Foretold centuries ago, it is a destiny they cannot escape... Far older than his legend, the immortal Vlad Dracul has wandered for centuries in search of the reincarnation of his wife, Elisabeta. Now he believes he has found the woman possessed by his beloved's soul and is prepared to make her his for all eternity. Tempest "Stormy" Jones is that mortal. She has long sensed the other, someone inside her fighting to take control, a feeling that becomes even stronger when the dark prince is near. But as Stormy denies the passion that burns between them, she also resists allowing Elisabeta to take over her mind and body to prevent her from claiming Vlad as her own. But when Elisabeta discovers Vlad's feelings for Stormy, her wrath knows no bounds. She demands that her destiny be fulfilled, and seeks to destroy her rival, leaving Vlad in anguish, tormented by what was...and what could be. Now only he can choose--who will live and who will die.

Newly turned vampire Bree Tanner lives in terror -- and must find her way out of untold danger -- in this pulse-pounding novella, a companion to Eclipse. Bree Tanner, a self-described "vampire nerd" first introduced in Eclipse, lives in terror in a coven of new vampire army, and as that army closes in on Bella Swan and the Cullens, she finds her first friend and discovers a truth about daylight. While fans may know how it ends, they don't yet have the full story: Bree's tale of danger, mystery, and romance is one to watch. Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, Pieces of You, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In Never Broken she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.

This volume is addressed to researchers in the field of phraseology, and to teachers, translators and lexicographers. It is a collection of essays offering a comprehensive, modern analysis of phrasemes, embracing a wide range of subjects and themes, from linguistic, both applied and theoretical, to cultural aspects. The contrastive approach underlying this variety of themes allows the divergences and analogies between phraseological units in two or more languages to be outlined. The languages compared here are both major and minor, European and non-European, and the text includes contrastive analyses of the most commonly investigated languages (French-German, English-Spanish, Russian-German), as well as some less frequently investigated languages (like Ukrainian, Romanian, Georgian and Thai), which are not as well-represented in phraseological description, despite their scientific interest.

For fans of the worldwide phenomenon Twilight comes a bold reimagining of Stephenie Meyer's novel, telling the classic love story but in a world where the characters' genders are reversed. There are two sides to every story . . . You know Bella and Edward, now get to know Beau and Edythe. When Beaufort Swan moves to the gloomy town of Forks and meets the mysterious, alluring Edythe Cullen, his life takes a thrilling and terrifying turn. With her porcelain skin, golden eyes, mesmerizing voice, and supernatural gifts, Edythe is both irresistible and enigmatic. What Beau doesn't realize is the closer he gets to her, the more he is putting himself and those around him at risk. And, it might be too late to turn back . . . With a foreword and afterword by Stephenie Meyer, this compelling reimagining of the iconic love story is a must-read for Twilight fans everywhere. The series has been praised as New York Times and USA Today bestsellers, a Time magazine Best Young Adult Book of All Time, an NPR Best Ever Teen Novel, and a New York Times Editor's Choice. Enrapturing millions of readers since its first publication, Twilight has become a modern classic, leaving readers yearning for more. Observations on the Physical, Intellectual, and Moral Qualities of Our Colored Population

Fiction. Women's Studies. Short Stories. Beginning with a story of an ex sex-worker drifting through a small rural town in the south, and ending with a young woman's wedding night, who learns from her new husband what it takes to kill a man, Nash writes across the complications of working class women, rendering their desires with visceral prose and psychologically dissecting the fundamental root that threads her work: craving and the conflicts within.

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

The Garden Stories

Volume IV: 1937-1984

The Sheik is a 1919 novel by Edith Maude Hull, an English novelist of the early twentieth century. It was the first of a series of novels she wrote with desert settings that set off a major revival of the "desert romance" genre of romantic fiction. It was a huge best-seller and the most popular of her books, and it served as the basis for the film of the same name starring Rudolph Valentino in the title role.The novel opens in a hotel in the Algerian city of Biskra. A dance is being held, hosted by a young woman named Diana Mayo and her brother, Sir Aubrey Mayo. It transpires that Diana is planning to leave on a month-long trip into the desert, taking no one with her but an Arab guide. Nobody thinks this is a sensible idea, and Lady Conway-a real person who appears in the book as a minor character-disapprovingly attributes Diana's adventurous plan to her "scandalous" upbringing. Diana's mother had died giving birth to her and her father had killed himself from grief, with the result that Diana grew up tomboyish, with a freedom that at the time was normally only allowed to boys. Before Diana leaves on her journey, her independent character is further established when she refuses a proposal of marriage, explaining that she doesn't know what love is and doesn't want to know. Once she begins travelling in the desert, it is not long before she is kidnapped by the eponymous Sheik, Ahmed Ben Hassan. It turns out her guide had been bribed. Ahmed takes Diana to his tent and rapes her, an event that happens off stage, between the second and third chapters. Diana spends a few months as Ahmed's captive, being raped regularly and brooding on her hatred for him and her self-loathing. Eventually, she is allowed increasing liberty and starts going riding with Ahmed's valet, Gaston. One day, she manages to escape Gaston on one of these rides and gallops away. She is quickly recaptured by Ahmed, however, and as they are riding back to camp, she is overcome by the sudden realisation that she is in love with him. She knows she can say nothing of this, as Ahmed-who claims to find love dull-will send her away if he learns of her love. (Piano/Vocal/Guitar Artist Songbook). A compilation of 13 of her biggest hits, including: Foolish Games * Hands * Intuition * Who Will Save Your Soul * You Were Meant for Me * and more.

Pamela Gillilian was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Sky, a nine-year-old girl, is lost and lonely. Her mother, Kirstie, lurching between bouts of depression and wild enthusiasm for the future, is struggling to cope after Sky's father left them. They move house time and again as Kirstie fixates on 'fresh starts.' But Sky feels like the permanent outsider: she cannot fit into the boxes that she feels others want her to occupy. She is convinced she is a disappointment to everyone. She cannot be what her father wanted or he would not have left them, she cannot be what her mother wants as her passion for numbers and sums does not accord with the wild, artistic promise of her name. All she wants to do is to hide, watch the world go by and try to make sense of it. She meets a troubled elderly woman, and a man who can see beneath the ground and into apple trees. The three stories are based on three gardens that Sky discovers: she learns from them that the only thing that matters is to live in the present. And that can be a gift for everyone.

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African "tradition" that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

An illustrated movie companion to the Twilight saga that explores the making of the film "Eclipse."

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Great leadership begins with great understanding. No one knows that better than basketball legend Byron Scott and lifelong business executive Charlie Norris who, respectively, won NBA championships and resurrected multimillion-dollar corporations by being team players no matter their position. Whether it's on the basketball court, in the boardroom, or in everyday life, getting to the heads and hearts of people is paramount to getting the most out of them. In SLAM-DUNK SUCCESS, Scott and Norris share their parallel formulas for victory and prove that, with the right tools, winning can happen anywhere. As a player Scott won three championships with the Los Angeles Lakers, and as coach he twice took the New Jersey Nets to the NBA Finals and won Coach of the Year honors with the New Orleans Hornets. With every team his role changed, but his winning mentality never faltered. As CEO of McKesson Water, Charlie Norris turned a \$200 million-dollar company into a company that sold ten years later for \$1.1 billion dollars and, as chairman of the board of Freshpet, he helped lead the start-up from early stage testing to become a publicly traded company with a market value of over \$350 million. In each job, he led with the same amount of conviction and care. Their book-which grew from their unlikely friendship and realization that two men from completely different backgrounds could have the same leadership ideals-breaks down their keys to motivating others, negotiating deals, and creating prosperity from scratch. Their blueprint includes lessons on listening, turning failure into learning opportunities, and delegating authority with extreme precision. Leadership is a full-time job and Byron Scott and Charlie Norris's story is a guidebook for leaders in all fields and in any position looking to better both their careers and lives. Champions are formed when people make those around them better and this book shows how you can be a winner every day. Read What You've Been Missing! This profusely illustrated video consumer guide is a must for all fans & collectors of Horror, Science Fiction & Fantasy films on tape & disc. A companion to the popular VIDEO WATCHDOG Magazine, THE VIDEO WATCHDOG BOOK contains witty & informative descriptions of 100s of titles, including out-of-print rarities, alternate versions, foreign language & import releases, continuity errors... even detailed descriptions of missing (& censored) scenes!
