desperately trying to keep from him. After a few days at home and after receiving a medal from the Queens hand for his bravery during the ambush, Mike finds himself back on a plane and heading for the wild lands of Texas and an unexpected adventure. With handsome cowboys, beautiful women, romance, Red Indians, Cattle rustling, rodeos, drug dealers and murder, the citizens of Helltown are in for a rude awakening when Mike McGregor rides into town. The picture postcard cowboys from the Double D are in for a shock when the hard talking hard fighting Scottish Soldier walks into their bunkhouse.

Mr. Small

Mr. Small has a shiny red auto. On nice days, Mr. Small takes his car out of the garage and goes for a drive. He can drive fast enough to pass a horse and buggy! He runs into trouble when it begins to rain and he gets a flat tire. But he is able to fix the tire, the sun comes out, and Mr. Small drives his little auto back into the garage.

Are morals always relative? Are private actions—among consenting adults—always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: "... For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while beaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." – Bill Gates "Hans Rosling tells the story of the secret silent miracle of human progress" as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance. (Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

Dodge City Brides: USA Today bestselling author Julianne MacLean delivers three breathtaking and passionate full-length novels featuring rugged, alpha-male heroes of the West, all sworn to protect the women they love... HERO AND PROTECTOR Former bounty hunter, expert gunslinger, and the toughest sheriff Dodge City has ever known. Truman Wade is a real man from the tip of his black Stetson right down to his spurs and leather boots. He's never met his match in a gunfight, but he's never met a gorgeous, gutsy woman from the twenty-first century either... TORN BETWEEN TWO WORLDS New! A single after a rocky breakup with her self-absorbed fiancé, newspaper columnist Jessica Delaney crashes her car in a lightning storm and soon finds herself dodging bullets in the Wild West. Before the night is out, she's tossed in jail for a murder she didn't commit, and if things don't seem complicated enough, the impossibly handsome sheriff in charge of her arrest has danger written all over him - and a sexy swagger to die for. Jessica knows she needs to get home, but when Sheriff Wade's enticing touch sets her passions on fire, she begins to wonder if fate has other plans for her, and soon she must choose between the life she longs for in the future... and the greatest love she's ever known. "You can always count on Julianne MacLean to deliver ravishing romance." —Teresa Medeiros, New York Times bestselling author
