From the author of *The Spirits of America*, an energetic history of tobacco use.

An exploration of the production, transmission, and mutation of affective tonality—when sound helps produce a bad vibe. Sound can be deployed to produce discomfort, express a threat, or create an ambience of fear or dread—to produce a bad vibe. Sonic weapons of this sort include the

Online Library Crafted Prayer By Graham Cooke

“ psychoacoustic correction ” aimed at Panama strongman Manuel Noriega by the U.S. Army and at the Branch Davidians in Waco by the FBI, sonic booms (or “ sound bombs ”) over the Gaza Strip, and high-frequency rat repellants used against teenagers in malls. At the same time, artists and musicians generate intense frequencies in the search for new aesthetic experiences and new ways of mobilizing bodies in rhythm. In Sonic Warfare, Steve Goodman explores these uses of acoustic force and how they

Online Library Crafted Prayer By Graham Cooke

affect populations. Traversing philosophy, science, fiction, aesthetics, and popular culture, he maps a (dis)continuum of vibrational force, encompassing police and military research into acoustic means of crowd control, the corporate deployment of sonic branding, and the intense sonic encounters of sound art and music culture. Goodman concludes with speculations on the not yet heard—the concept of unsound, which relates to both the peripheries of auditory perception and the

Online Library Crafted Prayer By Graham Cooke

unactualized nexus of rhythms and frequencies within audible bandwidths. Volume 2 in The Prophetic Equipping Series

All fruitful doing must begin with being. For many Christians, it's easy to be swept up into the fast pace of modern life, desiring to do much for God. But we struggle to slow down and be with God. According to pastor, Enneagram teacher, and author AJ Sherrill, being with God is what empowers doing for God. Sherrill shares his own journey from "busy" Christianity to the ancient

Online Library Crafted Prayer By Graham Cooke

paths of contemplative practices. He equips readers to integrate rhythms of stillness, silence, and solitude, offering step-by-step guidance and examples of finding solitude both personally and on retreats. Sherrill warns that making these changes appears absurd in a society where time is money, productivity is central, and hurry is a way of life. He guides readers gently through the beginning and often confusing stages of contemplative practice. Citing timely insights from the world of neurology and mental

Online Library Crafted Prayer By Graham Cooke

health, he shows that solitude is crucial not only for Christian growth but also for holistic flourishing. Foreword by Rich Villodas. Readers will emerge, centered in Christ, well on their way to this goal: slow down, pay attention, be still, and be loved.

reader is walked through the steps of moving in the gift of prophecy to experience and express the love and kindness of God.

From the bestselling author of the acclaimed Chaos and Genius comes a thoughtful and provocative exploration of the big ideas of the modern era: Information, communication, and information theory.

Acclaimed science writer James Gleick presents an eye-opening vision of how our relationship to information has transformed the very nature of human consciousness. A fascinating intellectual journey through the

Online Library Crafted Prayer By Graham Cooke

history of communication and information, from the language of Africa's talking drums to the invention of written alphabets; from the electronic transmission of code to the origins of information theory, into the new information age and the current deluge of news, tweets, images, and blogs. Along the way, Gleick profiles key innovators, including Charles Babbage, Ada Lovelace, Samuel Morse, and Claude Shannon, and reveals how our understanding of information is transforming not only how we look at the world, but how we live. Developing Genuine Spirituality

A Beautiful Treasury of Inspiring Devotional Thoughts This beautiful devotional gift book is for readers who want to experience God's presence in a new and exciting way. With amazing testimonies, inspirational messages, and four-color photographs taken by the author, this book encourages readers to see God's power at work in the lives of everyday people. The devotional messages take only moments to read, but are packed with biblical promise and perspective. Along with a message of faith and trust in a miracle-working God, each day's spread also includes a related Scripture that

Online Library Crafted Prayer By Graham Cooke

points to timeless truth--and inspires readers to expect their own supernatural encounters with God. Mindshift reveals how we can overcome stereotypes and preconceived ideas about what is possible for us to learn and become. At a time when we are constantly being asked to retrain and reinvent ourselves to adapt to new technologies and changing industries, this book shows us how we can uncover and develop talents we didn't realize we had—no matter what our age or background. We're often told to “follow our passions.” But in Mindshift, Dr. Barbara Oakley shows us how we can broaden our passions. Drawing on the latest neuroscientific insights, Dr. Oakley

Online Library Crafted Prayer By Graham Cooke

shepherds us past simplistic ideas of “aptitude” and “ability,” which provide only a snapshot of who we are now—with little consideration about how we can change. Even seemingly “bad” traits, such as a poor memory, come with hidden advantages—like increased creativity. Profiling people from around the world who have overcome learning limitations of all kinds, Dr. Oakley shows us how we can turn perceived weaknesses, such as impostor syndrome and advancing age, into strengths. People may feel like they’re at a disadvantage if they pursue a new field later in life; yet those who change careers can be fertile cross-pollinators: They bring valuable

Online Library Crafted Prayer By Graham Cooke

insights from one discipline to another. Dr. Oakley teaches us strategies for learning that are backed by neuroscience so that we can realize the joy and benefits of a learning lifestyle. Mindshift takes us deep inside the world of how people change and grow. Our biggest stumbling blocks can be our own preconceptions, but with the right mental insights, we can tap into hidden potential and create new opportunities.

Planned from the Start: A Healing Devotional by Lorraine Marie Varela accompanies the major theatrical release *Unplanned*, the story of Abby Johnson's journey through Planned Parenthood and how she left the organization after watching

an abortion on ultrasound. This interactive devotional offers healing and hope to women (and men) who suffer from the devastating pain of post-abortion trauma.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural

Online Library Crafted Prayer By Graham Cooke

inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Online Library Crafted Prayer By Graham Cooke

Jesus used throughout the Gospels. Love, loss, and the memory of an otherworldly encounter haunt the days and nights of a Pennsylvania dairy farmer. Barely old enough to vote when he loses his parents in an accident and inherits the family farm, Jess Hazel struggles to find meaning in the life he has always loved. Unable to shake the memory of a strange light he has seen hovering on the mountain peak above his valley home, he embarks on a pilgrimage, a halting inner odyssey riddled with fits and false starts. Like the creek which cuts through the Allegheny foothills of its Western Pennsylvania setting, hope runs through every chapter of this novel. The beauty of the story lies in the unlikely people Jess encounters along the way,

Online Library Crafted Prayer By Graham Cooke

transmitters of a grace which at first hounds, then quietly eludes. Through events both tragic and joyous, Jess is led on a journey of self-discovery through ancestral sin, unexpected love, loss, holiness, compassion, forgiveness and redemption.

A stirring new portrait of one of the most important black leaders of the twentieth century introduces readers to the fiery woman who inspired generations of activists. (Social Science)

Nearly a half century after her death in 1972, Mahalia Jackson remains the most esteemed figure in black gospel music history. Born in the backstreets of New Orleans in 1911, Jackson during the Great Depression joined the Great Migration to Chicago, where she became an highly regarded church singer and, by the mid-fifties, a coveted recording artist for Apollo and Columbia Records, lauded as the "World's Greatest Gospel Singer." This "Louisiana Cinderella" narrative of

Online Library Crafted Prayer By Graham Cooke

Jackson's career during the decade following World War II carried important meanings for African Americans, though it remains a story half told. Jackson was gospel's first multi-mediated artist, with a nationally broadcast radio program, a Chicago-based television show, and early recordings that introduced straight-out-of-the-church black gospel to American and European audiences while also tapping the vogue for religious pop in the early Cold War. In some ways, Jackson's successes made her an exceptional case, though she is perhaps best understood as part of broader developments in the black gospel field. Built upon foundations laid by pioneering Chicago organizers in the 1930s, black gospel singing, with Jackson as its most visible representative, began to circulate in novel ways as a form of popular culture in the 1940s and 1950s, its practitioners accruing prestige not only

Online Library Crafted Prayer By Graham Cooke

through devout integrity but also from their charismatic artistry, public recognition, and pop-cultural cachet. These years also saw shifting strategies in the black freedom struggle that gave new cultural-political significance to African American vernacular culture. The first book on Jackson in 25 years, *Mahalia Jackson and the Black Gospel Field* draws on a trove of previously unexamined archival sources that illuminate Jackson's childhood in New Orleans and her negotiation of parallel careers as a singing Baptist evangelist and a mass media entertainer, documenting the unfolding material and symbolic influence of Jackson and black gospel music in postwar American society.

An accessible, comprehensive, and timely guide as prophetic gifts in the church are burgeoning, "Developing Your Prophetic Gifting" is packed with information that

Online Library Crafted Prayer

By Graham Cooke

will help to give practical instruction on moving in the gift of prophecy, to establish biblical guidelines for churches to pursue the prophetic gift and ministry, and to support church leaders as they seek to build a credible local partnership with prophetic people.
